EDITORIAL NEWS AND VIEWS

Dear Readers

It will soon be the Kingsley Carnival, which promises to be an excellent day out. This year it will be opened by Luke Bailey (from Casualty). Don't forget the Scarecrow Competition, let's see lots of scarecrows invading the village on 12th July. And why not round off a fantastic day out by going to the Scout BBQ in the evening, this year to be held at the Kingsley Cricket Club., or The Hurst Safari Supper.

As most of you will know each year our committed volunteers collected KCA subs around the village. Due to the loss of several of these volunteers and the difficulty in recruiting replacements, the KCA committee have decided to enclose an envelope in each magazine for readers to make a voluntary donation towards the publishing costs, please see article on next page.

Finally, I would just like to thank all the volunteers who have helped in the collection of subscriptions in the past. Also a big thank you to everyone who is involved with the publication and distribution of this magazine. We will now have a well earned break, as there will not be a magazine in August.

Elizabeth

KCA Subscription Collection

As many of you are aware there has been a collection throughout the village every year to raise funds to cover the costs involved in producing the Kingsley News, and to assist in the running of the Community Centre. This has involved many people over the years, many of whom have done it for well over 10 years.

The Kingsley Community Association runs the Community Centre for the benefit of the village as a whole, with regular activities to suit all ages and interests. The collection last year raised approximately £1500, a significant sum.

For many years the suggested donation has been £5 per household, or £3 for pensioners. In order to give all the collectors a well earned rest from the time consuming job of collecting from individual houses, we have placed an addressed envelope in this edition of Kingsley News, which we would be grateful if you could use to post back your donation, either by hand or Royal Mail. Hopefully by doing it this way we can raise a similar amount to previous years but with less time and effort on behalf of the collectors.

Please make cheques payable to KCA

Dear Readers

June has been a very busy month in school:

Cheshire Show

Our Year 6 band, our Junior choir and our Year 5 band all performed recently at the Cheshire show.

We were very fortunate with the

weather: although it rained very heavily during the Choir performance, everyone was

able to keep reasonably dry and a great time was had by all.

This was a wonderful opportunity for the children to perform in front of a wider audience. They did really well.

Artsweek

We have had an Artsweek in school with the theme: Liverpool,

City of Culture.

All of the children have been experiencing aspects of Liverpool's history through Drama, Music, Art and Dance.

The week culminated in a performance to the school to share what the children had learnt.

The children have been learning about the history of Liverpool including the waterfront

area, slavery, life for children and more recently the music and dance of the time including the beatles.

More photographs and short video clips can be seen on our school website: www.kingsleycp.cheshire.sch.uk

We hope you all enjoy the summer break.

Kingsley Children's Play Area

I am conscious that we have not given any information about the progress of the Kingsley Children's Play Area since our public meeting in February.

Until about three years ago we had a children's play area on the playing field situated between Westbrook Road and Highbank Rd, which had been there for a number of years and had fallen into disrepair. The Parish Council decided to investigate the feasibility of constructing a new play area on the field, drew up detailed plans and applied for planning permission, which was granted in 2006.

The total cost of the new development will be in excess of £100,000. The Parish Council has a budget of £6500 for equipment and £3200 for security and maintenance. The rest is to be met by grants. Because the public consultation relating to the original application brought out a number of local concerns, the Parish Council worked with a specialist organisation, Groundworks, to re-plan the site to address these concerns. This led to a second planning application and a further public consultation in February this year, which was attended by 42 people. We received 34 questionnaires with the only concern raised relating to the car park.

The next stage in the process is for the plan to be considered by Vale Royal's Planning Committee. In May, our application was deferred because of procedural issues. The plan was re-submitted in June, but again had to be withdrawn for yet another problem with process. This means that the plan has yet to be reviewed by the Planning Committee. Our application will now be considered at the July meeting. At June's Parish Council meeting I asked our Borough Councillor, Ralph Oultram, to ensure that all efforts are made to ensure that the correct process is followed for the July Planning Committee. He has agreed to do this.

At the time of writing I can confirm that there are fewer than 20 letters lodged in respect of our application, and not all these are objections. These letters are in the public domain. Of these, one states that the comments received at the consultation are not representative of the village as a whole, i.e. **that the majority of the village is not in favour of providing a children's play area within Kingsley.** This statement is of great concern to the Parish Council who believe that they are acting

in good faith by submitting this application on behalf of the village.

