EDITORIAL NEWS AND VIEWS

Dear Readers

Thank you to everyone who answered my riddle in the last edition. Many of you responded but first off the starting block was Basil Sutherton. The answer was of course 'The Sun'.

My extract from the April 1895 edition this month is a thought for the day, which is just as true now as it was then;

"There are smart business books which profess to tell you how to get rich quick, but not one how to get happy quick. The first is got by gains at others' expense, the second by giving at your own."

HAPPY EASTER

Elizabeth

1st Kingsley Brownies

1st Kingsley Brownies is part of Girlguiding UK and is a leisure activity for girls aged between 7 and 10 years old.

A Brownie Pack has existed in Kingsley since the 1930s and currently our Pack is thriving – with a waiting list !

We meet once per week for 75 minutes during term time (*except on public holidays*) and the girls engage in a range of activities and badges, designed to be both fun and educational – with the emphasis on the ‘fun’ aspect !

This month we’re off on our annual Pack Holiday weekend and the theme this time is Farm Animals, with the highlight being a visit to Tatton Hall Park Farm. Unfortunately, we’re about to lose one of our leaders and we urgently need someone to step into her shoes and train as a Brownie Guider.

New leaders will be DBS checked and they will undergo ‘on the spot’ training and mentoring, in order to guide them through the leadership process. It’s not difficult and new leaders are supported through the entire process. Anyone may apply, aged 18yrs or over and it’s a very useful skill to list on a C.V. in this competitive world of the job market nowadays !

If anyone out there is interested in finding out more – please contact Sue Elliott at -kingsley_brownies@hotmail.co.uk or tel 07715 122231.

EXTRACT FROM KINGSLEY PARISH MAGAZINE APRIL 1895

The following article on gardening was extracted from the April 1895 edition.

Kitchen Garden

Sow beet, broccoli, Brussels sprouts, cabbage, savoy, sea-kale, kohlrabi, lettuce, spinach, turnip, carrot, peas, radish, mustard, cress, endive, onions and celery. Plant potatoes early in the month. Sow beans, also scarlet runners towards the end of the month. Sow seeds thinly, as by doing so better and stronger plants will be secured. Keep the beds free from weeds, and where necessary hoe between the rows where the seed is appearing above ground.

Fruit Garden

Finish pruning this month any trees not yet completed. On espalier trees thin out all shoots which are likely to be in the way by rubbing off the bud, taking care not to injure those which are left. Destroy slugs, caterpillars and snails, as much damage is done by them.

Flower Garden

The principal sowing of hardy annuals should be made this month, the half-hardy ones about the end of the month. Biennials should be put out at once, though the autumn is the best time for doing so; sow these also to come in for next season. Look over rose trees for grubs, which curl themselves up in the leaves, and destroy the rose-buds. For list of flower seeds of all kinds consult some good florist's catalogue.

Netball success for KSJ

Our netball team took part in the district tournament and after some hard fought games came a creditable 3rd place. The children played well and thoroughly enjoyed the afternoon. Well done team!

On Friday 28th February, in preparation for World Book Day, we welcomed the Author Rachael Lindsay, and her 'Trolls', to our school. Rachael has written a famous series of Troll books based on her 'family' of trolls. Rachael introduced us to her trolls and books in an assembly for the whole school. She also told us how she began writing and told the children "if there is something you really want to do, never give up your dream". After assembly Rachael visited all the classes in turn, reading extracts, introducing her Trolls, and under her guidance we were able to

develop an interesting and exciting story of where our own troll might live. Rachael happily signed books the children purchased with a personal message. We enjoyed a wonderful creative morning.

Thank you Rachael!

Kingsley, Norley & Crowton Mother's Union

We were very pleased to welcome Joe Smith to our meeting 27th February. Joe gave us a real insight into the work he does with the youth in the Benefice. He works not only with the three churches, but with other youth groups and the Scouts as well. Youth meetings accommodate different age groups from primary school age to the teens, each age group having activities appropriate for their abilities, also Joe is involved in Messy Church and All Age Services, encouraging young people to come to church. Joe had slides showing various events that the youth groups had been involved in and we were impressed with the number of young people who attended. It is good to have a youth worker attached to the churches, but working with the schools as well, he leads a busy life and hopefully will continue for many years to come.

