# *EDITORIAL NEWS AND VIEWS*

Dear Readers

Not long to wait now for the Kingsley Carnival, it's only three weeks away. Last minute preparations are under way and the Circus will be in Kingsley on the afternoon of 26th June. The fun will continue well into the evening with the Annual Scout BBQ at the Cricket Club. Fingers crossed for a sunny day.

The Annual General Meeting of the Kingsley Community Association will take place on 29th June at 7pm.. The committee do an excellent job of running the centre, but they always need extra help. Why not come along to the meeting and see how your centre is run, and make your views known.

Can I just remind everyone that there will not be a magazine in August so any events during August need to be advertised in the July edition.

# ***Kingsley Carnival – News Release***

## **Roll Up, Roll Up for Kingsley Carnival**

Roll up, roll up for an afternoon of fun and games at Kingsley Carnival on Saturday 26<sup>th</sup> June.

This year the village carnival is based on a circus theme, with jugglers, dog agility displays, a samba band and circus skills performers.

The event starts with a procession leaving Top Road at 1pm and will then meander through the village until it arrives on the carnival field about 2pm. Traditional circus-themed floats will feature pupils from both village primary schools, local brownies, guides and youth club, accompanied by around 30 classic cars – all dressed up for the occasion. Everyone is welcome to join in the procession, whether in fancy dress or not.

Youngsters will be invited to enter a car quiz and vote for their favourite classic car. There will also be a scarecrow trail around the village, with a prize for the best-dressed, scariest scarecrow.

On the carnival field, there will be dozens of games, activities and stalls to enjoy, from the Kingsley Transition farmers market, hog roast and WI tea tent to a samba workshop, school dance performances and a display from the Delamere Dog agility team.

The event is sponsored by animal feeds and equine supplier, Gibson Mill and other local businesses. More details about the event can be found on the carnival website [www.kingsley-carnival.co.uk](http://www.kingsley-carnival.co.uk) or contact the organiser Vony Gwillim on 07799 067457.

And in the evening, the festivities continue with a village barbecue organised by the 1<sup>st</sup> Newton and Kingsley Scouts and Kingsley Cricket Club. From 6.30 – 11.30pm, Revellers will be able to enjoy a licensed bar and live music from The Takers, as well as a wide range of barbecued food. Tickets cost £11 for adults and £5.50 for children, available by ringing 07739 103045.

## Ltter Pick Update

I would like to thank all of the litter pick team for their work over the last 3 years. I was very pleased to win the Chairman of the Parish Council's award. I could not have done this without your help. Thank you.

On **Saturday 15th May** 13 of our litter pick team cleared the village of 12 bags of litter. We were all very pleased to find that there was not as much litter as usual. This meant we were able to collect more from the outlying areas of the village. Well done to all for leaving less litter. Thank you to the team and also to those who collect litter as they walk around the village.

The next litter picks will be on **Saturday 5th June** starting at 10.00 am at the Community Centre and **Saturday 3rd July**. **Please could we have a quick litter pick on Saint John's School field after the carnival on 26th June?** New helpers are always welcome. We provide all the equipment needed.

**“HIGHFIELD HAPPILY RETURNS”**  
**Friday 19<sup>th</sup> July 2010**

This highly popular Male Voice Choir makes a welcome return as a precursor to next year’s Centenary Celebrations. Formed in February 1911 by sixteen tannery workers the choir presently numbers over fifty members, its connection with Kingsley goes back over fifty years. It draws its members from within a twenty miles radius of Halton, with at present 5 singers from the village. The choir’s repertoire covers Josh Grogan to fourteenth century motet, grand opera to Les Miserables, German drinking songs to Welsh hymns (with wonderful amens).

Approximately fifty choral pieces are memorised by the choir at any one time but, with a valuable library of 650 titles, and new material available every year, they will be able to keep audiences entertained for maybe another 100years!