Vale Royal's Planning Committee will be reviewing all the full case and will decide on whether to grant planning permission in July. If this were to fail, the Parish Council still has the option to revert to the plans approved in 2006.

If you have views on this would you please email me at mgoodrid@hotmail.com .

Many thanks.

Chairman, Kingsley Parish Council

POPPY APPEAL ORGANISER WANTED

The Royal British Legion, Cheshire, is looking for a volunteer to fill the now vacant post of Poppy Appeal Organiser in Kingsley. The Organiser would be responsible for placing the order for the poppies, wreathes and other stock and for their distribution around Kingsley. The Organiser would also be responsible for the counting and banking of the funds with another volunteer. The Poppy Appeal funds allow the Royal British Legion to deliver its vital welfare work to the service and ex service men and women and their families who are in need.

CAN YOU HELP?

Maxine Chamberlain from New Zealand recently contacted the Kingsley Village web site with the following query about an article that appeared in the Kingsley News some time ago. Unfortunately it was before they were created electronically so if anybody can help with an old copy or some information I would be grateful.

"My name is Maxine Chamberlain, I live in New Zealand and am the great granddaughter of Catherine Starkey whose sister Alice married Joseph Sherlock.

I have been looking for Kingsley newspapers from January 2006 to June 2006 because sometime during those months an old Kingsley resident died, Bill Rigby, and there was an article in the Kingsley News about him.

I was wondering if you could please get me a copy or otherwise tell me how I can access it on your website. Looking forward to hearing from you."

And another enquiry about family history to the village web site - it is becoming quite the place for people with long lost relatives and acquaintances to visit for details. I just received the following by email:

"My wife and I were given your website address when we attended a children's party at your local play barn. We live in the West Midlands.

My father-in-law was billeted in Kingsley during WW2. He was with Jack & Kitty Done (not sure of spelling) and 'Old Jones' the shoe mender lived next door.

On a recent visit to Kingsley we tried to find the property where Dones lived, but without success. My wife has various memories of visiting Kingsley during the war but not the house location. Can you give us any guidance?

Regards Ken Lee"

If anybody can help Maxine or Ken Ken then please contact me either by email at simon@sherlock.co.uk, or by telephone, 01928 787813.

June started where May left off with dry sunny days and occasional showers. Unfortunately one of these showery days was 1st June, our Open Day. Open Farm Sunday had been brought forward one week so as not to clash with England's Heroic attempt to win the Euro 2008 football competition. When we failed to qualify, it was too late to alter the date. Every Sunday since then has been fine and sunny.

However, despite the weather we had a fantastic turnout. The weeks of preparation and planning had paid off, with people queuing at the gate at 10am when we opened. Most popular were the Trailer Rides around the farm, looking at the crops, wildlife habitats, hedgerows, ponds and cattle. We had an excellent team of 24 family, friends and staff on hand acting as stewards and helping with the refreshments, ice creams, childrens activities, competitions, trailer rides etc. Thanks go to the Super Grans for manning the Potato Shop, The Gate Team for being so efficient and getting extremely wet but staying in good spirits, The Brew Girls for keeping everyone warm with hot drinks, Emma and Noel the first aiders who thankfully weren't needed, The glamorous PR girls on the information desk, our Harvesting Crew for carrying on despite the weather, Paul our trailer driver for his skill and patience conveying our many visitors on the farm tours. The team actually included a midwife (we like to be prepared for every eventuality!!!!). Luckily her services weren't needed.

A huge thank you must go to the staff from Chester Grosvenor Museum who attended to conduct Children's Activities in the shippon. These included crafts and finger puppets, all with a farming theme, and were extremely popular.

Our sponsors: Atkinson Tractors, Gibsons Mill, Wynnstay Group, Ros-ton and Hales of Frodsham helped make the day such a success with their huge support. Many Thanks. Over £200 was raised for Motor Neu-rone Association.

I hope you all have a pleasant summer, and I hope to be back in the Sep-tember issue with news of our harvest, which should be almost complete by then.

