EDITORIAL NEWS AND VIEWS

Dear Readers

I hope everyone had a good Christmas.

January is a rather quiet month after all the hustle and bustle before Christmas and I suspect probably a relief to most of us! We can unwind, reflect on the good and bad parts of the past year and look forward to the New Year.

I would draw your attention to the AGM on 11th February for the Village Institute and the earlier meeting on the 14th January for people who may be interested in being on the Committee. Please see the centre pages for full details. It is important for as many people as possible to attend the AGM.

Thank you to Simon Sherlock for providing some photos of the Children in Need Rickshaw Challenge which passed through Kingsley during November.

HAPPY NEW YEAR

Elizabeth

“WINTER WHEELS FOR SALE

Set of 4 steel wheels fitted with very lightly used cold weather tyres. 5 stud fixing wheels. Tyres are Arctica 195 x 65 x 15 M+S with snowflake logo. Complete with snap-on wheel trims.

**Frodsham OPAL Club Coming Soon!!
New Year, New Volunteering Opportunity**

The Frodsham OPAL Club will meet every Tuesday from 10am to 3pm at
Frodsham Methodist Church, Kingsley Road, Frodsham, WA6 6BA

The club will cater for older men and women from Frodsham and the surrounding areas who would welcome a chance to get out of their own surroundings and spend time with other people, making new friends, enjoying a varied programme of activities and sharing a hot, two course lunch.

The OPAL Club will not be able to run without the help of a team of dedicated volunteers who come to help on a regular basis, usually fortnightly, to suit their own lifestyle. We are still in need of new volunteers to help us get the club off the ground by February.

Volunteers will spend their time in a variety of ways helping members, both at the Methodist church and when we go out for visits or trips. Some will cook and serve the meals, others plan and organise the activities with active support from the members so that everyone can enjoy the fun, friendship and family atmosphere.

Members can be picked up and taken home by one of our volunteer drivers, or they can make their own arrangements.

If you, or someone you know, wishes to find out more, please contact our organiser (details below) for details of how you can get become a member, a volunteer or just an interested friend.

Kingsley Bookworms

Kingsley has a new book club, open to everybody in the village. We meet at the Red Bull on the first Thursday of the month at 7.30. Membership numbers are not limited – if we end out with a large membership we can split into groups at the meetings.

We are relaxed and informal. As a new club we are putting a list of books together for the next year and everyone's input is welcome. The discussion is informal and lively with everyone pitching in. The idea is to read and discuss a wide variety of books, very often those that many of us would not have chosen to read. So far we have read "We are all Completely Beside Ourselves" by Karen Joy Fowler which led to a lively discussion.

This month we are reading "The Hand that First Held Mine" by Maggie O'Farrell and we are meeting on Monday 5th January at 7.30 (note change of day). January's book will be Frog by Mo Jang and the meeting will be Thursday February 5th. Book choices and dates of meetings will be announced in the Kingsley News and on the village Facebook page. Everyone is welcome to come along.

If you are interested in joining us please come along to one of our meetings please **email vony@coach-work.co.uk. *Men are welcome!***

'Bravo Kingsley Parish Council regarding the proposed outdoor gym and path around the village playing field.

I tried an outdoor gym in Aldeburgh, Suffolk this summer and, although I am in my 80th year I enjoyed it very much.

In Aldeburgh the gym is adjacent to the childrens play area, which enables parents to have a workout while keeping an eye on their children. It's a layout that works out really well.

HOLISTIC THERAPY DAYS - HURST METHODIST CHURCH KINGSLEY

For the last several years, Ash-worth Time Bank have organized a free Holistic Therapy Day in Kingsley for people over 60, Carers, and people suffering from anxiety or stress, as well as people who have had a recent bereavement.

We have 3 highly qualified therapists who give their time freely each month (2nd Friday every month, from 2pm – 4pm), providing Reiki, Acupuncture, (Facial and Auricular) Reflexology, Sports Massage, Aromatherapy and Indian Head Massage.

