# *EDITORIAL NEWS AND VIEWS*

Hello!

A change of editorial writer! Elizabeth Wilson, who has been editing Kingsley News for 5 years, is happy to continue editing it, but is finding it a struggle to keep producing an editorial foreword so has suggested that we all take a turn. I have agreed to do it this month but Elizabeth needs to hear from others who would be willing to have a go. Don't wait to be asked !! Ring up and offer.

At last, as I write, a real Spring day which makes me want to be out in the garden. Well, the allotments have got their planning permission, so soon those who have one will be able to start digging.

At the Parish Plan meeting on the 7<sup>th</sup> February several people agreed to help plan and distribute a questionnaire to everyone in the village, as the Plan has to be seen to reflect the views of the people in it – not just a few. It will affect what happens or doesn't happen in the future to the place where we all live. So, get involved – everyone can fill in a questionnaire, saying what matters to you. And it is half-term which will be over by the time this arrives on your doorstep. The weather could have been worse, but better things to come.

### **KINGSLEY GARDEN CLUB MEETING FEBRUARY 2011**

The Garden Club meeting was on St. Valentine's Night and so garden lovers experienced a real treat! What could be more to your taste than a ramble through the summer garden with a passionate plants man? The small hall was full of enthusiasts treated to a most entertaining illustrated talk by the one-time Curator of Ness Gardens- Peter Cunnington. He is an expert, of course, on many horticultural subjects but this talk was on the family "Ranunculaceae" or for us lesser mortals Buttercups to Clematis. These days the description used by scientists to classify plants into families is increasingly dependent on dna analysis rather than on the detail shape of the flower or their seeds. This means that many plants are being reclassified to the confusion of amateurs. However, there is no mistaking the beauty and pleasure to be got from many well known plants in this family of buttercups. We all appreciate the hellebores now coming into flower to be followed soon by the aquilegias (still Granny's bonnets to some) and then the stately delphiniums. All of these and many more including the popular climber clematis are from

**KINGSLEY GARDEN CLUB –PREVIEW FOR MARCH**  
**MEETING**  
**MONDAY MARCH 14 AT 8 PM.**

**Do you want the best value from your garden purchases?**

Sometimes the plants we buy and admire so much in the garden are a bit of a one shot affair! You know the sort of thing: the lilac shrub which is great when in flower but for the rest of the year it's just plain boring. For some the same is true for forms of that Spring favourite forsythia. A big splash of yellow flowers and then it's gone for the rest of the year. That's not to say it's not worth the show but there are shrubs and trees which are great in the Spring, produce interesting fruits and then give great Autumn colour. These are worth investigating for parts of the garden and the March talk will highlight these great value plants.

Our speaker Dr David Toyne is an expert who will tell us how to capitalise on the wide range of trees and shrubs now available and hopefully give us inspiration to be a bit more adventurous and get the maximum value for the a whole gardening season.

Dear Readers,

*A timeless work of art for school made by the children... A unique experience..... by Jane Dixon ceramic artist*

At Kingsley St John's we are very excited as we have just received our ceramic work back which has been on exhibition at Winsford. We worked with a fantastic artist, Jane Dixon, to produce a ceramic piece of work with a religious theme which is now proudly displayed in the school entrance. It includes images of the school, the children, flowers and words from our school prayer. If you are passing the school why not call in and admire our work.

## **Kingsley WI**

At the February meeting Jody Sherrat from Cheshire West gave a lively presentation entitled "Waste Not Want Not". He showed the technology that is now in place for dealing with the household recycling collections, and their hopes for the future. Any reduction in waste will lower CO2 emissions and cut down the expense and undesirability of landfill. He was keen that the WI should campaign for the reduction in the amount of food that is thrown away and encouraged the use of Charity Shops which can recycle unwanted goods.

Future meetings for Kingsley WI are:-

March -- "O to be a true Brit", Christine Spencer

April --Coast to Coast , Dr A Fox

May --Busy as a Bee, J Van Suchtelen

June-- The Story of Flamenco, Christine Stockton

July --Delamere Forest Today, Vernon Stockton

September, Boosting your Confidence Through Clothes Sally Inkster

Oct--Confessions of a Funeral Director , Laurence Jones

Nov AGM and Creative Cakes and Fun Buns Helen Louise Phipps

December -A Life in Music, Keith Yearsley

Visitors are always welcome. The meetings start at 7.30pm on the first Wednesday of the month.

