EDITORIAL NEWS AND VIEWS

Dear Readers

Summer has finally arrived and the weather is getting warmer. We can turn our thoughts to gardening, days out and just enjoying being outside.

Included in this month's newsletter is a questionnaire regarding the Kingsley Neighbourhood Plan. Please complete this and return to one of the collection points. This information is invaluable in drafting the Neighbourhood Plan.

On 6th July the Institute will be holding a barbecue followed by entertainment provided by the popular ukelele band "Cool Hand Ukes".

On 27th July there will be a vintage tea dance held at the Community Centre in aid of Alzheimers Society. Live music, classic cars, afternoon tea and of course dancing.

If you are considering trying tennis for the first time, or are a little rusty and want to return to the game, then Saturday 3rd August is for you. The Institute are holding a 'try tennis for free' from 10.00am to 5.00pm, there is also a barbecue.

I know it seems a long way off but on 14th September Frodsham 'Make It, Grow It' Show' will be taking place at Frodsham Community Centre. Perhaps those of you who have an allotment and grow super size veggies might be interested in taking part, as well as the many people who produce wonderful crafts.

There will not be a magazine in August. This is to give all the hardworking volunteers a break from their duties, for without them there would not be a newsletter. Thank you everyone who helps out.

Elizabeth

Kingsley Garden Club - July / August 2019

As you will no doubt be aware, Kingsley Garden Club did not have a meeting in June this year. It has been historical that we finish our season in May with an AGM, but in the past few years, we have combined the AGM with a visiting speaker. At a recent committee meeting, it was decided to extend the 2019/20 season to include June with a speaker and the AGM. In line with most other clubs and organisations, we do not have a meeting in July or August due to the main holiday season. **Our next meeting is 9th September 2019**, when William Woods from Blackbrook Nurseries will talk about the medicinal and culinary use of herbs. Most people have some herbs in their garden be it mint, chives, Rosemary, etc;. It will be interesting to learn what other herbs we can use safely and beneficially.

Well the weather has taken a very unseasonal turn for the worst in June, but by the time you read this, we will hopefully have said goodbye to the deluges and will be basking in nice warm sunshine! The herbaceous and other tall plants have suffered with the heavy downpours and will require supporting. Our lawns are now sodden and growing by the day, but do not be tempted to mow the lawn whilst heavy and wet, wait until they dry out and keep your blades reasonably high, do not scalp the lawn.

Gardening Tips and Jobs to be done....

- Thin out the fruit on your trees such as apples, so you get better quality fruit & less susceptible to disease.
- Take cuttings from your favourite perennials.
- Support tall plants and climbers, important if we get high winds or more heavy rain.
- Remember to water your plants in pots, these dry easily with evaporation.
- Dead head all perennials and bedding plants to ensure continuous flowering throughout the season (roses really benefit from this)
- Cutting back growth in hanging baskets can encourage new flowers and tidy up the basket.
- Prune whippy shoots off Wisteria main branches to about five leaves from the main branch.
- Cut sweat peas for the vase on a regular basis and deadhead to ensure continuous flowering. Water regularly, these are very thirsty plants.
- If you are growing tomato's, remember to keep taking out side shoots. Take out the growing tip after five fruiting trusses. Feed tomato's regularly with Tomorite or similar.

Kingsley Bookworms

Next meeting 11th July 2019 at the Hurst Chapel at 7.30pm

At our June meeting we talked about “I Am, I Am, I Am; Seventeen Brushes with Death” by Maggie O’Farrell. She’s a favourite author of our group but this book is autobiographical and so very different to her normal novels. Most people agreed that it was well written but, the nature of the book meant that there was no character development or continuity which we missed. We also noted that the book’s time jumped about which many people don’t particularly like. The score was 2.5 out of 5, although most people were pleased to have read the book.

Our next book is “Reservoir 13” by Jon McGregor. The book was the winner of the Costa novel award as well as being a Guardian and Times Literary Supplement book of the year (among many other awards). We’re reading it to continue our annual tradition of reading award winning books to see how our views compare. It’s bound to provoke quite a discussion.

In August we will be talking about The Tattooist of Auschwitz by Heather Morris, which is a moving book based on the Holocaust. This widely acclaimed novel is based on the true story of Lale Sokolov, how he not only survived his years at Auschwitz-Birkenau, but also found love in the camp. The August meeting will be held on August 8th.

Kingsley Bookworms meet on the second Thursday of each month and everyone is welcome to join us at any of our meetings or events. There is no need to commit to coming to every meeting. We aim to be friendly and welcoming to one and all. Meetings start at 7.30pm and are held at the Hurst Chapel. If you want more information, please contact me on vgwillim@coach-work.co.uk or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

Kingsley Neighbourhood Plan

You will find a copy of our Main Questionnaire inside this edition of Kingsley News. We would really appreciate it if you can look to complete this survey, once completed you can return it to drop boxes at the Co-Op or the Pharmacy. We have sent one questionnaire to each household.

The information from these completed surveys, along with data we've been collating over the last 12 months will then help us to draft the neighbourhood plan. You will find more info about what the steps are after we've received your surveys on page 3 of the questionnaire.

You can also fill out the survey online at
<https://www.surveymonkey.co.uk/r/kingsleymainplan>

If you want to find out more about what progress has been made so far in developing the Kingsley Neighbourhood Plan please see the consultation & research page on the village website

We would like to say a **Big Thank You** to everyone involved in collating and delivering Kingsley News for enabling us to include our main questionnaire with this edition.

Kingsley Walking Group – June 2019

June wasn't kind to the walking group. The long walk, scheduled to visit Moel Arthur in the Clwyds, had to be postponed because of torrential rain. We're sure to visit there again in the future. The short walk started in Thornton Hough and was well supported, including a (very) junior member aged 7. The weather was cloudy but cool and, fortunately, we missed the rain. We enjoyed walking in the area and the pub meal was excellent.

The July long walk will start from Little Moreton Hall. It's planned to be 8.5 miles long, including a ridge walk leading to Mow Cop. In August our walking dates are August 13th for the Long Walk and August 28th for the Short Walk.

Kingsley Walking group is an informal walking group which has been meeting for several years. Our monthly long walks usually start about 90 minutes drive away from Kingsley. Generally the long walks would be classified as "moderate" and the short walks are leisurely. We have a leader for every walk who checks the walk for stiles, distance, closed paths etc. New members and walk leaders are very welcome.

The July long walk will be on July 9th, meeting at the Community Centre at 9am. For details, contact Vony on 789098. If you're wondering about joining and you'd like more information, give us a call.

Kingsley Walking Group has two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. During the summer months we meet for our long walks at the Community Centre at **9.00am**. We aim to be back in Kingsley by about 6pm. Short walks start at 9.30.
