# *EDITORIAL NEWS AND VIEWS*

Dear Readers

Time flies and here we are already in November, in the run-up to Christmas. I will be making my Christmas cake in the next couple of weeks. Yet October was such a pleasant month that it really doesn't seem like winter is almost upon us.

It is the time of year when we have lots of lovely Craft Fayres to browse around and buy gifts, whilst helping good causes to raise funds. You will find adverts for quite a number of local events in November.

I have received a request from Joan Dodd in New Zealand who is trying to trace members of the Antwiss family who came from Kingsley. If anyone thinks they may be able to help please see the details later in the magazine.

Finally I must apologise to PR for accidentally missing the end off his Litterpicker's Lament poem last month. I have re-printed the full version this month.

# Kingsley Carnival 2010

The date for the 2010 Carnival has been set for Saturday the 26<sup>th</sup> of June. In a break from tradition, the Carnival will be held at the heart of the village between the Community Centre and St John's school.

The theme for the Carnival will be "The Circus" and we have booked a big top for the day. There will be two performances by the professionals and two circus workshops for anyone who wants to join in. This year's scarecrow competition will also be on the circus theme.

There will be a bar at the Community Centre and the WI will be providing teas at the school. This year we will also have a produce show for jam makers, bakers and gardeners. The classic cars will be there too and the Transition Initiative will be supporting us with another local market.

We have a website for the Carnival. Have a look on [www.kingsley-carnival.co.uk](http://www.kingsley-carnival.co.uk). We will be putting information on the website on a regular basis. Entry forms for the various competitions will be on the website as well. The first meeting of the Carnival Committee will be held at the Red Bull on Monday 16<sup>th</sup> November at 8pm. Everyone is welcome.

## AWARD WINNER

This year Kingsley won the Cheshire Constabulary Safety Award. This award is concerned with things that the community does to address issues that can make people feel unsafe. They reviewed our successes and things that we continue to worry about.

Kingsley's entry focused on two areas and how we deal with them. The first was problems around the community field and at the centre of the village with teenagers and others causing a nuisance. The creation and ongoing support of KU17s has been an important factor in providing teenagers with somewhere to go. The redesign of the play area to make the car park more visible was also seen as a key factor in reducing problems on the field.

The other area that we are working on is road safety, especially the lack of a pavement around the Scotland Lane area and the B5152 at the bottom of Hillfoot Lane where there are frequent accidents. The Parish Council have kept both of these on Cheshire County Council's agenda and they continue to work to find ways to overcome funding problems and raise awareness.

The theme of these activities has been that we find ways to work on problems of safety which affect everyone in our community and are usually seen as being insurmountable. While KU17s and the redesigned play area are examples of initiatives that helped make people feel safer, the road safety issues are "work in progress". It was great to have our efforts recognized by Cheshire Constabulary.

Dear Readers

We have had a busy half term since we started the new academic year.

At the end of September, our Year 5 and Year 6 children visited **PGL** in Shropshire for 3 days to take part in outdoor adventure activities.

The visit was a huge success where many children (and staff) overcame their fear of heights as they took part in rock climbing, raft building and the giant swing.

For more photographs, please see our website: [www.kingsleycp.cheshire.sch.uk](http://www.kingsleycp.cheshire.sch.uk)

### Fun Food Chef

We began the year with a day of cookery for children in classes 1, 2 and 5. The children had the chance to do some cooking with the Fun Food Chef. They designed and made a healthy meal

including milkshakes, pizzas from scratch and granola yoghurts.

They have been sharing their new knowledge and skills with their families at home.

This initiative has been part of our education to encourage the children to eat healthily.

### Life Education Caravan

At the beginning of the term, the children had great fun learning about healthy living, healthy bodies and keeping safe in the Life Education Caravan. This is partly sponsored by the Rotary Club and we appreciate their support.

### Gardening

Before the summer, our gardening club planted some beans, potatoes, tomatoes and pumpkins which have been growing well. We are looking forward to harvesting the pumpkins very soon and to eating the pumpkin soup we will make.

## **A message of thanks**

I would like to convey my sincere thanks to all friends and neighbours who have been so kind following the death of my wife, Kath Wood of Top Road, Kingsley.

Sincere thanks for your support and messages of sympathy. I am also very grateful to everyone who donated money in lieu of flowers and to those of you who attended Kath's funeral on 18 September 2009. A total of £800 was raised for Macmillan Nurses.

Your kindness has meant so much to me and my family at this difficult and sad time.

## **Mothers' Union Kingsley, Norley and Crowton**

On one of the wettest evenings in October we welcomed our Prayer Partners from St Mary's Church, Lymm. After a short Harvest Service our visitors looked round the church before adjourning to the Church Room for a recital by our Mothers' Union Platebell Ringers. We then let our visitors have a go, which they thoroughly enjoyed.

The November meeting will be a craft evening – needles at the ready! We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.

