EDITORIAL NEWS AND VIEWS

Dear Readers

I hope everyone had a good summer despite the vast amount of rain which has been falling during August and making the weeds grow faster than normal.. Maybe there is some truth in the curse of St Swithins!

Kingsley Transition Initiative will be holding one of their excellent local produce markets on 4th September. If you have not yet been to one of these markets then you are missing some excellent locally produced foods and goods.

We hear a lot about 'sustainability' these days. It is something which needs to become part of our everyday lives. On October 9th KTI will be holding an event featuring sustainability in the community, with topics ranging from composting and recycling, to solar installations. Please see the KTI ad for further details, and make a note in your diary.

Ltter Pick Update

On **Saturday 3rd July** 15 of our litter pick team cleared the village of 15 bags of litter. Thank you to the team and also to those who collect litter as they walk around the village. A special thanks to everyone, especially the dog walkers, who have picked up litter during August when we have had no official collection.

The next litter picks will be on **Saturday 11th September** starting at 10.00 am at the Community Centre and **Saturday 9th October** . New helpers are always welcome. We provide all the equipment needed.

News Bulletin

Western Rural Round-up -

Week Commencing 2nd July 2010

NPT Voicemail- 0845-458-6393

1. Following several burglaries that occurred at Overton Village Hall that I circulated information about several weeks ago, we have now arrested and charged a 19yr old local man who will be appearing at Northwich Magistrates Court next month.
2. Sightings please for a Mazda pick up index number J 496 ONE. This vehicle's driver was seen hiding in bushes near to the old Yogurt Factory in Cuddington. We believe the vehicle is from Manchester
3. Reports of kids this week throwing stones at cars in Helsby near to the old District Garage. Please report any incidents and names to us in confidence and we will deal with them.
4. We are aware of increased incidents of anti social behaviour in Castle Park Frodsham recently and I want to assure residents that this area does form part of our ongoing commitment to dealing with ASB in our area. We have dealt with a number of local youths and are processing them through our interaction with outside agencies and schools.
5. The subject of Police Volunteers is very heavily covered in the news lately, but it's not a new concept and we have had volunteers working with us for some 2 years now. I have two 17yr old students who give us their spare time and if you are interested in joining our scheme please contact our Human Resources Department at Police HQ Winsford.
6. Pc Steve Turner who is known to many as the Kingsley, Norley and Delamere officer is retiring after 30 years service. He retires in 4 weeks time and his temporary replacement will be Pc Graeme Morrison who is coming onto our area following 3 years as a Tutor Constable. We wish Steve all the best in his retirement and Graeme will prove a real asset to the team as he is keen to engage in community policing.
7. We had some grid covers stolen in Delamere this week. 3 covers were taken and I would ask for sightings of any suspicious characters reported to us please.

Regards

Inspector Phil Hodgson

LOTTERY FUNDED

KINGSLEY CRICKET CLUB

The First XI continue to have a mixed season but after great August wins against Winsford and Runcorn have almost certainly lifted themselves out of danger of relegation. The Second XI has had a successful season and should finish well into the top half of the League. The Junior teams have all performed brilliantly. The Under 15's have reached their second successive Cheshire Cup final. Many congratulations to all concerned.

With the Club running so many junior teams, the strain on coaching resources is growing and more help is urgently needed. The Club needs more coaches and more team managers. Training courses are available which can be funded through the Club. Parents, Grandparents and any others interested in promoting cricket and youth activities should please contact the Club.

The KCC Beer Festival will take place on Saturday 25th September 2010, noon until midnight at The Croft Cricket Ground. Please support this important fund raising event. Full details in advert in this Kingsley News.

For all contact details and more about the Clubs activities, statistics and all other information, please visit the Club's website:

THANK YOU

I would just like to say a very big Thank You to all my friends who live in the bungalows on Smithy Lane, Kingsley, for all the lovely cards and presents I received on my retirement on 6th August this year. I have been an Independent Living Advisor (Warden) for the last 25 years with Vale Royal Borough Council and more recently with Weaver Vale Housing Trust. Smithy Lane bungalows have been part of my round for the last few years., so I have grown to know you all and hold you in great affection. I will miss you all, especially my very dear friend Ethel Stanley who recently passed away just after her 97th birthday. I always said Kingsley was the place I would like to live when I retired. So you never know I may get a bungalow on Smithy Lane one day. I would have the emergency pull cord tied around my big toe and I would be pulling it all the time (haha).

So thank you all again., goodbye and God bless.

With much love.

KINGSLEY WALKING GROUP

On 13 July, eight walkers set out from the station at Whitegate along the Whitegate Way, then uphill through a field of sweetcorn to the end of Beauty Bank and down a long track flanked by trees on either side. After a refreshment break we continued along wooded lanes and by flowing streams to arrive at a fine church opposite Vale Royal. This led to Petty Pool, which was being enjoyed by a solitary fisherman. We walked on through the wood alongside a stream which after the dry weather was comfortably negotiated, then along a permissive path to the spot where we had lunch. This walk turned out to be a masterpiece of circular routes put together without the walkers being aware until we realised that we had passed places twice. The walk finished up on the other side of Whitegate Way, giving the walkers a straight path back to the cars. The participants enjoyed the company and the exercise.

On 28 July, 11 walkers set out on a five mile walk from Beeston Castle, their ranks having been swollen by 3 new members and a "maybe". Proceeding along the Sandstone Trail they climbed Bulkley Hill and carried on to Peckforton, where, after taking a downward trail and turning left they came across a monument in a garden, of the Elephant and Castle. After this a walk along the Sandstone Trail back to Beeston and then to the Shady Oak for sustenance.

On 10 August, ten of us drove to the Bickerton Poacher, astonished at the warm sunshine after all that rain. We then walked to the southerly Bickerton Hill to pick up the Sandstone Trail, up the steep steps to the Iron Age hill fort Maiden Castle. We had lunch on the ramparts and enjoyed the spectacular views over the Dee valley and the highly profiled Welsh mountains beyond. We followed the Trail down and then back up to the steps to the sandstone outcrop, Raw Head, the highest part of the Trail (Trig. point at 227m-746') and down to the Poacher for a rest. The map said 7 miles but after all this exertion we all agreed to call it 9 miles, if anyone asks.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at www.kingsley.walkers.btinternet.co.uk

There was no formal meeting in August, however a visit had been arranged to Mount Pleasant Gardens in Kelsall. The day dawned as the wettest of the year. In spite of this 8 intrepid explorers headed down to the jungle at the bottom of Mount Pleasant and were enchanted by what we saw. By this time the sun had come out and we were able to enjoy all the different parts of the garden including the wild flower meadow. There was an exhibition of amazing wooden sculptures which had been very skilfully blended into the gardens.

The September meeting will be held in the Community Centre on September 1st. The speaker will be Peter Braun from Dunham Massey Hall.

Kingsley, Crowton and Norley Mothers' Union

A Coffee Evening was held at the home of Geoff and Janet Brundrett on Tuesday 3 August. Though the weather wasn't exactly hot and sunny, several people managed to play croquet on the lawn, making the rules up as they went along. (We really must try to find the rule book). Proceeds from the evening will go towards the work of the Mothers' Union overseas.

At the meeting on Tuesday 7 September, the Revd Wendy Steadman will be our speaker, her talk entitled 'Happy Birthday Anyway'.

We meet monthly in the Church Room, Kingsley, on the first Tuesday in the month at 7.30 p.m. and anyone is welcome to join us.
