# *EDITORIAL NEWS AND VIEWS*

Dear Readers

I hope everyone had a good summer and if you have been away on holiday that you had a wonderful time.

There are plenty of events taking place in September, below are just a few of them, see the rest of the magazine for further details.

Time flies, and to those people who have lived in Kingsley for a long time, it probably won't seem like 40 years since the Community Centre was built. However, on 25th September it really will be 40 years and there will be an afternoon celebration at the Centre.

On 17<sup>th</sup> September there will be the next KTI market at the Community Centre. Always a wonderful source of local produced goods.

It doesn't seem a whole year since the last Macmillan Coffee Morning, but this very popular event will take place on Friday 30<sup>th</sup> September at the Community Centre.

On 28<sup>th</sup> September we have a concert by the Highfield Male Voice Choir and St John's Primary School Choir, which I am sure will prove to be a huge success.

Finally, there are a few tickets left for Billy Elliott on 10<sup>th</sup> January.

*Elizabeth*

**A Mouse's Tale – Synopsis**

A musical fantasy telling the story of a country mouse called Timothy. He is no ordinary country mouse, indeed he has an amazing I.Q. and spends all his days reading and learning. This makes him very unpopular with the other mice - apart from his true love Claribella. Forced to leave his country community, he heads for the city and finds he has more in common with the smart city mice. He invents an ingenious Early Warning Device to save his new friends from the evil cat Claudius. Money-grabbing entrepreneurs Charles and Amandapie spot the potential of this brilliant invention, set up the Catastrophic Corporation and go into mass production. Their ruthless exploitation of the town mice workers is eventually exposed, thanks to undercover reporter Angus the Rat, but where does Timothy's heart lie?

## 40<sup>th</sup> Celebration

In September it will be 40 years since Kingsley Community Centre was officially opened. The building of the community centre was achieved through the dedication, determination and hard work of countless members of the village.

We aim to celebrate this event on Sunday 25<sup>th</sup> September at the community centre from 3pm. If you were involved in the early years or have been involved since, whether as a group who have used the centre for meetings, fundraising or parties, or as an individual, then we would love you to come along on the day.

The building of the community centre was a triumph of village cooperation with fundraisers, event organisers, builders, plumbers, electricians, joiners and many others giving of their time to build the centre from the ground up. It is a testament to the work that was done, that even after the fire and the further building work carried out, the community centre is still viewed as an ideal venue for many different events and groups.

Please come along the bar will be open, tea/coffee and cakes will be available. If you have any photos of any events you have held at the centre, then please bring them along.

Join us at Kingsley Community Centre from October 19th and 22nd. Book Clubs are especially welcome. The box office will open on September 5th. Go online at [www.kingsleyplayers.co.uk](http://www.kingsleyplayers.co.uk) or call 07925 516760 for tickets.

# Nature Notes

— DELAMERE —

Cheshire Wildlife Trust update us on the wonderful habitat restoration taking place on your doorstep to help some of Cheshire's rarest wildlife

In July of this year Delamere Conservation Officer Chris Meredith and volunteers visited Natural England managed National Nature Reserves, Chartley Moss, and Fenns, Whixall and Bettlesfield Mosses, for the last time in this phase of the white-faced darter reintroduction project.

As part of the project to reintroduce the white-faced darter dragonfly to Delamere the team collected sphagnum moss, which contains eggs deposited by this rare dragonfly, to move to the reintroduction site at Doolittle Moss, Delamere. Before the moss could be re-located, volunteers painstakingly searched through it to remove predatory animals such as spiders and large dragonfly larvae to give the eggs and recently hatched larvae the best chance of survival.

It is hoped this final egg introduction will give the Delamere population an extra boost before the next 3 years of monitoring.

Chris Meredith and volunteers at Doolittle Moss, Delamere. Picture by Margaret Warren.

Rare Jumping spider found on Delamere's Mosses. Photo by Richard Gallon

We're pleased to say that after undertaking surveys on two of our reserves, Black Lake and Abbotts Moss, we

can confirm that scitticus floricola is still present and thriving on both sites. This small but striking jumping spider has only been found on a handful of mossland sites across the UK and has a particularly liking for setting up home in cotton-grass seedheads. Many thanks to Richard Gallon from the British Arachnological Society for providing his skill and expertise to carry out these surveys.