March has been a busy month for us so far, we had an excellent visit to Dunham Massey on 5th March, more than 20 members and their husbands and friends visited the Sanctuary from the Trenches exhibition which was quite harrowing at times. Thanks to Pam Owens for organising the visit and John Cook who took the photographs you can see in the nck benefice magazine.

March 11th was our worldwide wave of prayer where we pray for members in other parts of the world. Not everyone could attend the service in the Church Room, but had copies of the prayers so they could follow them in their own homes.

There is a Lady Day Service on March 25th at St Paul's Church in Helsby at 2pm and then our Mother's Union meeting on 27th March with Mother's day on 30th, a busy time for us all.

April 10th is the Deanery Coffee Morning in Frodsham Parish Hall. Kingsley Mothers' Union are running the cake stall, but there are also Tombola stalls and Bric-a-brac as well. Come and join us for coffee and scones, only £1 admission.

April 27th our speaker will be John Cook who will talk about "The Cotton Mills of Swinton" at 1.30pm in Kingsley Church Room. All are welcome, contact Pam Lee 787343 for further information.

FAIRTRADE

There was certainly a lot of fun on the menu during Fairtrade fortnight as the students of Kingsley Community Primary School served up a feast of activities to spread the word and share what they had been learning with their community.

On Wednesday 5th March 2014, the children from Class 4, who organised the event, dressed up in their hand-decorated Fairtrade t-shirts, and began to set up their stalls which provided an insight into the world of Fairtrade.

Amongst the activities on offer were 'Guess the name of the Fairtrade teddies', 'Pin the Fairtrade banana on tree' and 'Beat the goalie' (with a Fairtrade football of course). The most popular stalls were the Fairtrade Raffle and the cake stall, which served up delicious Fairtrade baked goodies that the children had made and decorated themselves.

Year Four teacher, Mrs Smith, commented on how well the children had

prepared: "The whole class made a real effort to work together to create a real buzz about Fairtrade, and helped to educate all of their school-mates and families about how Fairtrade can make a real difference to producers."

A fun time was certainly had by all as Year 4 not only raised awareness of the great work that the Fairtrade foundation and its supporters are continually doing, but also raised a whopping £190.40 to put towards Fairtrade products and future Fairtrade projects in their school.

Written by Cerys Fox, William Faulkner, Freddie Meeks and Dominic Lunt from Class 4.

'This is a good school. Outstanding care, guidance and support from teachers and teaching assistants ensure that pupils are happy in school and enjoy the many and varied activities open to them.'

KINGSLEY RESIDENT DIRECTS AVENUE Q MUSICAL

The smash hit West End and Tony award Winning Musical AVENUE Q has only recently been licensed for amateur societies to perform, and the Zodiac were delighted to have been selected as one of the first in the North to be able to perform it. Dubbed "the Musical of The Decade" by the Sunday Times newspaper, Avenue Q is a hybrid of South Park and the Muppet Show in an all singing, all dancing musical "fur-fest" that is sure to have you crying with laughter and roaring with joy!

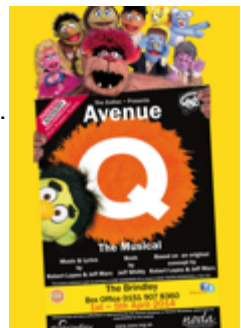

Kingsley resident Neil Silcock who directs the show says "this has certainly been a new challenge for us all, it's not your traditional type of musical, and in addition to learning lines and songs, we have also had to master puppetry skills, which is no easy feat, its often been like rubbing your tummy and patting your head at the same time!" But working with the puppets has been a Director's delight, they turn up on time and do exactly as I tell them!...it's just a shame they also need humans to work them!!!

