EDITORIAL NEWS AND VIEWS

Dear Readers

This month we have a local celebrity amongst us. On June 1st a very special lady went to the Buckingham Palace Garden Party. If you don't already know who it is, read the centre pages to find out.

Kingsley Theatre Group have a few tickets left for Blood Brothers (a multi award winning musical) which is being performed at the Chester Storyhouse. This is a new theatre attracting good shows. This time we will be travelling by private cars, but there are plenty of passenger spaces.

There is a proposed development for 15 houses on land off Higher Heyes Drive. Kingsley Parish Council have organised an open meeting at the Community Centre on Wednesday 12th July at 7.30pm for discussion.

On 2nd July KNVI are hosting an open day as part of the Great British Tennis Weekend, with various activities taking place. No need to book, just come along and see what's on offer.

Finally I just need to remind you that there will not be a magazine in August - this gives our hard working volunteers a well deserved break. Thank you to everyone who helps in printing, collating and delivering. Without you all there would be no magazine.

Kingsley Parish Council Meeting 20 June 2017

Members of the Public

Several members of the public attended the meeting.

Open Meeting

The Council are holding an Open Meeting for everyone to attend, if interested, regarding the proposed development of 15 properties off Higher Heyes Drive in Kingsley. The meeting will be held on Wednesday 12 July at 7.30pm in Kingsley Community Centre. The developers will be in attendance along with the planning consultants and hopefully a member of the Cheshire West and Chester Planning Department.

Planning applications.

Five planning applications were received. 17/01943/CAT Linden Cottage The Hurst Felling of Tree; 17/01439/FUL The Firs Newton Hollows Demolition of existing building and erection of 5 dwellings; 17/02103/FUL Fir Tree House Norley Rd Conversion of existing outbuilding into dwelling; 17/02336/FUL Church Cottage :Pike Lane New 2 storey building; 17/02356/FUL Land off Higher Heyes Drive development of 15 dwellings.

Playing Field.

Signs have been placed around the children's play area stating no dogs allowed within the play area. A broken rocker will be repaired or replaced as soon as possible. A new Noticeboard is now in place for the public to use for notices of interest. Please contact the Clerk or Councillor Vickers for access to the Noticeboard. A Playing Field Survey will shortly be made available via the village website, facebook and will be leafletted around the village; the Survey asks for opinions on the general use of the playing field and thoughts about dogs using the field. The Council are investigating the complicated matter of the bylaws concerning dogs in the playing field and how bylaws can be enforced.

Cemetery. T

he Boardroom (the building inside the entrance to the cemetery) has been renovated. A Noticeboard is in place showing the Cemetery Policy/ Useful Contact Numbers and is available for the public to use for notices. Please contact the Clerk for access to the Noticeboard. The cost of improving the railings on the southern side of the Cemetery are being investigated.

Neighbourhood Plan

The Council have set up a small working party to consider whether Kingsley would benefit from a Neighbourhood Plan. This is a community led framework for guiding the future development and growth of an area. Such a plan could assist with regard to the future development of Kingsley. If such a plan is put in place it would involve the whole community and the working party would represent those from within Kingsley, not just the Council.

Defibrillator Training 13 June

The training session was well attended. The Clerk wishes to thank both Anne Kavanagh and Julie Ford who were of great assistance on the day. Anne was

invaluable when showing the DVDs and Julie was there to help with the use of the mannikins for practising CPR. If there is a demand for further training the Council could offer another date in the future.

PLEASE NOTE that the Minutes of the Parish Council's meetings are placed on the village website each month.

KINGSLEY ST JOHN'S CE AIDED PRIMARY SCHOOL
Love; Learn; Aspire; Achieve

The children of Kingsley St John's CE Aided Primary School joined pupils from Norley CE and Crowton CE Schools to complete a bespoke and commissioned art project for the NCK Centre in Norley.

Vicar Pete Rugen called on the trio of schools to work together to create some individual and unique canvas art to decorate the newly extended and refurbished NCK Centre, located behind Norley Church.

All Year 5 pupils from the three schools came together to carry out the project from start to finish in one day. The children felt very proud, and privileged to be chosen to take part in the project, all agreeing that it was "fun" and "exciting." The three Headteachers felt the day was so important to the developing and strengthening of the schools' relationships. Head of Kingsley St John's, Rachel Jones, said "It is difficult and stressful times for small, rural schools at the moment. As a result, it is so much more important that schools look to work collaboratively and supportively. The NCK schools have worked hard to develop opportunities for us to improve outcomes for pupils in each of the schools. We have attended training events together, visits and enrichment opportunities and now this NCK project supports and strengthens our links with the Church, which is so important for us as Church of England Primary Schools. Mrs Harris and Mrs Kelly are brilliant practitioners and leaders. Together, we are passionate about ensuring our children can be the best they can be, and about making positive differences for all pupils. Opportunities such as this one at the NCK is hopefully the start of more opportunities for our pupils to work well together. Earlier in the year the three schools came together to introduce 'Heartsmart' to our Christian Values and Ethos and the Headteachers often attend training together, seeking opportunities to put our minds together to improve our schools." The art work is now proudly hanging in the NCK Centre in Norley.

Len Dann 1926-2017

Our family would like to thank all our friends and neighbours for their support of messages, cards and visits to us during his last few years. In addition we would like to thank the Women's Institute and their husbands in providing transport to Len.

Thank you all it has been much appreciated.

Love,

Joy, Alan, Tony and Mandy

KINGSLEY WI

Kingsley WI meets on the first Wednesday of every month at 7.30pm in the Community Centre. Our meetings normally include a lively speaker on an interesting subject, a small amount of information sharing on National and Cheshire WI projects, which can range through all different things from crafting to campaigning, and then local news about lots of fun activities being offered during the month in our own and neighbouring WIs. This month these include our regular local walk, a friendly book group and a lunch club plus garden visits, theatre trips and a fashion show.