Over the last 6 months, attendance at these sessions have fallen, or people have booked appointments and failed to turn up. Our therapists take time out of their busy schedule to provide therapies and advice, and unless we have more people attending, we will be cancelling all future sessions in Kingsley after February 2015, which would be a great shame.

Holistic therapies have been proven to relieve stress and also help with a number of conditions, such as arthritis, IBS, shoulder, leg and back pain.

Our New Year session will commence on Friday 9th January.

We would like to wish all our members and supporters in Kingsley a very Happy Christmas and New Year.

Kingsley, Crowton & Norley Mothers' Union

The last month has really flown by with all the Christmas activities!

December 12th was our Christmas lunch at Frodsham Golf Club, over 30 members and their guests attended and it was an excellent event! The food was first class, as was the service, the fellowship was warm and the surroundings festive. Apart from the lunch, the meeting was a good opportunity to share gifts with our prayer partners. During the year members pray for another member (names selected randomly) and then at the Christmas lunch you find out who has been praying for you and receive a gift from them. Names are then picked out for the next year, all members have a prayer partner and it is nice to know that someone will be praying especially for you during the year. Our visitors were given a small gift so they did not feel left out! Members who could not attend will be visited by their prayer partner with their gift, so they are included. It is always a pleasure to find out who has been praying for you.

January 29th 2015 is our Mothers' Union AGM, this will be held in Kingsley Church Room at 1.45pm. Vicar Pete Rugen will be the speaker and afternoon tea will be served. Everyone is welcome to our meetings and if you want any more information please ring Pam Lee 01928 787343, Pam Owens 01928 732508 or Jean Starkey 01928 788350.

Wishing everyone all the very best for 2015!

Looking for a fun new challenge in 2015?

NOTICE FROM KINGSLEY PARISH COUNCIL

KINGSLEY AND NEWTON VILLAGE INSTITUTE ANNUAL GENERAL MEETING

11TH FEBRUARY 2014

**TO BE HELD AT KINGSLEY COMMUNITY CENTRE, SMITHY
LANE, KINGSLEY AT 7.30PM**

NOTICE is hereby given that an Annual General Meeting of the Kingsley and Newton Village Institute will be held on Wednesday 11th February 2014 at 7.30pm at Kingsley Community Centre.

All residents who live within Kingsley Parish and Members of the Village Institute are welcome to attend. However, only residents will be entitled to vote at the meeting under the Institute's Constitution.

Residents of Kingsley: This is your Village Institute, which is a charity for the benefit of the residents of Kingsley and Newton. The Parish Council consider that it is important that you attend this AGM and help the Village Institute to move forward with a sound management structure.

At the AGM a Management Committee for the Village Institute will be elected. The meeting will make decisions regarding the size and composition of the new Management Committee. The size is likely to be up to 15. The composition may reflect the groups which form part of the Institute, e.g. The Social Group; the Bowling Group; The Tennis Group; the Snooker Group and any other considered appropriate. It may also include a representative from the Parish Council and have some general seats. The AGM will also be asked to decide on the maximum number of Management Committee seats which may be filled by people who are not residents of Kingsley. The AGM will then elect the Management Committee.

The Constitution requires that, once elected (at its first meeting) the new Management Committee will elect from its number a Chairman and Vice Chairman. A Treasurer and Secretary will also need to be chosen at that first meeting.

