FROM THE EDITOR

Welcome to the September 23 edition of Kingsley News,

Welcome back to all our Kingsley residents after our Kingsley News summer break.

Firstly, I would like to give you a quick update on Kingsley Community Association matters. At our AGM in July, Heather Jones was elected onto the committee and has subsequently agreed to take on the role of treasurer. We wish Heather every success in her new role. Also, it is right and proper to thank Simon Batey for all the work he carried out as treasurer, in particular, his diligent efforts to ensure that we maintain a cost effective and viable community efforts to ensure that we maintain a cost effective and viable community centre.

There are times when Kingsley can feel slightly cut off from the outside world - and at times some of us might think it a good thing! However, I would like to draw your attention to two facilities that are now available to us; the iTravel on demand rural bus service and the installation of the digital full fibre service by Factco.

I certainly, am looking forward to a more stable broadband service and perhaps, with the on-demand bus service, I might become less of a taxi driver for my teenage children ... dreams indeed!

I hope you continue to enjoy reading this edition and please do give feedback too. As always, please, don't forget that Kingsley News is also available in digital format on the Kingsley village website, www.kingsleyvillage.co.uk.

PATIENTS AT THE KNOLL SURGERY AND HELSBY AND ELTON PRACTICE

The first thing to say is DON'T PANIC.

I have had countless conversations over the last few weeks regarding this change, so I just wanted to put this in the Kingsley News. From 1st October 2023 the rules are changing so the patient will have to order their monthly prescriptions themselves. Patients can order online via the NHS app or Patient Access, hand the repeat slip in at the surgery, post your repeat slip to the surgery or by emailing your order to your respective surgery. All pharmacies are no longer allowed to order for most patients from 1st October. There are exemptions so please ask us at Holland Pharmacy for details if you think that you will struggle to order your medicines.

YOU CAN CONTINUE TO GET YOUR PRESCRIPTIONS DISPENSED AT HOLLAND PHARMACY REGARDLESS OF HOW YOU ORDER YOUR PRESCRIPTION. JUST SPECIFY HOLLAND PHARMACY ON YOUR REQUEST.

THE ONLY THING THAT IS CHANGING IS HOW YOU ORDER YOUR MEDICINES AND NOT WHERE YOU PICK UP YOUR MEDICINES SO YOU CAN CONTINUE TO PICK UP YOUR MEDICINES AT HOLLAND PHARMACY IF YOU SO WISH.

If you have any questions then please call 01928 788559 or pop in and we can talk you through the process.

KINGSLEY GARDEN CLUB

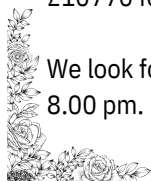

The new season for Kingsley Garden Club will begin on Monday 14th September. We look forward to welcoming “old” and new members and, of course, visitors. Subscriptions will be due: £12 and £4 for visitors. Subscriptions can be paid by bank transfer or cash on the night. Please arrive in good time to do this.

There will be a varied programme over the season. The first speaker will be Ken Black from Mollington giving a talk on clematis. Some of you might remember seeing him on Gardeners World in 2021. He will give a PowerPoint presentation on some basic information about clematis and then a practical demonstration on planting, growing feeding and pruning. He is hoping to be able to bring some plants for sale. His web site is kenblackclematis.com

Our members have been busy over the damp summer. We hope you all saw our scarecrow outside Val Boote’s house in Well Lane.

Neil and Margaret Holding had 3 very successful Open Garden Days under The National Gardens Scheme: they had 877 visitors through the gate and raised £10770 for charities. That included the sale of 700 slices of cake and 600 plants.

We look forward to seeing you at The Community Centre. The meeting starts at 8.00 pm.

Kingsley Garden Club now has its own Facebook page. If you wish, you can follow the notices and news this way.

Mrs Elsie Gallimore would like to thank all her friends and neighbours in Depmore Lane and Middle Lane for all their help and support since the death of her lovely husband, Alan, in April this year.