Kingsley’s tradition for singing and musicianship will be continued in this concert and combines with Highfield’s promotion of young performers from their area, with guest artists “Kingsley St John’s Primary School Choir” and the talented guitarist, Samantha Lythgoe.

So make a date and book early

Kingsley Community Centre 7.30pm

Tickets priced £6, £5 concessions.

## **Kingsley WI**

Lynn Blyth chaired the meeting on 6th May and displayed the Darts' Plate which had been engraved with Kingsley's name for the 5th time since 2004.

The general business was conducted and then Hilary Tucker, our representative at the AGM to be held in Cardiff in June, explained the proposed resolution on the labelling of food with its place of origin. All members voted in favour.

Hilary Pickett has made a beautiful doll which whose name will be guessed in a competition to raise funds for the WI county appeal.

The speaker, Caroline Cunliffe, then gave a lively and interesting talk about the mentoring services offered by Age Concern to clients who have difficulties with sorting out their financial affairs following hospitalisation or bereavement.

Margaret Wadsworth won the Bloom of the Month competition with a beautiful tulip.

The June Meeting on 2nd June will be Members' night. There will be no speaker, instead members will enjoy the meal (freshly prepared!) which had to be postponed from January due to snow.

Dear Readers

### National Healthy Schools Award

We are very pleased that we have achieved the National Healthy Schools Award. The children and staff have worked particularly hard to achieve all of the standards and are much healthier as a result.

### Basketball Coaching

We have recently had a day of basketball coaching for each of our 7 classes in the main school. The children learnt how to dribble, do cross-overs between their legs and in front of them. Some children really

shone at this activity and we are looking forward to seeing some potential basketball stars in the future!

### Year 3 visit to Burwardsley

Recently, our Year 3 children took part in their annual residential visit to Burwardsley. As part of the visit, they enjoyed some ice cream at the ice-cream factory, they visited Beeston castle and walked back to the outdoor centre along the Sandstone Trail. They

also took part in a range of activities at the centre including an archeological dig, orienteering and looking at local historical artefacts. On the Saturday, the children had a great time at the candle factory.

### Xtra Healthy Day

During the Xtra healthy day, all the children took part in a range of

activities to promote healthy eating and exercise.

### Global Week

We are looking forward to ending the term with a special themed 'global week'. The children will be spending 1 day learning about each of the 5 continents (except Europe) and will be cooking and tasting a range of different foods.

# Kingsley Transition Initiative

## Kingsley Transition Initiative aim to save 150t/CO<sub>2</sub> from Kingsley homes

Kingsley Transition Initiative has been working with the Energy Saving Trust for over a year now. In that time we have held a sustainability event and 4 successful Local Produce Markets.

It is now time to turn our attention to our homes.

As a result of the household survey's filled in by villagers last year we can tell you that:

- By insulating all the empty cavity walls in Kingsley would we would save over 50t/CO<sub>2</sub> (the equivalent saving of taking 156 cars off the roads in Kingsley).
- If we insulated all of Kingsley's lofts up to the recommended depth of 270mm we would reduce Kingsley's carbon footprint by over 100t/CO<sub>2</sub> each year (the equivalent of taking 333 cars off the roads in Kingsley or for those of you who prefer an alternative mode of transport 555 hot air balloons full of CO<sub>2</sub> floating above Kingsley!)

You will shortly be receiving a letter from the Energy Saving Trust promoting the virtues of insulation. We hope you take this opportunity to find out how much money you could save (around £300 a year off your fuel bills for a typical 3 bed semi).

### Any questions?

There will be an Energy Saving Trust representative in Kingsley Community Centre to answer your questions and arrange free insulation surveys on **Monday 7 June between 6-8pm.**

Alternatively you can call 0800 512 012 to speak to a local advisor or e-mail [advice@est-northwest-mc.org.uk](mailto:advice@est-northwest-mc.org.uk).