Nominations for election to the Management Committee to be sent to Fiona Crane (Parish Councillor) at the address or e-mail below, to be received by **5:00pm on Friday 6th February 2014:**

Fiona Crane
9 Westbrook Road
Kingsley
Frodsham
WA6 8EA

fiona.crane@virgin.net

Nominations must meet the following conditions:

1. You must provide your full name and address
2. You (the person nominating) must live in the Parish of Kingsley
3. You must provide the full name and address of the person you are nominating. (The person you are nominating is not required to live in the Parish of Kingsley)
4. You must state whether the person nominated is standing as a representative of a group which uses the Institute e.g. Social Group, Bowling Group; Tennis Group; Snooker Group; or whether he or she is standing for the "General" seats which will not be specifically reserved to a User Group (If the meeting decides that any group does not require specific representatives then the nomination will be included in the nominations for a "General" seat on the Management Committee).
5. You must ensure that the person you nominate agrees to the nomination and confirm that in your nomination.
6. The person nominated must be over the age of 18 years

PRE-MEETING

Prior to the AGM a meeting will be held on **Wednesday 14th January 2014** at 7.30pm at The Hurst. This meeting is aimed at people who are considering standing for the Management Committee and want to find out more. The meeting will explore what the responsibilities of Management Committee Members will be; what work needs to be done by the new Management Committee and what the priorities will be. It will also consider what assistance is available.

If you are interested in standing for the Management Committee but cannot attend the meeting on 14th January, please contact Fiona Crane, (01928 787629) if you have any questions.

To Readers of the Kingsley News

“Supermarkets? All are equal, but some are more equal than others” To paraphrase a well-known author.

The supermarkets in general have come in for considerable criticism regarding their treatment of the farmer, and in some cases those criticisms are entirely justified. However, as a dairy farmer, I have been fortunate enough to obtain a contract with Tesco, though my primary buyer Muller-Wiseman Dairies; the 1.2million litres of liquid milk that our cows produce per year (that's around 9000 litres per cow per year, or an average of 28 litres per cow per day (for those who like numbers!) is collected by Muller-Wiseman on a daily basis and processed so as to go into Tesco stores. For the privilege of filling those shelves the approximately 700 farm members of the Tesco's Sustainable Dairy Group are paid around 31.5 pence per litre. This is calculated from the known average costs of production, with the addition of a wage for the supplier. Sainsbury's suppliers are paid at a similar level.

Now most people would like to be paid more for what they do (who doesn't?), but this payment is considerably more than the less fortunate farmers whose milk goes to other supermarkets, but who do not have a contract with the supermarket; these suppliers will receive up to 10 pence per litre less, than do contracted suppliers of Sainsbury's and Tesco. This would cost us a drop in turnover of up to £120,000 per year if we were unfortunate enough to be paid this lower price.

Tesco expect us to earn our payment our cows are health monitored every 3 months by scoring the herd for soundness, signs of discomfort, cleanliness and body condition (this is externally verified at least annually); we have to record our medicines usage and the use of certain antibiotics which are of importance in human health is monitored closely. Our herds must be milk recorded on a monthly basis so that the quality of the milk is monitored, as is the health of each cow's udder all through a simple milk sample (obviously this is a cost to us) ... Did you know that milk with a “cell count” of 400,000 cell/ml of milk cannot be sold in the UK because it has a shorter shelf life, reduced preservability and just isn't as clean as we would like? But milk of that quality is drunk in other countries in the developed western world! In the UK we do strive for the highest quality product and Tesco insist in our maintaining a level of less than 250,000. This quality isn't achieved without good animal health and welfare standards, and we are better able to achieve this if we are paid enough to allow for investment in cow comfort and care. Our seven years of supplying Tesco has enabled us to do this, whereas those supplying other supermarkets cannot advance. Every one of our cows, when housed at night or through the winter, has access to cubicles which are made spacious using

modern designs and which are bedded using modern mattresses (the test is simple If you can't drop to your knees onto a cow's bed, it's not good enough for the cow!). When our cows proceed through their milking parlour they walk and stand on rubber matting which is so much better for their feet and helps minimise lameness/sore feet.

It is reassuring that some supermarkets are prioritising the welfare of the animals which produce our food, and it is to be hoped that others will follow suit. With these thoughts in mind I would like to wish Tesco and Sainsbury's a happy and prosperous New Year.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch.