Thank You

Caves
What is a cave?

A cave is a underground space. Over time caves are formed over thousands of years.

How are caves formed?

It starts by the dissolution of limestone. A gas, rainwater picks up carbon dioxide from the air and as it percolates through the soil, which turns into a weak acid. It slowly dissolves over the limestone along the joints, bedding planes and fractures some of which become enlarged enough form caves.

Famous UK Caves

Picnic cavern, Simon cave, Widdow's hole caves, Bones cave and Fingert's cave.

Excess about caves

A cave cannot be deeper than 3,000 meters.

There are two main types of caves

Our Y3 and 4 Barn Owls have been exploring explanation writing. They researched and created reports on how caves are formed using technical language, sequenced steps and interesting facts. We even completed a labelled process diagram.

Thomas and Pippa are very proud to share their work with you.

If you see a Barn Owl please ask them to share their knowledge, we are now dedicated speleologists!

The group features Tim Woodhead on keyboard, Phil Griffiths on drums and joined by local jazz vocalist Heather Tieman. Their repertoire ranges from new arrangements of jazz standards, Latin jazz and a few more contemporary pieces - their version of Scarborough Fair has created quite a stir...

This popular jazz group appears at local venues as well as private events, and we invite you all to a super night out listening to great music and if you have a mind for it, do bring along your dancing shoes and take to the floor.

Our usual table layout with a 7.00pm for 7.45pm start. Bar facilities will be available before the performance and during the interval.

The Meaning of Rest

'Are you tired? Worn out? Burned out on religion?

Come to me. Get away with me and you'll recover your life. I'll show you how to take a real rest. Walk with me and work with me – watch how I do it. Learn the unforced rhythms of grace. I won't lay anything heavy or ill-fitting on you. Keep company with me and you'll learn to live freely and lightly.'

Matthew 11: 28-30 The Message Bible

These are comforting life giving words for those who are feeling under pressure, tired and possibly exhausted. We look at the summer as a time for holidays and resting but just round the corner comes September and back on the treadmill we get of endless activity and availability - did we really take a rest? When I was on my Ordination Retreat one of my tutors sent me a book called 'Jesus had a Day Off.' This was a reminder that we too need to take time out not just a once a year holiday but at regular intervals. Jesus gave himself permission to stop and so must we.

In his book 'Working from a place of rest' Tony Horsfall writes, 'In striving to do our utmost for God, we can easily forget that there were many times when Jesus himself was willing to rest, to do nothing except wait for the Spirit's prompting, so that he demonstrated the vital principle of 'working from a place of rest. If we are constantly giving out to others, we must make sure that we take in for ourselves, otherwise we will wear out'

I wonder if like me you take a coffee break thinking you are taking time out but your mind keeps working overtime. Then at night-time you are either still buzzing from the day's activities and unable to sleep or you wake in the early hours anticipating the day ahead.

So then

What refreshes your soul? What re-energises you?

How can you ensure that you are looking after your own well-being so that you can sustain yourself over the long haul of life, work and ministry?

'Loving God, help us to recognise when we need refreshment and rest. Help us not to be afraid to take time apart or ask for help, and fill us with optimism for what you can do through the lives of those who rest in you. Amen.'

With Love and Prayers
Hilary

FORRESTER'S

KINGSLEY WALKERS

ALL POINTS OF THE COMPASS

The weather has certainly been more changeable through late June, July and August but the Kingsley Walkers continue their rambles undaunted. Perhaps though, the inclemency has been responsible for our June and early July migrations being generally in a southerly direction. The long walk on the 27th June being around Beeston and the short walk on 11th July being from The Swan in Marbury. Between these two there was certainly a variation in numbers, with 8 going on the first and 27 on the second. Amongst the 27 we had an age range from 16 up to a couple of members I can think of who must be at least a hundred.

