# EDITORIAL NEWS AND VIEWS

Dear Readers

I hope everyone had a good summer. It doesn't seem long since I was writing the last editorial for the July edition. Come to think of it, a while ago I asked for volunteers who would be willing to write a guest editorial for me. I had 3 volunteers, but what happened to everyone else? Come on, don't be shy and put pen to paper.

There was a good response to the Parish Plan survey and the results are now being analysed. Once this has been done a working group will be set up to implement the results. Please see Parish Plan report in magazine.

Kingsley Transition Initiative will be holding one of their excellent local produce markets on 10th September. If you have not yet been to one of these markets then you are missing some excellent locally produced foods and goods.

As we head towards autumn, there will be a Farm Harvest celebration taking place on Sunday 25th September at Old Hall Farm. Another event will be a Coffee Morning in aid of Macmillan Cancer Support on 30th September. Please support this worthy cause.

### **Kingsley, Crowton & Norley Mothers' Union**

As there was no official meeting in August, we met instead at the home of Geoff and Janet Brundrett for a friendly chatting evening with a bit of fund raising thrown in. The money raised will go towards the world-wide work of the Mothers' Union, in particular the Relief and Wheels for Workers Funds.

One of our own members, Mrs Gloria Ackerley, will be the speaker at the meeting on 6 September at 7.30 p.m. and will talk about 'A Radio Amateur's Adventures in Romania'. We are hoping that some members of Heswall M.U. will join us on that evening, Heswall being our linked branch within the Diocese.

We meet on the first Tuesday in the month at 7.30 p.m. in the Church Room, Kingsley, and **anyone** is welcome to join us.

## **KINGSLEY PARISH COUNCIL (KPC)**

### **Traffic, Transport and Footpath Update (July / August 2011)**

1. Cllrs Moores and Griffiths have now met with the relevant Greenspace Officer at CWAC to discuss several Public Right of Way issues and what we might be able to do in partnership with them in the future. Watch this space for more news on a footpath survey and possible volunteer work group. In the meantime, if there are any issues you wish to raise with us then please contact us using the detail below.
2. Hopefully most of you will have seen the repair and improvement works along Brookside and at the bottom of Chapel Lane which were completed in early August. The works were undertaken to repair the road edge and footpath which had been crumbling into the brook for some time. KPC were involved in selecting the new kerb edgings (recycled York stone blocks previously used in Chester City Centre) and ensuring that the original stones (surplus to requirements) have been stored locally so that we can use them in any other future projects. We also worked closely with the contractors and soon after they were on site, obtained their agreement to help us replace and improve the fencing (at the bottom of The Hurst) which is more in keeping with the style that had been in place there for many decades previously. KPC would like to take the opportunity to thank all those involved in the work – CWAC Cllr R. Oultram; the site contractors – Bam Nuttall (polite and generous with their ‘extra’ help); Steve at the Red Bull for his hospitality and allowing storage of materials; Brian Moores and Dave Mort for installing some of the railings; Nick Mort - who kindly donated the replacement fence posts and finally the residents of Brookside for ‘putting up’ with the disruption.
3. Other possible projects we are considering whilst we await the results from the Parish Plan Survey: wildflower planting on selected grass verges and re-opening ‘The Spout’ at the bottom of Dark Lane (the original source of water for many Kingsley residents).....does anyone have any thoughts on these ?

As ever - if there are any other traffic, transport or footpath issues you wish to raise then please give us a call and we'll see what we can do.

What have we been doing recently?

We ended last term with a concert where our two brass bands performed in front of an audience of family and friends; we were very proud of their playing. Our Year 6 performed a special play in their leavers service. We finally managed to have our school sports day after a lot of rain and our Year 2 class enjoyed an exciting walk in Delamere Forest.

## Foundation Stage Unit

Our Foundation Stage Unit has now opened and we are so pleased with the results. Our teachers Miss Smith and Mrs Kelly have spent quite a lot of time over the summer preparing the new unit for the children's arrival this month. They have been supported by a group of staff and volunteer helpers to ensure that the outdoor area was finished and ready. Two of our parents: Mr Walker and Mrs Maddock ran the Chester half marathon to raise money for resources and have enabled us to buy a special

'Help Yourself Trolley' to support creative play. We will be holding a grand opening ceremony on Monday 26<sup>th</sup> September where all the parents will be able to come and see the new unit in operation. Thank you to everyone who has supported us with this project, which is a big step forward for the school and the local community.