## Pantomime Auditions

### The Wicked Witch & The Magic Shop

Sunday 1st November  
6.00pm

Kingsley Community Centre

On a street, in a town, where nobody goes, stands a Toy & Magic Shop. The shop is run by strange twins, with a remarkable resemblance to Tommy Cooper! However, the shop holds a dark secret, for the dolls on view in the showcases resemble people who have had dealings with a Wicked Witch by the name of Graveling.

All is about to be revealed when Alison and her two children get lost in their town and find themselves outside this strange shop. They are thrown into the world of Witchcraft and **MAGIC**.

The cast is 16 characters, as well as a chorus who play the parts of Gnomes and Toy Soldiers. Chorus members must be aged 6 or over.

If you are interested in being involved in this production, then come along to the auditions at Kingsley Community Centre at 6.00pm on Sunday 1st November. A list of characters is on the website. (If you are unable to attend the audition, but are interested in being considered, please contact the director, Lesley Silcock - [lesleyandneil@hotmail.com](mailto:lesleyandneil@hotmail.com))

If you are a little shy of being on stage and would like to be involved in the work which supports a production like this, such as stage building, scenery painting, costume making, make up, front of house etc then please contact one of the committee members.

## November In The Garden

Surprisingly, there are still jobs to do in the garden in November. The lawn may still need cutting, but raise the blade. Fallen leaves need to be collected and composted. If you don't have a compost heap the collected leaves can be put into black bin sacks to form a leaf mould. Make sure you fork holes into the bags and leave for about a year. Turf can still be laid and lawn repairs can be done.

The whole garden needs to be checked over to make sure it is up to the rigours of winter. Wind can cause damage, so check fences, gates, sheds and greenhouse glass and doors to make sure they are sound. Heavy rain and snow can damage plants, so make sure plants are secure. Check drainage so that plants don't get waterlogged. Plants can be grown in pots and moved to drier parts of the garden for the winter. Check containers and plants and put them close to the house for protection. A container planted now with evergreens and shrubs can give colour in the gloomy days of winter.

Tulips, Hyacinth and Crocus can still be planted – a bit late for Daffodils now.

Dahlias can be lifted and stored. The foliage should have turned black after a frost and cut back to about 15cm. Shake off soil and clean the tubers. Tubers need to be stored upside down with good air circulation.

It is a good time to move plants in the garden because the plants are preparing for winter dormancy and the soil conditions encourage new root growth. November is the time to buy and plant bare root plants, this includes roses and trees. Prepare the soil before planting, dig a hole wide enough for the roots to spread out and then cover with soil. Plant to the depth of the soil mark on the plant, water well and your new plant should thrive. Heel plants in if you are unable to plant immediately. This is temporary planting, but the roots are covered and they will not dry out. Hedges can also be planted because Beech and Hawthorn can be bought as bare root plants.

Herbs can be grown on windowsills at this time of year. Pot up chives and mint for regular use and a reminder of summer.

Why not join us at the November Gardening Club meeting. It is a very special occasion as we remember Elaine Jones a former President and Treasurer. Our speaker is Bob Brown, a plant collector renowned for his collection of hardy perennials and well known in gardening circles. He

categorises plants on a scale of ten and this reflects his view of their garden worthiness. He will be bringing plants that can be ordered from his web site at [www.cgf.net](http://www.cgf.net) Make your order direct and you can refer to the Kingsley Gardening Club talk. It sounds like a treat is in store for all of us! Guests and new members always welcome at the meetings.

**CAN ANYONE HELP?**

"My Interest is in the ANTWIS family of Kingsley/Cheshire area. I will reply to any replies..

My DODD family (originally from Warrington) all moved to Liverpool. Three of these DODD brothers Samuel, Thomas and James Dodd married 3 ANTWIS girls from Kingsley, Samuel DODD married Mary ANTWIS b.1812 who was the daughter of Peter ANTWIS and Betty of Kingsley. The other 2 ANTWIS girls who married my DODD brothers were Harriet and Alice, neices of Mary ( now also their sisters in law).

As well, my Kingsley John ANTWIS b 1802 married a Lydia DODD of Barrow and Lydia's brother Samuel DODD of Barrow married Betty ANTWIS of Kingsley. Is there some direct blood connection between the DODD families of Barrow and Warrington or this just coincidence? "

## **WOMEN'S INSTITUTE**

Joan Barker presided at the October meeting. She reported that the visit to 42nd St at the Brindley Theatre had been very much enjoyed and that the participation in the Local Produce Market had made £100 for WI funds. Members had served teas at the Transition Initiative meeting and monies raised had been sent to Save The Family.

Forthcoming events included the Carol Service in Chester Cathedral on 9th December, the trip to White Christmas at the Lowrie on November 30th, WI Christmas lunch on December 11th at Forest Hills and a visit to the home of WI member Pauline Bate just before Christmas to have afternoon tea. Members were invited to join in the scrabble evenings which are proving popular.

The speaker, Gavin Hunter, gave a wonderfully illustrated talk about Port Sunlight from the beginning to the present day, and showed how the two Lever brothers had progressed from selling soap to manufacturing it and building a "village" with all amenities for the employees of the factory.