To entertain us at our monthly meetings so far this year, we began with a bluesy jazz singer and a meal in January, followed in the next month by a photographic presentation on the wonderful things to be discovered in the country lanes here on our doorstep around Kingsley, then an ex High Sheriff of Cheshire with a fund of amusing and some amazing stories about her time in office, a fascinating talk on the history of women's underwear under the title 'Naughty but Nice!' and more recently a very comical look at a remarkable range of Merseyside Entertainers.

At our June meeting in an entertaining talk we learned more about 'Dream', the arresting public art work you can see from the M62, a beautiful white structure of the head of a nine year old girl standing on the site of the former Sutton Manor Colliery.

At our meeting on the 5 July at 7.30pm we will be hearing more about the Chester Mystery Plays, their history and recent productions

CHRISTIAN AID WEEK COLLECTION

Thank you to all who collected and those of you who contributed to this collection in May. We raised £1388 for Christian Aid, a very satisfactory result!

Kingsley Walking Group

On 31 May, there was a 5.5 mile walk, starting from 'The Bells of Peover'. After viewing the ancient church, we left Lower Peover via Free Green Lane and Broom Lane, passing the fascinating 'Tree of Imagination', carved in an old oak tree. We followed a track to 'The Whipping Stocks', then through the grounds of Peover Hall, which was General Patton's HQ during WWII. Re-crossing the A50, we followed the line of the Peover Eye to return to the pub for an enjoyable lunch. 13 participated.

The Long Walk, on 13 June, was to the Bosley Cloud. Parking in the centre of Bosley village, ten of us took a field track to Tunstall Road, then climbed steeply to the top of The Cloud (343 metres), which afforded extensive views over the surrounding countryside. Following the edge to the south, we then dropped down to cross to the Macclesfield canal. Heading north, we reached the Aqueduct. After a slight negotiating error, we crossed the canal to return to Bosley. 8.5 miles, plus detour! Weather bright with sunny interludes

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am for the short walks and for the long walks in January and February. Note however an earlier start time of 9.00am for the long walks from March to November.

Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132

Kingsley Bookworms – Next Meeting 13th July at The Red Bull

At our June meeting we talked about “The Outrun” by Amy Liptrot. The book is autobiographical, set in the Orkneys. The author grew up on the Orkneys but once she’d finished her education she moved to London to enjoy the excitement and opportunities not available in a small community. She became alcoholic and, eventually decided to come home.

The book combines descriptions of the island’s natural features and her observations about the stars, weather and life on the islands with her experience of giving up alcohol. While there was little reference to other characters, we found that we really wanted to find out how she dealt with her alcoholism.

The score for the book was just over 4 out of 5. The conversation that followed centred on our increased awareness of how destructive alcoholism can be. The descriptions of Orkney led many of us to have an urge to visit.

At our July meeting we will be talking about Mary Barton by Elizabeth Gaskell.

Everyone is welcome to join us at our meetings. We meet at the Red Bull at 8pm on the second Thursday of the month. A full list of our books for 2017 is on our Facebook page.

A KINGSLEY RESIDENT IS INVITED TO A GARDEN PARTY AT BUCKINGHAM PALACE

The diminutive figure of Margaret Livingstone and her much loved dog Molly are well known, loved and admired by many people within the Kingsley community. Her devotion to Kingsley and its residents goes far beyond imagination as she has devoted her time to helping others for over thirty years, even at times when her personal life has been in despair.

However, all of this had not gone unnoticed and in 2015, five of her neighbours in Beechview Road proposed through our local MP that Margaret's name be submitted for a National Award in recognition of her services to the people of Kingsley. Never sure, but her proposers always hopeful that she would be successful, her recognition came in January 2017 in the form of a letter from the Lord Lieutenant of Cheshire inviting Margaret to a Garden Party at Buckingham Palace on 1st June 2017.

Margaret's reaction, not knowing her name had been put forward for an honour was "Why me?" but with real pleasure at what lay ahead. Now she had to buy a hat, but after trying on several, she realized that big hats did nothing for her small frame, so a "fascinator" was decided upon.

Margaret now faced a big decision ie to choose a travelling companion as discreetly as possible, without contravening Royal protocol and making details of the Garden Party common knowledge. She needed a travelling companion who was reliable, confident, a good organiser and good company. These attributes were all satisfied by inviting Roz Pilgrim to accompany her to London and who proved to be perfect for the task ahead. Roz, totally organised from the beginning, She booked trains, the hotel and even determined distances and travelling times between the Railway Station, their Hotel and Buckingham Palace so nothing was left to chance in making Margaret's visit, a trip of a lifetime.

Margaret and Roz arrived promptly at the venue of the Garden Party to be two of many thousands of people. Slight though she may be Margaret managed to squeeze through the crowd to inch her way to within yards of seeing the Queen and feeling overwhelmed to be in this position. However time went by and afternoon tea was served at 4-30pm. By 6-00pm they started to make their way back to the hotel to collect their suitcases and proceed on their journey home and reflect on the wonderful memories they had shared during their stay in London.

Unknown to Margaret, Roz was transporting her to another surprise on their arrival back in Kingsley at 9pm. Arrangements had been made by the five male proposers to welcome Margaret home at the Red Bull Pub. The

numbers of people waiting to greet her had been swelled after it was learned that news of her recognition had been posted on Facebook. All, young and old wanted to show love and respect to a true Kingsley Villager. Long may Margaret and Molly continue to walk amongst us and we wish her better luck with her health.

Finally, thank you Roz, for a job well done in assisting our local celebrity during a trip she will never forget.