## KINGSLEY WALKING GROUP

Twentythree walkers and a dog commenced a walk from "The Morris Dancer" in Kelsall. The weather was sunny and the fields were dry and easily negotiable, with very few obstacles in the form of stiles or gates.

The foot paths were again well found by our leaders, apart from a minor hiccup when the party split for a while. Maddie, the dog, was having the time of her life as usual.

After reaching Oscroft it was necessary to turn back, via a different route, finally reaching the lane from which we had started.

Our thanks to the Leaders. The success of these walks can only be judged by the numbers of people attending them on the last Wednesday of the month. This year so far we have had some good turnouts.

Our long walk started from the Bryn Celyn Heritage Car Park in Flintshire. We walked for ten minutes through the Heritage Park and stopped at the cafe in Holywell for a piece of delicious toast, (to be recommended). We then headed out across the fields in the direction of Mostyn as far as Coed Mertyn Fishery then back towards the Dee Estuary via the golf course. We enjoyed beautiful views of the Estuary all the way back to Bryn Celyn. Highlights of the walk were, 33 stiles of all shapes, sizes and designs including a pallet!!! A peregrine falcon and an Oak Eggar Moth.

Kingsley Walking Group have two walks each month, meeting at the Community Centre at 9.30am. On the second Tuesday there is a long walk, bring a packed lunch. On the last Wednesday a short walk with a coffee break and a pub lunch. We are a friendly group. For more information tel. 787055 or visit our website at [www.kingsley.walkers.btinternet.co.uk](http://www.kingsley.walkers.btinternet.co.uk)

## Parish Plan – Update

The Parish Plan group has been working throughout the summer. Nearly 50% of the surveys were completed and returned, so the next step is to process the data and produce a report summarising the results. We can then identify projects for the future. Report writing has now started and is planned to be complete in October.

The prize draw was held during the July meeting and the following people were the lucky prize winners:

**Elegance Health & Beauty** voucher – Gillian Dean, Top Road  
Meal for two at the **Red Bull** – Holly Moorcroft, Dark Lane  
A bottle of Champagne from the **Coop** – John Fleet, Top Road  
A **Forrester's** Hamper – Antonia Blunt, Top Road  
A voucher from **Gibson's Mill** – Stuart Milne, Acres Crescent

Congratulations to all the winners and thanks to the sponsors. Your prizes will be delivered to you soon.

### Next Steps

The next stage in the project is to form a working group to decide on areas for future development. The “hot topics” are likely to include traffic and transport, housing and development, the environment, social facilities etc. They will be chosen once the data has been completely analysed.

Finally, we will set up implementation groups for each work area. They will have strong links back to the Parish Council and will run for an extended period.

### Tapping into Kingsley's Volunteer Force

So far, the Parish Plan Project has had the support of more than 40 people across the project. People have made varying contributions, ranging from attending a single brainstorming meeting, developing a

database to store the survey data through to drafting the final report. As ever, Kingsley people have come up trumps.

We now need volunteers to help work on the implementation phase. As ever, we need people to attend meetings, lead groups and provide practical support. Why not come along and see how you can help? The date of the next meeting is **Monday the 7<sup>th</sup> of November at 7.30**. All are welcome.

*NEWSLETTER FROM KINGSLEY ST. JOHN'S PRIMARY School: SEPTEMBER 2011*

***PLACES AVAILABLE- WHY NOT COME AND SEE WHAT'S NEW?  
CONTACT: 01928 788536***

Dear Readers,

We hope you have had an enjoyable holiday and managed to find some sunshine! We are all looking forward to the new term, and Mr Davies will now be working full time with our younger children – I know he has lots of exciting things planned for the term!