The next meeting on November 4th will be the AGM followed by Ruby Porter speaking on the subject of Sreepur Village Orphanage.

## **THANK YOU**

## Christmas Market

local produce & gifts

**Saturday 28th November : 10am-1pm : Horseshoe Pub**

Following on from the success of Kingsleys first local produce market, organised by Kingsley Transition Initiative (KTI), we are pleased to announce we are back with a Christmas themed market. It will again be held at the Horseshoe Pub with indoor and outdoor stalls including locally made crafts, gifts and more yummie locally produced consumables.

Along with the School and Church Fayre we hope that this day will signal the start of the festive season. So come along and enjoy some roast chestnuts, a glass of mulled wine and some great local produce.

### Sustainable Kingsley : Vision 2020

Thanks to everyone who came to our Sustainable Kingsley event on October 3rd. It was a lovely morning full of community spirit and enthusiasm for all things sustainable. From Wiggly Worms to re-usable nappies to saving energy and growing your own food we covered it all. Children from both schools drew us wonderful pictures of what they wanted Kingsley to be like in 2020, and the drawings decorated the Community Centre beautifully. And finally a big thanks to Kingsley WI for providing the refreshments.

**Please come along to the events and help make them a success.**

If you would like find out more about KTI visit the village website, call Allan on 01928 788335 or Simon on 01928 787813.

## KINGSLEY WALKING GROUP

Five of us enjoyed a 7.5 mile walk on a lovely sunny day on 13 October, walking in glorious and varied undulating countryside in the vicinity of Maeshafen, and taking in Moel Findeg which afforded us distant views.

### NOTICE:

It has been suggested that the regular walks should be shortened next year to perhaps 6-7 miles. If you have felt that the walks are currently too long for you, but would like to come on a slightly shorter walk, or have alternative views, please let the regular walks co-ordinator, Chris Goy (tel 788068), know so that we can assess the level of interest. (The short walks will continue as before).

18 walkers commenced the Kingsley Short Walk on 30<sup>th</sup> September from Kennel Lane, off the A556. We proceeded along the lane passing Kennel Wood on the way and turned left to cross fields, eventually to cross Dalefords Lane to enter Petty Pool Wood. After walking about a mile we crossed Dalefords Lane again to head towards Newchurch Common. Then turning left towards the Dairy Farm and right to join up with the Whitegate Way. A mile or so brought us to the Kennel Bridge, where we turned to make our way back to our transport. Refreshments had been pre-ordered at the Vale Royal Abbey Arms, and were enjoyed by all the walkers

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. ## A LITTER PICKER'S LAMENT

We've picked and picked this last few months

And still there's more to find:

An oddball mix of things you drop -

Just trash of every kind.

Regular things among this stuff

Bestrew the Kingsley lanes.

There's sweetie packs and ciggy wraps

To pick up for our pains.

But more disgusting objects seen

Are dog-ends of both sorts -

(The canine and the nicotine

Are what's now in my thoughts).

To those who smoke in sheltered spots

And chuck their butts away:

Why not use the rubbish bin

So close to your doorway?

A plea to all who drop this trash:

Your litter makes me scream!

Just pick it up - and you'll be part

Of Kingsley's clean-up team.

PR

Dog walkers are not watching their dogs as they exercise them on the playing fields, or are just not bothering to take bags to clear up the mess.

On two days at the beginning of September I not only removed the mess for my dog, but for two others as well

The footpaths from Top Road to the thatched cottage in Dark Lane, and from St John's School to Westbrook are also not being cleared by dog owners.

**FREE BAGS ARE AVAILABLE AT THE  
POST OFFICE COUNTER. FOR  
EVERYONE'S BENEFIT PLEASE USE  
THEM.**

## Litter Pick Update

On Saturday 3<sup>rd</sup> October 14 of our litter pick team cleared the village of 14 bags of litter.

Thank you to the team and also to those who collect litter as they walk around the village.

The next litter picks will be on **Saturday 7<sup>th</sup> November** and **Saturday 12<sup>th</sup> December**. We will start at 10.00 am at the Community Centre.

New helpers are always welcome.

We provide all the equipment needed.

Eila Birtwistle -

# HAPPY BEEF

Thank you to everyone who purchased our beef and pies at the last Kingsley Local Produce Market. We hope you enjoyed the beef.

The meat of cows fed naturally on grass has omega-3 in it but intensively reared grain cattle have higher levels of saturated fats and little omega-3. Moreover some of the vital trace elements and vitamins needed to metabolize essential fatty acids and other foods are being depleted – so says Felicity Lawrence author of the book 'Not on the Label'.

Therefore by purchasing Happy Beef and enabling cows to be reared the real way you are also benefiting your own health.

There will be fresh Happy Beef from 26<sup>th</sup> November and we will be back at the Kingsley Local Produce Market on the 28<sup>th</sup> November.

If there are any special cuts required such as rib of beef on the bone, sirloin joints (or even if you just require a smaller cut of beef), please don't hesitate to contact us using the details below.
