EDITORIAL NEWS AND VIEWS

Dear Readers

I hope everyone enjoyed Christmas as much as I did. I must admit I was hoping for a white Christmas as it seems so much more festive.

After all the festivities in December, January always seems rather quiet, however we can look forward to the Kingsley Players Panto. This year they are performing 'The Wicked Witch and the Magic Shop' from 27th-30th January.

January is also a good time to have a clear out. I shall be going through my cupboards in January and donating my unwanted items to the Jinormous Jumble Sale at the beginning of February. All for a good cause.

Wishing everyone a Happy and Prosperous New Year.

Elizabeth

KINGSLEY CRICKET CLUB

Founded 1971

- ❖ Kingsley Cricket Club have had great news from the England & Wales Cricket Board. After much hard work by club members and in particular Club Vice Chairman Adrian Burden the ECB have awarded the club a combined grant and loan in the region of £40,000, for the construction of a new three lane practice net facility at The Croft Cricket Ground in Kingsley.
- ❖ The Club has applied for, and obtained, planning consent for the necessary work. It is hoped that the new net practice facility will be constructed and ready for use before the start of the coming 2010 cricket season.
- ❖ Of course, the Cricket Club will have to raise its own financial contribution to the cost of the work on the new nets, and much hard work is going to be needed with fund raising activities over the coming year. The Club would like to thank all those individuals and businesses in the village and locality who have supported the Club over recent years and very much hope that that support will continue in this new and exciting development which will provide safe practice facilities to the ever expanding junior sections of the Club as well as for Senior players.
- ❖ As always the Club welcomes anyone in joining whether as player or social member, sponsor, coach, scorer, or in any other way which will encourage and support cricket in the community.
- ❖ Very best wishes for the New Year.
- ❖ For all contact details and more about the Clubs activities, statistics and all other information, please visit the Club's website: www.kingsley.play-cricket.com.

CONGRATULATIONS

In November I had the honour of being invited to St James Palace, London, to receive my Duke of Edinburgh Gold Award, which was presented by the Earl of Wessex.

To gain the award I had to complete five criteria. These were a skill, for which I did amateur dramatics with Zodiac Operatic Society, a service, where I helped as a young leader with Kingsley Beavers and a physical recreation, where I learned ball-room dancing and achieved my gold medal. I also had to complete a residential project, for which I sailed on a tall ship from Plymouth to Liverpool for the Tall Ships Race in 2008. I also completed a 4 day

expedition from Fort William to Inverness by canoeing along the Caledonian Canal (including dodging Nessie when on Loch Ness!)

All through the award I have met and talked to many amazing people including my colleagues on the expeditions. They gave me many memories that I shall never forget. I fully encourage anyone who wants the time of their life to try the Duke of Edinburgh's award.

THANK YOU

VISITS WELCOME ANY TIME

Christmas at Kingsley St John's School

Reporter Alice Geldenhuis

This year our Christmas Play was called It's a Cracker. The play was about a family sitting down to Christmas dinner. Grandad tells the children, Tom, Lucy and the stropy twins all about the olden days and what Christmas was like when he was young.

There were loads of great songs about angels, camels and the shepherds. The dances were all great fun too. We worked really hard to make sure we knew all of our lines and the words of the songs too. Of course the play did have Mary and Joseph in and explained how we would not have a Christmas if Jesus had not been born.

Class 1 were angels and did some makaton signing with their song. Class 2 were shepherds and ran round the stage very fast doing lots of actions. Class 3 were camels, the guys with the shades, as well as being the main characters and the two narrators. Everyone who saw the play said how much they enjoyed it and that they could see how hard we had all worked to put it all together.

Our Celebrity Cook

Everyone at KSJ would like to say well done to Mrs Evans for winning the Working in Partnership Award. At lunchtime all of the children race to get their lunch as the food is so delicious!!!

Mrs Evans won the award for making meals that fit in with things we are learning in school. She has made Greek, French, Chinese meals as well as food for Valentines, Bonfire and of course Christmas Dinner. Her food is scrumptious!!!

Dear Readers,

Christmas Productions

We celebrated Christmas at Kingsley Community Primary in the usual way with two very busy weeks of wonderful productions.

R/Y1: Christmas with the Aliens was fantastic. A group of aliens landed from outer space

and watched the nativity unfold; the children spoke and sang with confidence.

audience of parents/grandparents & friends.

Y2: *Beauty & the Beast* - the children acted and sang so well. We were amazed at the number of lines that some children had learnt.

Nursery: Nativity - our 3 and 4 year olds put on a great performance of the nativity which was thoroughly enjoyed by the

Y3/4: *Finding Nemo* - the children put on a fabulous production including singing, dancing and great acting. One of the highlights were the clown fish.

Y5/6: *Chitty Chitty Bang Bang* - what a fantastic production! The children surpassed themselves. They entertained a large audience with high quality drama, singing and dancing. Every character gave of their best.

I would like to thank all the staff for all the work they have done with the children putting these amazing productions together; they will be remembered for many years.

Carol Concert

We ended the term with a carol concert which was well attended. We raised £120 towards brass tuition for our Year 6 children.

We wish you all a peaceful 2010.

Yours sincerely

THE WICKED WITCH AND THE MAGIC SHOP

A Pantomime by Arnold Ashbrook

Wednesday 27th - Saturday 30th January 2010
Kingsley Community Centre

On a street, in a town, where nobody goes, stands a Toy & Magic Shop. The shop is run by strange twins, with a remarkable resemblance to Tommy Cooper! However, the shop holds a dark secret, for the dolls on view in the showcases resemble people who have had dealings with a Wicked Witch by the name of Graveling.

