EDITORIAL NEWS AND VIEWS

I hope you've been enjoying the lovely Spring weather we've been having. The daffodils are coming up again, a reminder of the work done by a band of willing volunteers some years ago. It was a really worthwhile and long-lasting village project.

Wasn't it lucky that the good weather coincided with half term? The forest has been full of families and children making the best of the weather all week. Gardeners and DIYers all over the village are getting geared up for another year of projects.

It's great to see that the Scout plant sale is happening again this year. You'll find the order form in the centre of this edition of the Kingsley News. This has always been an important fundraiser for the Scouts and great value for gardeners all over Kingsley. I hope you'll be able to support them.

This month's Kingsley News is full of information about events coming up in March. Here's advance notice of some April events to put in your diaries.

The April Garden Club meeting on Monday 11th April and will have a presentation by John Rippin the Head Gardener at the National Trust Bodnant Gardens. This proves to be an amazing presentation and we are looking to move into the large hall for this event, so come and help fill the seats.

On Monday April 15th (7.30pm) there will be a training session on the use of defibrillators at the Community Centre. We are lucky to have 2 defibrillators within Kingsley and it is important to feel confident in the use of the machines if the need should arise. Basic CPR (the life saving procedure when someone is not breathing), will also be covered during the session.

A Table Top Sale will be held in the Community Centre on Saturday April 27 (10am-12noon). The charge per table will be £5, so start looking out those items to sell.

Kingsley Garden Club - March 2019

The February meeting of the Garden Club saw a record number of people attending!! Everyone who turned out for this fascinating yet light hearted talk from George Pilkington on Wildlife Gardening thoroughly enjoyed the evening. It was clear that George has a passion for nature, bees especially, closely followed by the birds. He showed us how to encourage both species, together with Hedgehogs and other wildlife with very simple ideas. The former ex-Royal Marine, Merseyside Police Officer and later MSc and educator brought scouse wit and passion to our February talk.

Our next speaker on **11th March**, is Len Tomlinson, a local man (though currently residing in Southern Ireland), who is known as "The Daffodil Man" from his passion for the humble daffodil. This promises once again to be a very interesting and informative presentation.

Gardening Tips and Jobs to be done this month

- Add well rotted manure or compost into the top 5cm of your beds
- Add blood fish and bone or chicken manure around shrubs and roses
- Put supports in for plants, allow them to grow through rather than have a wrestling match later.
- Move deciduous shrubs and trees, now is the time, just as long as the soil is not water logged or frozen.
- Prune your roses back to outward pointing buds, they can take a hard pruning.
- Prune early flowering clematis.
- Cut the top rosette of leaves off the Mahonia to encourage branching.
- Dead head daffodil after flowering and the old flower heads off hydrangeas
- Chit your potatoes especially your earlies ready for planting out in bags or warmed up beds.
- Cut autumn fruiting raspberry canes back to the ground, and tips out of summer fruiting ones that are getting to big for the supports
- Mulch your fruit trees and your rhubarb
- Try not to mow your lawn just yet, if you feel you have to, make sure its dry and set your blades high for the first cut - no skin head cuts!

If you want to know more, come along and see us and do not be afraid to ask, we are all amateurs, we have all made mistakes and continue to do so, and we all ask each other for help or advice. There is no single correct answer!

Kingsley Walking Group – March 2019

Our long walk in February started at King's Gate in Kelsall. It turned out to be a good day with no rain, wind or mud to hold us back. A happy band of 10 enjoyed a walk along the Sandstone Trail to Utkinton, returning through the forest. We clocked up a healthy 8.5 miles.

Although we had planned the short walk from the Leigh Arms last month, the day was snowy so decided against driving anywhere. Instead we had a delightful walk along the river Weaver from Kingsley to Pickerings Lock, returning through the snow covered fields.

The next long walk will be on **March 12th**. We will leave the Community Centre at 9.00am, heading for Parbold where we will have a 9 mile walk. It's mainly quite easy walking with a couple of small hills. The short walk will be on **March 27th**.

Kingsley Walking Group has two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch.

We are a friendly group and everyone is welcome. Information on the walks is available on 788132 (short walks), 789098 (long walks).