GARDEN TRAIL 2008

Kingsley Garden Club would like to express their sincere thanks to all those who helped to make the Kingsley Garden Trail 2008 such a success. Among the many who gave time and effort to the event were:-

- **The garden openers and their helpers for all their work not only on the day but the many weeks of labour in preparing their gardens for the big day.**
- **Staff, pupils and parents of Kingsley St John's School who joined us to show their gardening and environmental projects.**
- **All those who raised and sold plants, served teas (and stronger refreshment) and added to the monies raised for charity.**
- **The businesses in the village and beyond – *Elegance Health & Beauty, Holland Pharmacy, Devonshire Bakery* – who all did sterling work in promoting and selling tickets.**
- **The many, many individuals who displayed posters, distributed fliers and sold tickets.**
- **All those from Kingsley and far beyond who bought tickets and came here on the day to follow the trail and support our charities.**
- **The people of Kingsley as a whole for their forbearance when their village was invaded for an afternoon bringing congestion and parking difficulties.**

•
After deduction of costs for insurance and advertising, ticket sales raised a total of £3,800 which will be distributed between our three charities – Smile Train, Save the Family and Kingsley Community Association. Individual gardens raised in total a further £3,110 from sales of plants, teas etc. Each garden owner will donate their share of this to their own chosen charities.

THANK YOU

Anyone who has walked along The Nab recently cannot fail to have noticed the large tree blown over and the roots blocking the stream.

I would like to give a very big thank you to Robert Dean for his magnificent efforts in removing the tree, chopping it up and putting the stream back to its former glory. He has worked very hard indeed and accomplished what at first seemed an impossible task.

I am sure many others will join me in thanking Robert and saying how much it is appreciated to have the stream looking good again.

The June meeting took the form of Members' Night when members had been invited to organise the evening. Mrs Pauline Bate took the chair and read out the notices.

The monthly walk will be from Acton Bridge with lunch at Davenports Farm Shop.

The Shrewsbury Arms at Mickle Trafford is the venue for the Lunch Club. In July there is to be a guided walk in Liverpool, 2008 Capital of Culture. An appeal was made for scones and cakes, plus helpers to serve teas at the Kingsley Carnival.

Next year, 2009, will be the 90th birthday of Kingsley W.I. Members were asked to think of ideas for the celebrations.

Mrs Bate introduced fellow member, Mrs Hilary Pickett, who gave a delightful talk on her hobby of making rag dolls. She has always enjoyed sewing and has developed her hobby over the years to the stage of setting up her own website from which she has received requests for dolls not only from this country but also from abroad. She read amusing extracts from letters received and told of strange requests made. She showed a few examples of her beautiful work. Mrs Pickett was thanked by Mrs Joan Barker.

At the July meeting Sonia McCann will talk on the Pin Project, a scheme set up to help grannies in South Africa who look after grandchildren orphaned by AIDS.

Dear Readers,

Looking back, June was a very busy month for both the village and the school! We were delighted to be featured as part of the Kingsley Garden Trail to share the work of the school in developing the grounds, and showcase the vibrant display of colour around the pond. The children did a wonderful job showing visitors around on the day, and many parents supported in selling refreshments and plants-raising money to support the Eco and Garden club. Mrs Dymond, Mrs Browne and I very much enjoyed visiting other local gardens and marvelling at the wonderful displays.

Other news to celebrate...

- The children have been enjoying a variety of taster sporting activities including golf, gymnastics, skipping skills and rounders. So successful were our rounders team, we have now won through to a regional heat..
- Upper juniors had a fascinating day out to Liverpool where they visited the Beatles Museum as part of their 'history' project. In addition they had chance to reflect on Liverpool's history with a visit to the Maritime museum.
- As a precursor to teaching of French in the autumn term, the school held a French Day. Each class took part in a variety of activities to explore French life and culture, and enjoyed a French menu at lunchtime.

Looking ahead...

- We will be ending the term with a special musical evening for parents in the Community Centre, a performance from a shared Federation choir at the Last Night of the Proms, an International Day, a practical science day across the Federation using a range of specialists, a Leaver's service in Church, the Kingsley Carnival and Sports Day to name but a few...

The staff, Governors, children and I wish all readers an enjoyable summer break.

THE SARAH BARTHOLOMEW SCHOOL

Dunham-on-the-Hill, Nr Helsby

**An Independent Day School for boys
and girls aged 3 to 11+ years.**

The school was founded in 1988 in the village hall at Dunham on the Hill by the Principal, Catherine O'Donovan and named after her parents Sarah and Bartholomew. In September 2008 the school will relocate from Cotebrook, near Tarporley to the former Dunham on the Hill County Primary School.