The story follows Princeton, a bright-eyed college grad who comes to New York City with big dreams and a tiny bank account. He soon discovers that the only neighbourhood in his price range is Avenue Q; still, the neighbours seem nice. There's Brian the out-of-work comedian and his therapist fiancée Christmas Eve; Nicky the good-hearted slacker and his roommate Rod—a Republican investment banker who seems to have some sort of secret; an Internet addict called Trekkie Monster; and a very cute kindergarten teaching assistant named Kate. And would you believe the building's superintendent is Gary Coleman?!? (Yes, that Gary Coleman.) Together, Princeton and his newfound friends struggle to find jobs, dates, and their ever-elusive purpose in life.

Probably the funniest (and definitely the furiest!) show you're likely ever to see, this "Sesame Street" musical for the broad minded is a treat which you will not want to miss!! If you have a good sense of humour, then Avenue Q is right up your street! So come and see what all the "fuzz" is about!

The curtain goes up for Avenue Q on Tuesday 1st April at 7.30pm with an opening night special offer of all tickets just £10. (Wed-Sat £14-£12) The show runs until 5th April. from the Brindley Box office 0151 907 8360 or online www.thebrindley.org.uk

N.B Avenue Q has been rated as suitable for children aged 12 and above, due to occasional Adult content.

Canal Boating

YMCA's narrowboat "Potential"

"Potential" is a modern 65 feet long narrowboat owned by YMCA Wirral, it was purchased to provide trips on the canals for groups of socially disadvantaged people.

As well as providing the opportunity to experience the beauty of the canals for the first time, the boat also enables support workers to work with their groups to develop teamwork, self confidence through responsibility and a sense of respect, both for their fellow canal users and the environment. The leaders can concentrate on this as "Potential" is skippered and crewed by qualified, experienced volunteers.

"Potential" was purpose built for groups of people having ten berths (beds), galley (kitchen), a solid fuel stove and two wcs/ shower rooms, so it is possible to make extended trips allowing the groups to get experience of living and working together.

The boat is moored at Aqueduct marina on the "Middlewich Branch" just outside Church Minshull making it handy for the old Chester canal (now the Shropshire Union or Shroppie), the Trent and Mersey canal and, for longer trips, the spectacularly beautiful Llangollen canal.

All of this costs money and as any boat owner will know the upkeep of a narrowboat is considerable therefore, in an attempt to offset some of these costs, the boat is available for hire on a daily or longer charter basis.

Everybody who hires the boat gets the services of the skipper and crew, enabling the passengers to relax and enjoy the many pleasures of canal boating without any of the "hard work", although anybody who is interested is encouraged to take a greater involvement under the watchful eye of the crew.

"Potential" can accommodate parties of up to ten plus the two crew, children are welcome and buoyancy aids are provided.

The daily cost is £100 and this includes tea and coffee (and advice on where to visit for more substantial refreshments if required).

For more details and photographs visit the website www.wirralboating.co.uk, in addition, "Potential" will be at the Boat Museum at Ellesmere Port over the Easter weekend.

Please note that the local police station 0845 telephone numbers are not staffed 24 hours a day and that there may be some delay in responding to any messages left.

There have again been a number of arrests this week of people who have decided to drive their vehicles whilst drunk or under the influence of drugs. This behaviour is NOT worth the risk – it affects your driving, making it highly likely that you will be stopped by the police. Also, responsible members of the public are highly likely to report such behaviour to the police. If you are going to have a drink, please leave the car at home.

On Monday morning, two farms at Aston, near Runcorn reported burglaries overnight.

On Tuesday, a resident from Helsby reported that offenders had stolen their car keys from the hall table, probably through the letter box, and taken their car. Please do not leave keys on view on where they can easily be reached. A house in Rowton was burgled on Thursday and another address in Kelsall was burgled on Thursday night.

In the early hours of Saturday morning, a team of burglars from Liverpool broke into the Post Office at Nomansheath. After being sighted by police, the offenders crashed their getaway car and were all arrested.

On Monday, local officers conducted a Driver Engagement Day in Fluin Lane, Frodsham. Regular readers will recognise that officers are carrying out a variety of road safety initiatives, with the goal of making our local roads safer.

