EDITORIAL NEWS AND VIEWS

Dear Readers

Happy New Year to everyone.

We start the year with some good news that the abandoned Shetland Pony featured in the December issue has been found a loving home and is now settling in with his new stable mates.

To help raise awareness of the Kingsley Transition Initiative, the KTI Steering Group have awarded £100 each to Kingsley St Johns School and to Kingsley Community School for an environmental project. No doubt we will publish an article about this once the projects are underway.

The Parish Plan is now complete and the results will be published at a meeting on 30th January. Further details in the magazine, I hope there will be a good turnout for the meeting as residents need to come along and join in the next stage of implementation to make the Plan successful.

THANK YOU

On behalf of my brother Peter, myself and our families, I would like to thank the kind people of Kingsley for the generosity shown at my father's funeral on Thursday 8th December. A total of £151 was donated to his chosen charity, Cancer Prevention Research Trust. The warmth and fond memories shared by the village helped ease a difficult day.
Thank You to Everybody

Kingsley Carnival 30th June 2012

This year's carnival will be held on June 30th on the Kingsley Community Primary School field. The theme will be the Olympics, past and present. As ever there will be a scarecrow competition, floats, teas, games, stalls and lots of fun.

If you would like to get involved in helping to organise the Carnival, you'll be very welcome. We will meet once a month until early June and then there will be more frequent meetings. There are lots of things you can do, from helping to organise the scarecrow competition, right through to helping out for a few hours on the day.

The procession will include floats and classic cars. We are planning to have a noisy band to lead the way through the village. Who knows, we may even have our own Olympic flame! If there is something you would like to see at the Carnival, now is the time to tell us. We always need new ideas.

There will be a planning meeting on Monday 16th January 2012 at 7.30pm in the Community Centre. Why not come along and see if there is something that you can do to help? Everyone is welcome.

If you can't make the meeting, but you would like to be involved, contact Fiona Crane on 787629.

CONGRATULATIONS

**HEADTEACHER Mrs Ann Griffiths
VISITS WELCOME ANY TIME**

Dear Readers,

Class One at Kingsley St John's have recently visited Father Christmas at Delamere forest. We had lots of fun looking at all the displays in Santa's Grotto. Daniel and Mrs Gibson thought it looked like a scene from "Happy Feet." The children made their way through the Grotto to Santa's workshop where they found out if they had been

naughty or nice. Fortunately they had been fantastic and Father Christmas gave them all a Christmas tree to plant at home, as well as one for the school... the teachers must of all been good too!

The children then got to ride the train, tie their wishes to the wish tree and have some fresh donuts to warm them up on a very wintry, but brilliant day.

Year 2 children visited the Community Church in Frodsham where they experienced the Christmas story through, puppetry, song and drama. They thoroughly enjoyed the visit.

Mrs Griffiths, Headteacher, and the staff and children at St. John's school.

Kingsley Parish Plan

Moving from Ideas into Action!

Finally, the Parish Survey is complete and the results will be published by the end of January. Now that we know what residents of the village want, it is time to organise some working groups to bring some of these ideas into reality.

From the survey results, the fact that more than 80% of people said that they rated “Living in Kingsley” as 8 out of 10 or better was the best thing we heard. Ideas for developments that had the most support were:

1. To do something about parking, especially in the centre of the village
2. To make the village look more attractive by planting up some of our verges
3. To start a film club in the village
4. To improve the footpath network and do something about the “missing pavements”.

It is now time to move on to implementation. That means we need to form small working groups who want to work on each of these areas. They will be supported by the Parish Council, and Cheshire Community Action will provide guidance on how to access funding and officials in Cheshire West to help progress the work.

Some volunteers have come forward, and work is about to start. If you are interested in joining any of the planned working groups, why not come to the first planning meeting at **7.30 on January 30th 2012** at the Community Centre? It will be a real chance to actively participate in the development of the village – and maybe help to improve our “Living in Kingsley” score to 10.

KINGSLEY WALKING GROUP

This year our Christmas lunch was held at Frodsham Golf Club. Nineteen of us congregated at the club car park for the morning's walk. Again we were blessed with bright sunshine, though there was a cold wind and the overnight rain had made it muddy underfoot. A five mile tour of Frodsham Hill took us first past Heathercliff, then round to the War Memorial, with good views all round. We then followed the Sandstone Trail path to Woodhouse Hill, dropping down to the new woodland, before returning to the main path and making our way back via the golf course and Mickledale Farm. Back at the golf club we were joined by ten others, including some past colleagues, for a convivial lunch. Thanks go to Maureen for the smooth organisation.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at www.kingsley.walkers.btinternet.co.uk

CELEBRATION TIME AT KINGSLEY TRANSITION INITIATIVE

Our purpose is to respond to the changes we are experiencing on a day by day basis: higher prices at the pump, higher food prices & higher energy bills to name but a few. Tough decisions are being taken at national level about how to respond to these issues, but in the meantime community groups like ourselves look to manage the impact so that the places where we live are more resilient to such changes and the challenges of the future.

In 2011 the supporters of the KTI and residents of Kingsley have had a lot of fun in achieving:

- 17 allotments
- £100 gift to each primary school towards eco-projects
- Solar PV panels on the Community Centre roof
- A group of local trades people promoting local services
- An energy group encouraging energy conservation and generation
- Award winning local food showcased at 4 quarterly markets
- Working partnerships with CW&C and Reaseheath College
- A supporting membership of 100 residents

Please come and join our celebration with a glass of wine

COMMUNITY
PRIMARY &
NURSERY
SCHOOL

Pantomime Season hits Kingsley Community Primary School

Our children have had a fantastic lead up to Christmas in school this year. We have continued with our tradition of having a season of plays and pantomimes during the last two weeks of term.

Our new Foundation Stage Unit successfully performed 'Come to the Manger' to two large audiences.

Our Years 1 and 2 performed the traditional tale of Cinderella which was received with great

enthusiasm by the audiences who attended the performances.

Our Years 3 and 4 children have been very keen on forming a 'Glee club' and this interest was seen in their production of the 'Primary School Christmas Musical' in which the play nearly takes over the whole school.

Years 5 and 6 performed The Wizard of Oz to packed audiences and featured a song from the Brass Band. Well done to everyone who

was involved in each of these productions.

We ended the term with a Craft Fair organised by a group of parents and our Carol Concert.

During this very busy time, we were also visited by a team of Ofsted Inspectors who carried out their routine inspection. We were very pleased with the outcome.

For more information please see the school website:
