EDITORIAL NEWS AND VIEWS

March was a busy month with in Kingsley. Now that Spring is in the air there's plenty going on. The Red Bull will be hosting their spring fair on May 5th. As ever, profits will go to the Youth Club.

We've gained two great assets in the village this month. The Board Room (the little building at the entrance to the Cemetery) has been renovated and opened as an office for the Parish Council. Check out the opening times and call in to see what's going on there.

The KCA has launched their new website, another great innovation. There's a calendar of events, information about the Centre and information about booking.

The Neighbourhood Planning Team is making good progress. To see what they've done and to hear about future plans, call in at one of their open days on the 6th and 10th April. A Neighbourhood Plan is a great way to make sure that the village develops as we, the community, want. Why not get involved?

Kingsley Players continue to amaze us with their talents. Their next one act play from April 11th to 13th is "Peterloo" written and directed by our own Lynn Pegler. It's another supper show and well worth booking.

School holidays this Easter are split. The Spring Holiday is from April 1 to 12th and then the schools will be on holiday on April 19th and 22nd.

Finally, don't forget to order your plants. The last day for ordering is April 20th and your plants will be delivered to you on Saturday 18th May.

Happy Easter to everyone.

An Office for the Parish Council

“The Boardroom” is the small building at the entrance to Kingsley Cemetery, constructed in traditional “Cheshire brick” style in 1896 most likely from materials originating from Kingsley and used at one time as a place to hold Parish Council meetings.

Under guidance from Councillor Sue Billows work has been ongoing over the last few months to reinstate the building to its former use and as an official office of Kingsley Parish Council. Councillor Sue Billows stated: “The Parish Council is delighted to announce that we now have an office in the village”.

This is the first step forward in providing the village with a point of contact and improving access to YOUR Parish Council Services and a mailbox has been installed for any letters or communications to the Parish Council.

Our village PCSO will be holding Surgeries at the Boardroom with dates to be advised in due course. It is hoped that we will be able to set up Parish Councillor & Borough Councillor Surgeries where you can meet and discuss your issues and concerns.

The facility will also enable us to manage the Cemetery Regulations under The Local Authorities Cemeteries Order. In 2018 we had the Cemetery digitally mapped and electronic access to that resource will be installed in the Boardroom. More information will follow soon.

Opening Hours

The Parish Clerk will be available at the following times:

The first, second and fourth Friday of the month between 09.00am and 3.00pm

The third Tuesday of the month between 3.00pm and 6.30pm

Parish Council Meetings

Parish Council Meetings will continue to be held at the Community Centre as the Boardroom is not large enough to provide a meeting venue for full Council meetings and attendees. However, it is hoped that smaller committee meetings and groups will be able to meet there.

Kingsley Garden Club - April 2019

The March meeting of the Garden Club saw a new record of 38 people attending!! This month we had the delightful Len Tomlinson - "The Daffodil Man" from "down the road" in Whitegate where he ran the Daffodil Farm. Len has since retired to Southern Ireland but returns to talk passionately about Daffodils. The farm is now run by his daughter Gail who opens it for charity in the spring. This year's dates are March 27th to April 7th with all monies going to Macmillan Cancer Support. Check it out at www.daffodilwalks.com

Our next speaker in April is the keynote speaker of this season; John Rippin the Head Gardener at the National Trust's Bodnant Gardens. This promises to be an amazing presentation, so come early as we have limited space available.

Gardening Tips and Jobs to be done....

It is time now to roll up your sleeves and get out into your garden...

- 1) Give you greenhouse a spring clean, wash down with soapy water and disinfect.
- 2) Lift and divide perennials to improve vigour and create new plants or even exchange them.
- 3) Divide hostas as they come into leaf, and primroses once they have finished flowering.
- 4) Last chance to move evergreen shrubs and trees as long as the ground is not frozen.
- 5) Feed trees and shrubs with slow release fertiliser, lightly forking them into the soil.
- 6) Feed your roses with blood, fish and bone or similar, and tie in climbing and rambling roses.
- 7) Tie in new honeysuckle and clematis shoots and train them along supports.
- 8) Deadhead daffodils and tulips as the flowers finish, but leave foliage intact, allowing it to die back naturally.
- 9) Protect fruit blossoms from late frosts
- 10) Time to do that awful job no one likes - weed the beds! The weeds are now growing as the days warm up and lengthen. Try and leave some nettles and dandelions for the bees and butterflies.
- 11) Order your summer bedding plants from the Scouts, or better still, get a packet of seeds and have a go yourself - you will be amazed how easy it is.
- 12) If you have any spare plants once you have divided them, why not bring them along to the Community Centre for a table top sale on Saturday 27th April, and pick up something different in exchange.

If you want to know more, come along and see us and do not be afraid to ask, we are all amateurs, we have all made mistakes and continue to do so, and we all ask each other for help or advice. There is no single correct answer!

KCA and Cheshire Rural Touring Arts (CRTA) Performances

So, what is CRTA?

CRTA is one of 34 rural touring schemes in the UK, working with a network of venues in their area; each venue has a volunteer promoter, who chooses a performance for their venue twice a year (Spring and Autumn) from a menu put together by CRTA. KCA is one of the promoters. We organise the event, run the evening of the performances and look after the touring company at their venue.

CRTA offers a range of work each season that covers theatre, music, dance, literature and family shows. They aim to programme the very best quality work for small scale venues and are committed to programming a diverse programme in terms of content, artists and subject matter. They have an open submission policy so companies can approach them with work at any time during the year. They also go out and see work of interest and go to showcases and festivals (Edinburgh etc) to find new work. Check out their website for more information //www.cheshireruraltouringarts.co.uk.

Kingsley Walking Group – April 2019

Our March walks were around Walton Hall for the short walk and Parbold for the long walk at the end of the month. Both walks were well attended, although we had to postpone the long walk by a week because of heavy rain. Luckily, the weather had improved for us and we were treated to far reaching views of the surrounding area. Everyone liked the "Fairy Glen", a site maintained by Lancashire County Council.

Our walk leaders are volunteers from within the group who search out new places to go and good pubs for the short walks (we always end up at a pub for lunch). This leads to an interesting and varied programme over the year.

Kingsley Walking Group has two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We leave the Community Centre at 9am for long walks and 9.30 for short walks.

We are a friendly group and everyone is welcome. Information on the walks is available on 788132 (short walks), 789098 (long walks).

Kingsley Bookworms

Next meeting 11th April 2019 at the Hurst Chapel at 7.30pm

At our March meeting we talked about "In the Days of Rain" by Rebecca Stott. This is the author's account of life in the Exclusive Brethren. The book was made up of a historical account researched by the author from a variety of sources and a personal history of her father.

Our discussion was wide ranging, moving from the impact of religion on society to women's roles in a variety of religions to family life in a "closed" community. Many of our group had come across the Brethren in the course of their work as teachers. The book was well received although we would have preferred more information about family life. We scored the book 3.5 out of 5.

The next book is "Lullaby" by Leila Slimani - a chilling thriller translated from French. One reviewer described it as "So twisted and creepy, but absolutely captivating". The discussion is sure to be lively.

Kingsley Bookworms meet on the second Thursday of each month and everyone is welcome to join us at any of our meetings or events. Meetings start at 7.30pm and are held at the Hurst Chapel. If you want more information, please contact me on vgwillim@coach-work.co.uk or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

John Doe

Kingsley St John's C.E. Primary School

Enriching the curriculum is a top priority at Kingsley St John's CE Aided. 2019 is proving to be a busy year for the pupils at our local school as they enjoy a plethora of activities designed to enrich their curriculum learning.

All the children visited Warrington Parr Hall to see "Babes in the Wood", and the youngest and oldest buddied up to share the experience.

Years 3-6 shared a STEM workshop day with David Evans, looking at electricity and cogs.

The school Eco-group visited Winsford Recycling Centre to find out about composting, and since returning to school have set up composting locations in school.

Years 5 and 6 visited Warrington Safety Central to find out about keeping ourselves safe in the community.

The Fire Service have been welcomed into school to support Years 5 and 6 in their fire safety awareness in the home.

The NSPCC have visited all classes to support our children in staying safe and knowing how to find help if anything worries them.

The whole school was treated to an Eco-day. We welcomed Phil Hutton into school to work with each class to support our planet and make it more sustainable.

The School Choir have visited Young Voices at the Manchester Arena. Joining other schools in our community, brings a concert performance to life.

The School joined in a fund-raising day for The Powered Wheelchair Association, who have supported our pupil, Zac Owen by presenting him with a modern chair to support his access to the curriculum. The Powered Wheelchair Appeal have helped almost 400 children in our local community over almost 20 years. It is a privilege to support them.

Kingsley Players premiere new play ‘Peterloo’, 11-13 April 2019 at Kingsley Community Centre

Award-winning Kingsley Players return with their popular theatre and supper shows this April and the premiere of an exciting new one act play ‘*Peterloo*’.

Written and directed by Lynn Pegler, the show tells the story of real and imaginary people caught up in one of England’s greatest political events staged in Manchester 200 years ago.

On a sunny August day in 1819, a peaceful rally at St Petersfield (near the present day Bridgewater Hall) turned into a bloody massacre after troops were ordered to attack a crowd of around 60,000 men, women and children. 17 people died and over 600 were injured.

A talented cast of 14 actors, who are drawn from as far afield as Stockport, Wirral and North Wales, will perform a dramatic stage representation of this tumultuous event.

Lynn said: “This year marks the bicentenary of an important milestone in our history, which took place just down the road in Manchester. I was fascinated by the story and I have tried to answer the big question ‘*why*’ by portraying the intriguing stories of a range of characters, rich and poor.”

The evening will start at 7pm with a two course meal, a tasty Lancashire hotpot supper and dessert (vegetarian option available), followed by the *Peterloo* play.

There will be three performances at Kingsley Community Centre, Thursday 11 – Saturday 13 April, 2019, 7pm.

Tickets cost £12 (including meal and show) and should be reserved in advance through the website www.kingsleyplayers.co.uk or by ringing the box office on 07724 892154.

Kingsley Neighbourhood Plan - Update

Forget Brexit, take back control of Kingsley!

We've arranged 2 drop-in events in April so the Neighbourhood Plan Steering group can update you on our progress so far. So please come along and find out about:

- 1) What is a Neighbourhood Plan & why Kingsley needs one and how we can use it to help shape future developments
- 2) What we've achieved in the last 12 months
- 3) Results from an independently commissioned Housing Needs Survey
- 4) Our findings from our first public consultation
- 5) Our next steps

We've drafted the *Vision & Objectives for the Kingsley Neighbourhood Plan* and we want to get your feedback on these so we can check with you that we have got them right, as they will set the direction for what we will be aiming to achieve with the Neighbourhood Plan.

When & where are the events?

Saturday 6 April between 10am-1pm at Kingsley Community Centre

Wednesday 10 April between 6pm-9pm at Kingsley Village Institute

We look forward to seeing you at one of the drop-in events.

Our plants are supplied by a well known local grower who is accredited by

'The British Ornamental Plant Producers'.

This is a quality management scheme that includes a commitment to reducing peat & pesticide use

The 1st Newton & Kingsley Scout Group includes a Cub pack and Beaver colony as well as an active Scout Troop and fulfils an important role in the community.

The Kingsley Scout Hut is used by over 100 local young people as a meeting place for Scouts, Cubs, Beavers, Guides, Brownies and Rainbows on a weekly basis.

The funds raised from the plant sale will be used to carry out repairs to the scout hut and subsidise the children's activities. Thank you for your support of this important community resource.

Frodsham & District Choral Society present 'Europe in Harmony' Saturday 13th April 2019

7.30pm - St Laurence's Church, Frodsham, WA6 7DU

Choral treasures of the Romantic era Dvorak's Mass in D Plus gems by Brahms, Bruckner, Faure, Mendelssohn, Rachmaninov, Rheinberger and Tchaikovsky with Daniel Axworthy on Violin, David Leslie on Piano.

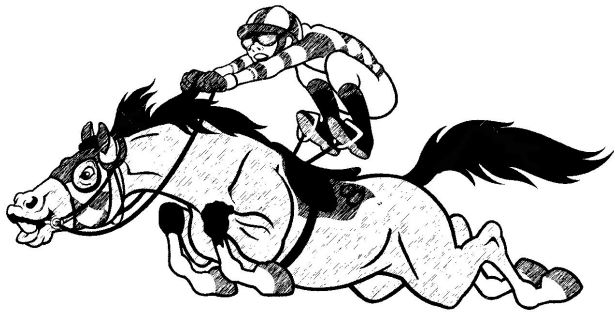

We start with Dvorak's Mass in D, a mass with many parts resonating with sounds of Spring and folk influences. The individual pieces take us on a journey through Europe as we sing in classical Latin, German, French and Russian. It will be a magical event as Daniel's violin pieces transcends through the church.

As ever conductor, Howard Kane, will steer us on this journey and Robert Woods, our accompanist, will keep us on a harmonic track as we navigate through Europe. It's a must see event giving the local community an opportunity to experience these great gems of music.

Tickets £10, under 16s free - Dandelion, 19 Church Street, Frodsham; Tilly Patel 07971 606409, Morag Bragger 07845 730061