It was wonderful to take part in the fabulous garden trail that took place in July – Mrs Dymond and the children worked very hard with a team of parental helpers to showcase the wonderful grounds of the school. Visitors enjoyed looking at the wormery, pond, vegetable plot, special wedding arch, 'bug hotel' and wormery to name but a few features!

Here are Phoebe, Megan and Isabelle helping out at the plant stall!

# KINGSLEY CRICKET CLUB

Founded 1971

Just past the halfway stage of the season, and both Kingsley senior teams find themselves in excellent positions in the league. The 1<sup>st</sup> XI are currently 5<sup>th</sup> in Meller Braggins Division 2, and are looking secure in their push for a decent placing in the league. The 2<sup>nd</sup> XI are currently 3<sup>rd</sup> in their promotion push in Division C, only 9 points of the leaders. As always, all are welcome to come and watch the cricket, and if they wish, to become involved with the Cricket Club.

The Club enjoyed another successful fundraising day in partnership with the Kingsley & Norley Scout Group at the Scout BBQ in June, going a long way towards helping finish off payments towards the new net facility, which has been a wonderful boost to the club. Thanks to all who came along on the night, and also to the Scouts for their efforts in co-hosting the event.

The next big event at KCC will be the 2<sup>nd</sup> KCC Beer Festival, to be held over two nights this year, on the 23<sup>rd</sup> and 24<sup>th</sup> of September. There will be live music on both nights, and food also, with 25 or more real ales to choose from. For more information on the event, please call Julian Holmes on 07785 950369.

In order to make the BBQ successful, the Club is looking to offer sponsorship packages for local businesses to help cover the costs of the beer and food, and the support of the business community is greatly appreciated. The Club Fund Raising Committee is contacting local businesses with regard to sponsorship opportunities. Any help from local businesses would be most welcome, and all enquiries should again be forwarded to Julian Holmes.

As always the Club welcomes anyone interested in joining whether as player or social member, sponsor, coach, scorer, or umpire, or in any other way which will encourage and support cricket in the community.

For all contact details and more about the Clubs activities, statistics and all other information, please visit the Club's website: [www.kingsley.play-cricket.com](http://www.kingsley.play-cricket.com). Club secretary Keith Trenell can be contacted on : 01928 788465

## Wheel-4-Wheels

Update on progress August 2011

Fund raising has begun in earnest. The fantastic work put into the Family Fun Day was thwarted by the most appalling rain that meant most people stayed at home.

The Thunder Run was completed successfully and we had our first ebay donation from the Kingsley community many thanks, but really need a lot more. This aspect of fund raising will continue for another year and we would ask you to contact us if there is anything you'd be prepared to donate.

Other upcoming events are the Kingsley Velo Club team dinner at Kingsley Community Centre on 8<sup>th</sup> October, three course meal, comedian and live band/dancing to "The Prefects" an excellent local band that had great reviews after their performance at Frodsham Music Festival in June. Tickets are £20/person and are available from our website, or from The Red Bull.

There is a quiz night on Sat 12<sup>th</sup> November at The Red Bull, get a team together and enter. Its £10/head to include supper and your quiz entry fee. We expect the quiz to start about 8.00 but get there earlier to enjoy a "cocktail" and get a spot for the quiz, this is likely to be a busy one. We'll need to know numbers in advance to plan the catering so please let either us know either by letting the Red Bull or Steve Pemberton know by phone, (no below,) or by email to [info@wheels-4-wheels.com](mailto:info@wheels-4-wheels.com))

For the riders the planning and training is coming on well, regularly hitting 200 mile weeks, but still lots to be organised. Both riders are riding the famous French climb of Mont Ventoux in late August. This is one of the toughest climbs known and will be a good way of measuring where they are up to fitness wise

**THANK YOU KINGSLEY**

The July collection for "Action for Children" in Kingsley raised £845, close to last year's result. In addition, those tax payers who were kind enough to fill in the declaration raised an extra £65 approx tax-back from Gift Aid at no extra cost to themselves.

Your generosity helped the work of protecting the most vulnerable and neglected children and young people, for as long as it takes, to make a difference in their lives. Grateful thanks to all the collectors and to all who gave so generously.