Delamere's Dragons Development Officer Heather Hulse and trainee Margaret Warren teamed up with local wildlife photographer Ron in June for a wild day shooting on the mosses of Delamere. Armed with cameras, a group of enthusiastic amateur photographers braved the downpours to visit Delamere's mosslands to capture the unique wildlife and habitat found there. This photo of Doolittle Moss was sent in from Maggie Bullock who attended the day.

## Kingsley Gardening Club 2016 / 17

It is that time of year again when we see dark nights approaching and the gardens are going into a dormant state. So now is the time to join Kingsley Garden Club and learn things you never knew about plants and growing them, so that come next season you will be ready and prepared to put everything you have learnt into practice. We are a very friendly bunch of around 50 people, who meet once a month, on the second Monday from September to May, at 8pm to around 9.30pm. There is tea and biscuits available, and on most nights the guest speakers bring plant materials for sale at very reasonable prices indeed. We have a "Bloom of the Month" competition and a monthly raffle with gardening related prizes including the odd bottle of wine to drink whilst you are weeding!

The cost is £2.00 per person on the door if you wish to pay per meeting, or, a fantastic saving on annual membership at £8.00 per person per annum. Where else can you get such good advice for such value!

## **Kingsley Parish Council - Community Fund**

At the July meeting of Kingsley Parish Council, council members voted in favour of creating a Community Fund. This will be a community scheme whereby a limited sum of money will be set aside by the Parish Council on an annual basis dependent upon the demands on the Parish Council budget to meet designated projects and statutory requirements within the village. The value of the fund may vary from year to year.

Community Groups and organisations will be able to apply for grants as long as the scheme or project is for the sole benefit of residents, families and the wider community of Kingsley.

The Scheme will be run on a one year trial basis to determine if it is viable financially and to determine if there is sufficient interest within the community. The Scheme will be open for applications from the 1st November this year (2016) and the deadline for applications will close on the 31st January 2017. Full details will be available from the Parish Clerk on the 1st November, **please do not contact the Parish Clerk before this date.**

There will be a minimum value application of £25 and a maximum application of £1,000.00. Successful applicants will be notified by 31st March 2017 and the value of the final grants awarded will depend upon the number of applications received and the amount of money available within the Council budget determined at the Budget Meeting in December.

## Kingsley Bookworms – Next meeting 1st September 2016

We had two meetings over the summer months. In July 10 of us met to talk about “Life after Life” by Kate Atkinson. Most people had read the book which was very popular. We scored it 4.1 out of 5. We were delighted to welcome two new members at that meeting.

In August we talked about “Villette” by Charlotte Bronte to celebrate 200 years since her birth. Although we were a bit wary of reading a “classic”, everyone agreed that the book was intriguing. We were a bit frustrated with the French passages in the book, but we felt it was appropriate. We scored the book 3.75.

A group of 16 of us went to see “As You Like It” at Grosvenor Park in July in lieu of reading it. We loved the event. In October we will be visiting the Chester Literary festival again.

We now selected our books until the end of the year. They are:

*September 1st* - A Man called Ove by Fredrick Backman. It's about a “grumpy, yet loveable man”.

*October 6th* - Memory Man by David Baldacci. This is a thriller with an offbeat hero. It's said to keep you guessing until the very end.

*November 3rd* - The President's Hat by Antoine Laurain. “Enjoy it for its fabulistic narrative, and the way it teeters pleasantly on the edge of Gallic whimsy” (The Guardian)

*December 1st* - The Bees by Laline Paull set in a beehive. The feedback from bookclubs is that this will lead to a lively discussion.

We are now gathering a shortlist of books for 2017. All ideas and suggestions are welcome.

Our next meeting will be on **Thursday 1st September** at the Red Bull. Meetings start at 7.30pm and everyone is welcome.

If you want more information, or to join in any of our events please contact me on [vgwillim@coach-work.co.uk](mailto:vgwillim@coach-work.co.uk) or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.