Kingsley Bookworms

Next meeting 14th March 2019 at the Hurst Chapel at 7.30pm

At our February meeting we talked about "The Diary of a Provincial Lady" by E M Delafield. It turned out that there are several diaries in a series starting with one describing an Edwardian Lady's life. The original diaries were serialised in a newspaper. While we all enjoyed the original diary, some people found that reading all four was too much. We also decided that the diary entries would have been great to see on a weekly basis. We scored the diary 3.75 out of 5. The entire compendium scored rather lower.

Last month a group of 10 bookworms went to a CSI Evening with Ashley Dyer (writes crime books as Margaret Murphy) to hear about how forensic experts work with authors. It was held at Widnes Library and cost £3.00! The presentations were really interesting and we gained many insights into how authors work. Helen Pepper (the CSI expert) advises on Shetland and Vera and she shared some insights about working with TV program makers. This was a great evening's entertainment.

At our March meeting we will be talking about "In the Days of Rain" by Rebecca Stott. This is the author's account of escaping a fundamentalist Christian cult in the UK and won the 2017 Costa biographical award. Some people have already read the book and found it to be compulsive reading. It's sure to lead to a great discussion.

Kingsley Bookworms meet on the second Thursday of each month and everyone is welcome to join us at any of our meetings or events. Meetings start at 7.30pm and are held at the Hurst Chapel. If you want more information, please contact me on vgwillim@coach-work.co.uk or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

Litter Pick Update

The Kingsley Litter pick has been a regular event in the village for nearly 15 years. The work of the litter pick team makes a real difference to the whole village. Additional help is always welcome.

The February litter pick team collected 7 bags on the 9th of February. Future litter picks will be on:

- Saturday 16th of March
- Saturday 13th of April

Why not join us? All equipment is provided. We meet at the Community Centre at 11.00.

On Stage Near You

Not already enjoying local shows? You really ought to get out more.

In **March** you should take a look at the following

9 – 16 Chester Little Theatre – *A Bunch of Amateurs* by Nick Newman and Ian Hislop. This was performed by Kingsley Players last year but if you missed it, then it is well worth a visit. www.chesterlittletheatre.co.uk

20 – 23 The Grange Theatre. Northwich – *Legally Blond The Musical* – a school production. <http://thegrangetheatre.com>

21 – 23 The Harlequin Theatre, Northwich – *Romeo & Juliet* – Harlequin Youth Theatre, tell us “Our Youth Theatre has grown and we have split the age groups. Our older members decided they wanted to tackle Shakespeare and they think they are doing very well (and modest – Ed). They are a talented lot so definitely worth a look.

Our reviews since the last publication principally featured Kingsley Players “*Dr Doolittle*” which was well received and loved by all. Nearly all of our team got to see it and were impressed by the performance and the costumes as well as the new projected backdrop. Well done to one and all and we hope you got to see it.

We also had very good reviews for Ashton Hayes mammoth production of *The Laramie Project* which they toured during January and February and finally a Bennett aficionado had great praise for *People* at The Altrincham Garrick. Good to see a wide variety of theatre available for you all.

If your production or a play you have seen did not appear here then please email us and do tell us about plays you have seen by emailing cheshireonstage@btinternet.com. John Doe

To help you with this task the 1st Newton & Kingsley Scout Group are holding their annual bedding plant sale.

We offer a wide range of plants, planted baskets and containers at competitive prices.

'The British Ornamental Plant Producers'.

This is a quality management scheme that includes a commitment to reducing peat & pesticide use

The 1st Newton & Kingsley Scout Group includes a Cub pack and Beaver colony as well as an active Scout Troop and fulfils an important role in the community.

The Kingsley Scout Hut is used by over 100 local young people as a meeting place for Scouts, Cubs, Beavers, Guides, Brownies and Rainbows on a weekly basis.

The funds raised from the plant sale will be used to carry out repairs to the scout hut and subsidise the children's activities. Thank you for your support of this important community resource.

1. Fill in the order form opposite
2. Make your cheque payable to '1st Newton & Kingsley Scout Group'.