All is about to be revealed when Alison and her two children get lost in their town and find themselves outside this strange shop. They are thrown into the world of Witchcraft and **MAGIC**.

NEWS RELEASE

21 December 2009

New panto premiered by Kingsley Players

Magic and witchcraft promise to keep audiences spellbound when Kingsley Players premiere a new pantomime at the end of January.

The Wicked Witch & the Magic Shop has been written specially for the Players by talented Norley playwright and musician, Arnold Ashbrook, who is also the production's musical director.

Following on from the success of Arnold's previous pantos, Mother Goose and Dick Whittington, this production is set in the world's spookiest shop, run by a strange pair of twins.

When two children and their mother lose their way, they find themselves plunged into a world of magic and witchcraft where dolls and toy soldiers

come to life ... and nothing is quite what it seems.

Director Lesley Silcock explained: "The Wicked Witch and the Magic Shop promises to be an exciting and visually stunning show and we have been cooking up some magical special effects. Think The Nutcracker Suite meets Harry Potter."

'The Wicked Witch and the Magic Shop' will be on stage at the Kingsley Community Centre for four nights from Wednesday 27th January –Saturday 30th January, starting at 7.30pm. There will be a matinee on Saturday 30th January at 2.30pm. Tickets cost £4-6 and are available from Holland Pharmacy in Kingsley or by ringing the Box Office on 07925 516760. Tickets may also be booked online at www.kingsleyplayers.co.uk.

Kingsley Garden Club

It's mid December and in my garden there are still roses in full bloom! Even some of the late flowering Clematis are still bearing a few, admittedly smaller, flowers and the January/February flowering shrubs and other plants have also started to show a few flowers, as have some of the mid-year flowerers, such as Weigela and Viburnum.

Indeed a most unusual year again! The first light frosts will no doubt put paid to this unusual state of affairs, so that I can start to organise next year's gardening activities. The last of the summer and autumn vegetables have been harvested and stored where appropriate, the soft-fruits pruned, the perennials cut back and prepared for the harder weather yet to come. The lawns have had their last cut of the season only a few weeks ago, plus their winter dressing and application of moss killer, spiked and aerated, leaves from the wood swept up and put into a wire netting pen to compost for next year, so hopefully, that's the majority of "must do jobs" done before the traditionally colder months of January and February set in and the gardening becomes mainly of the "fireside" kind – planning for next year.

Don't forget to plan ahead – especially if you grow your own vegetables and fruit, and you own annuals or replacement perennials, as I do – get or order your seeds in plenty of time (it's amazing how quickly your "favourite" varieties of seeds disappear from the garden centres once Christmas is over!). Maybe you save your own seeds? If you do, bag them in old fashioned paper bags, keep them in a cool, dry place, and don't forget to inspect them from time to time, to make sure they don't go mouldy!

Not much else to remind you about, as I'm sure you're further ahead than I am! Hopefully you will all have a peaceful and prosperous New Year (even that's as doubtful as the weather these days!). Don't forget that the garden Club has no meeting in January, and that the next meeting is on February 8th, when the topic will be "Gardener's Question Time", presented by Steve Roberts of Morrey's Nursery, Kelsall.

Mike Dixon, Norley

We welcomed several guests from the Tuesday Housegroup to our Christmas Party at the beginning of December, including the vicar and his wife, Pete and Cath Rugen. We were also delighted to welcome Mrs Ethel Stanley, now aged 96, who was one of the founder members of Kingsley M.U. in 1943. The evening started with supper provided by the committee followed by a very amusing sketch written by Beryl Paulson based on an M.U. committee meeting in which Cath appeared as a new committee member with revolutionary new ideas for a Christmas Party. (Maybe next year?) We exchanged gifts with our prayer partners and finished the evening with carols.

Vicar Pete will be our speaker at the next meeting on 5 January 2010 which will also be the A.G.M.

We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.

KINGSLEY WALKING GROUP

Our December walk was a five miler starting from Norley village hall, taking us into Delamere Forest and around Blakemere before returning to Norley via Hatchmere. It was a mild and dry morning, with the sun trying to peep through. Sixteen people participated in the walk, after which we retired to the hospitality of the Tigers Head, where we were joined by seven others, including some 'retired' walkers and enjoyed an excellent Christmas lunch.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at www.kingsley.walkers.btinternet.co.uk

Kingsley WI

Members were welcomed by Lynn Blyth, the new President. She presented the outgoing President, Joan Barker and Treasurer, Geraldine Pile with gifts in recognition of their work for the WI.

The visit to the Lowry had been very much enjoyed and there are a number of Christmas treats in store over the coming weeks including the Group Carol Service in Acton Bridge (preceded by the walk) the County Carol Service in Chester Cathedral, the lunch at Forest Hills and a visit to Pauline Bates' home for afternoon tea. There will be a trip to the Lowry in February to see Calendar Girls.

Members were sorry to learn that Nina Tallis was unable to come to do the Christmas Flower demonstration, but we were very lucky that Joan Barker had stepped in.

Joan did some beautiful seasonal arrangements using much home grown material with added flowers and sparkle. The results were stunning and everyone was hoping to win an arrangement in the raffle.

The next meeting will take place in the Community Centre on Wednesday January 6th at 6.00. This will be the New Year Meal followed by a talk by Chris Bailey.