## KINGSLEY WALKING GROUP

On Tuesday, 8 February a party of eight walkers enjoyed a walk in glorious sunshine. Starting from the Leigh Arms Inn, the leader Brian Russell lead the group via a short length of the Trent & Mersey Canal before turning off on a track towards Little Leigh. On approaching the village field paths were taken northwards to Cogshall where the party turned South West to Barnton. Arriving in the village a short road walk brought the group back to the canal. Walking west along the towpath over Barnton tunnel the party dropped down to the bank of the River Weaver at Saltersford Locks for a liesurely picnic lunch. After lunch the walkers continued along the river to reach the cars, a total distance of 7.5 miles.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. Dear Readers,

I wanted to take the opportunity to celebrate with you the good report the school received following a visit from an Ofsted inspector at the end of January. This was a special type of inspection, looking at the work of the Federation in promoting high standards of achievement and attainment across both schools. We were delighted that overall we were awarded GOOD with aspects related to well-being being recognised as OUTSTANDING. This praise for the behaviour and attitude of the children across both schools, is particularly important as it is central to our ethos as a Church of England Primary Federation. It also reflects the changes made in provision for our youngest children since the last inspection.

Key quotes from the report included:

The quality of care, guidance and support continues to be outstanding and has been promoted successfully since federation. Pupils acceptance of responsibility for their own conduct and the welfare of others is noteworthy and contributes markedly to the calm atmosphere which pervades both schools. Behaviour ranges from good to outstanding. Exceptional levels of care ensure that pupils have confidence in staff and the safety of their surroundings..

Accurate assessment information shows that pupils' attainment across the federation is rising steadily. Clear and informative feedback matched with detailed monitoring contributes well to pupils' learning and progress. It ensures they have a clear sense of their achievements and how to improve their work further. *Read the full text of our recent 2011 OFSTED federation inspection on our website.*

To develop our work further, we will be looking at more opportunities for children in the Federation to work together and for staff to share their expertise.

Our success reflects the continued commitment of parents/carers and the local community in supporting the schools, and I want to reassure you both schools continue to go from strength to strength. Why not come and see for yourself if you have not popped in recently? Alternatively, if you have younger children, come along to Mums and Tots who meet every Wednesday morning in term time at the school.

Ann Griffiths (Head teacher)

'Living in Israel' was the title of the talk given by Bob and Sharon McLean at our February meeting. Bob, a teacher, and Sharon, a nurse, worked in Israel for 14 years. They provided maps showing which four countries share a border with Israel, a country about the size of Wales and with a population of 7.62 millions. The population consists of 76.0% Jews, 16% Arab Muslims, 2.5% Arab Christians, 1.5% Druze and 4% Others. They also gave us a map of the Old City of Jerusalem showing the four Quarters within the city walls: Armenian, Christian, Jewish and Muslim Quarters.

For the last five years of their time in Israel they were working at the Garden Tomb, which is just outside the walls of Jerusalem. This garden has been carefully preserved as a Christian holy site because many believe it could be the garden of Joseph of Arimathea in which Jesus was buried after His crucifixion. It is maintained by an independent British charitable trust, The Garden Tomb Association, Bob being one of the trustees. Thousands of visitors from around the world visit this special place every year, many finding peace and renewed hope.

Our meeting on St David's Day, 1st March, will be a Members Night with a Welsh theme. Please bring poems, stories, songs or artefacts to share with others.

We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.

Everyone is welcome to come and join in the classes above. New people are always welcome.

The bowling season will soon be here. We are looking for players. Anyone wishing to play contact John Fleet at the club on a Tuesday evening.

Our club is for hire for parties etc and we can provide a good catering service at reasonable prices.

### **April 18th - Make a note of this date**

Prize Bingo at 7.30pm.

Everyone welcome, including children. Please come and support the club.