## **Kingsley, Norley and Crowton Mothers' Union**

Mrs Alison Neale gave a talk on Virtual Babies at our meeting in May. The Virtual Baby scheme has been introduced by the M.U. into a few schools on the Wirral. Teenagers are encouraged to take a 'baby' home for a weekend and to be responsible for all its needs, even through the night. The baby is programmed to cry when it is hungry, needs changing etc and will continue to cry until that need has been satisfied. She brought Lucy, one of the five babies used to teach the teenagers, and our granny skills were tested when she cried. The young people get a very realistic idea of the responsibility and sleepless nights involved in caring for a baby.

Mrs Hilary Merrington, our Branch Secretary, is the speaker on 1<sup>st</sup> June and will talk about Scrapbooking. We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.

HEADTEACHER Mrs Ann Griffiths  
*VISITS WELCOME ANY TIME*

Dear Readers,

This month the children and I would like to share the exciting developments that have been happening to develop the resources and provision for our youngest children in reception and Key Stage 1, working in conjunction with District Nursery who meet on our premises.

- Covered shelter in our outdoor area that has been used for a themed area for a variety of exciting topics such as looking at the lifecycle of frogs.
- Re-decoration and change to the indoor space with wide range of resources to enable the children to learn and explore. One wall is covered with brightly covered butterflies and work to do with the 'Hungry Caterpillar'...
- Continued opportunities for the nursery and reception children to work together giving a high ratio of adults to children. Recent shared activities have centred on developing the outside classroom, joining in with PE sessions, creative afternoons and story sessions.

Here are a few comments from some the children about what they thought...

"I liked planting the seeds in our outside clasroom" – Alexandra. "I enjoyed looking at the artist work by Monet" – Isabelle. I liked playing in the sand with my friends" – Tyler. "I liked everything!" – Charlie.

Mrs Kelly, the class teacher is looking forward to meeting our new starters for September, and has a range of home and school visits planned to help them prepare for coming into school. She also has exciting plans to further develop the classroom and outdoor space –

A highlight will be the Teddy Bears Picnic at 2pm on 5<sup>th</sup> July on the school field. This is open to new starters and other pre-school children. Parents/Carers/Grandparents and anyone else who you feel would enjoy the event are all welcome. If you would like to come along please contact school on 01928 788536.

Why not come and see for yourself? The children would love to show you round...

Mrs Griffiths, Headteacher, Mrs Kelly and the children in class 1.

## KINGSLEY WALKING GROUP

.Kingsley Short Walk 28<sup>th</sup> of April

14 Walkers and a Greyhound set out from the “Carriers” at Hatchmere to walk through Delamere Forest, having already pre-ordered their lunch. After leaving the Hostelry they turned right into Ashton Road and then through White Gate, eventually reaching open fields and a stile, but ignoring this they turned left passed two ponds and “Walkers Worizit”, on their way to Barnsbridge Gate North. Crossing the road and continuing the path they turned left to arrive at a suitable place, with a table and seats, for a mid morning snack.

After snacking they turned left to walk some way round Blakemere Moss, then crossed the road via Cauleys Gate, continuing along a track, ignoring the loop because time was running short. Over the hill and down a short valley they came across the gate and the path leading them to Post Office Lane and from there to the “Carriers”, where an excellent meal was awaiting us all.

Nine of us enjoyed a seven miler from Daresbury church on 11 May. This was nearly not the case, as our leader, having arrived first and seen ‘loitering’ in the car park, was questioned by the police, who were on the look out for a reported suspicious character. Fortunately, having had his camera examined, he was ‘released’ in time to lead the walk. We followed field paths to Preston-on-the-Hill, then dropped down to Preston Brook and the junction of the Trent & Mersey and Bridgewater canals. We followed the later to the salubrious village of Moore, before circling back to Daresbury. The police had moved on!

The walk on 8 June will be from Erddig. As there will be an opportunity to visit the gardens after the walk, NT members should bring their membership cards.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at [www.kingsley.walkers.btinternet.co.uk](http://www.kingsley.walkers.btinternet.co.uk)