On Wednesday, police took a report from a resident in Forrest Road, Tarporley about a caller at their front door asking to ‘test the water’. This activity will always be a ploy to try to gain entry to a house to try to steal something. Do NOT let such callers in, and always phone the police straight away with as much information as possible.

On Thursday, police took reports from two addresses in Eccleston, reporting that their vehicles had been broken into overnight. If you have a SatNav in your car, please take care to wipe the circular ‘suction’ mark off your windscreen. This is a tell-tale sign that there is likely to be a SatNav in the car, and invite an opportunistic thief to break in.

Lastly, St Albans Church in Tattenhall was broken into overnight, the burglary being discovered this morning. If you heard or saw anything suspicious, police would welcome a call from you.

KINGSLEY WALKING GROUP

On the last Wednesday in February, sixteen walkers started the short walk at the Goshawk in Mouldsworth. The original planned route had to be altered since the recent gales had uprooted trees and parts of the forest were closed. Walking past Mouldsworth Station we turned left up Delamere Lane, left into Dark Ark Lane and joined the Eddisbury Way. We found a lovely grassy bank for our coffee stop and enjoyed the glorious sunshine and views across the forest. At Manley Common we joined the Sandstone Trail heading towards Frodsham before turning down by Manley School. Good paths, country lanes and reasonably firm ground meant we avoided mud and arrived back at the Goshawk where a warm welcome and good food awaited us.

On 11 March, Kingsley Walkers enjoyed a glorious day out at the seaside! Starting from Caldy, we walked down to West Kirby, then across the sand at low tide to Hilbre Island, where we took lunch in bright sunshine. Redshanks, curlews, sandpipers and cormorants were among the numerous birds spotted - unfortunately our most expert bird-spotters were unable to attend. Seals were sun-bathing on a far sandbank. We returned to the mainland to enjoy ice-creams, before circling the boating lake and heading back to Caldy. About 8 miles in all.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approx. 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).

Weaver Words

Frodsham Lit Fest

2nd – 6th April, 2014

Weaver Words, Frodsham Literature Festival is back for five days of events, talks, workshops and competitions, **Wednesday 2nd – Sunday 6th April 2014.**

A performance by Poet Laureate Carol Ann Duffy and a literary lunch with Tim Firth, writer of *Calendar Girls*, lead an impressive line-up of authors and performers who will be appearing at the festival.

A new adult creative writing, **Flash Fiction Prize** has been launched, sponsored by Cheshire legal firm FDR Law, offering prizes worth £500 to authors of the best ultra short story of 300 words or less.

This is in addition to the second **Great Weaver Words Story Prize** for North Cheshire school children (Years 3 – 9), judged by the festival patron Tim Firth, which will be awarding book tokens of £50 for the best stories in three age categories.

The First World War will be a major theme running through the festival. The programme will include talks on war poets **Wilfred Owen, Siegfried Sassoon and Edward Thomas**, a visit to the Wilfred Owen Story in Birkenhead, presentations on war films and women's writing and a concert performance of *Oh What a Lovely War* by **Kingsley Players**.

Word Weavers, featuring former Cheshire Poet Laureate Andrew Rudd and virtuoso violinist Daniel Axworthy, will be back with a third fantastic evening of music and poetry, and festival chair Prof Sue Zlosnik goes gothic with a talk on **Vampires and Zombies**.

Budding writers will get a chance to develop their talents in two inspirational creative writing workshops. Cheshire textile artist Sue Archer will be holding more popular book-making workshops for children and adults, and pre-school children get their very own story time.

Weaver Words is sponsored by the Arts Council, CWAC and promoted by Frodsham Community Association, with many of the events being hosted at Frodsham Community Centre.

A free 28 page brochure is available from Frodsham Community Centre, Dandelion Gifts, Castle Park and other publicity points around the town.

For more details see the festival website www.weaverwords.org.uk. Tickets can be purchased online, through the box office 0845 557 7469 and in person at Frodsham Community Centre or Dandelion Gifts.

If you would like to volunteer, please get in touch with the festival project manager, Lynn Pegler at pm@weaverwords.org.uk.