The short Marbury walk was, of course, followed by a pub meal for many. I was mindful of the preparation required by the walk leaders as a waitress arrived, balancing an armful of plates, loaded with pre-ordered meals and asking "Who will eat all these pies?". The confusion was soon sorted and we went on to enjoy very tasty meals.

Tribute again to the attention given by our esteemed walk leaders. Dave, ably supported I must add, headed out several days ahead of the Marbury walk to clear a section of path that was particularly overgrown. It must have been an eerie sight on a grey, drizzly morning to see two darkly dressed figures, hoods up, heading across a cornfield, one with a sickle across his shoulder and the other with its modern equivalent, a battery powered strimmer.

For the long walk in July, assured that the weather in Yorkshire is always 'grand' we headed North, indeed a fair old way to Digley Reservoir near Holmfirth. The leader for that one had asked that we all do our own preparation by watching some episodes of Last of the Summer Wine. With some gruff commentary and local knowledge Nora Batty's Cottage and Sid's Cafe were indeed seen.

The walks in August were intended as a bit of variation, with a trip around Sale Water Park on the 8th and a foot crossing of the Jubilee Bridge in Runcorn on the 22nd, a bit of a head for heights needed for this one.

If you are interested in the walks please email kingseywalkerswa6@gmail.com.

KINGSLEY PARISH COUNCIL

The following items are based on the Parish Council meeting held on the 18th July 2023, the Parish Council does not meet in August, the next Council meeting will be on 19th September 2023.

It is somewhat strange in July that the subject of village Christmas lights was discussed at the meeting. The existing Christmas lights that have appeared at The Brow and Christmas Tree over the years are owned and installed by the Parish Council, but time has taken its toll and many have now failed. Discussions with and a quotation, have been received from a national company who supply and install Christmas Decorations throughout the UK. The Council considered the quotation, and at this time has agreed to appoint the company to decorate the two trees at The Brow for one year only with an option for extending this a further two years. At this time, the main Christmas tree, and the tree at The Cross, will continue to be supplied and decorated by the Parish Council in 2023.

Proposals were put forward to the Council by a Councillor, to allow more border areas around the perimeter of the Playing Field to return to wild meadow. These areas would be uncut throughout the year and monitored for natural wild flower species, etc;. The Council would welcome views and areas which could be considered for the 2024 growing season from Spring onwards.

Whilst on this theme, the Council have approached Cheshire West with regards to replacing the tree brought down by lightning on Brookside earlier this summer.

The Council is proposing a "Community Tidy Up Day" in Spring 2024. Some specific projects and areas will be highlighted for the day, but once again the Council would welcome suggestions for areas that would benefit from this day. The precise date and time will be announced in later Kingsley News in the New Year.

Another date for your diaries for 2024, again around March, will be a Public Consultation meeting dealing with the proposed purchase of a plot of land adjacent to the existing cemetery. This will provide future expansion in the decades to come, as our existing cemetery is filled. A date for the Consultation meeting and more detailed proposals, will be presented prior to the meeting.

Now to the blight of our lives - potholes. Cheshire West & Chester Council have advised the Council that a company called Colas, have been appointed on a five year contract, to repair all the potholes throughout the County. Brownies

Kingsley Brownies (aged 7-10) urgently need new leaders in order to be able to continue - can you help?

All training is provided (this is not onerous) and there is plenty of support and encouragement!

Please help us to keep providing fun, adventure and opportunities to girls and young women in the village.

Email Anna: weaver@cheshireforest.org.uk for more info.

Brownies is full of firsts: she might grow her first plant, cook her first cake, light her first fire, go on her first fun-packed weekend away with guiding friends.

With a helpful hand from our encouraging volunteers, they explore their creative side, get out into the great outdoors, and start learning to look after themselves, others and the world we live in.

There's something for every girl at Brownies, and plenty of moments they'll never forget.

Brownies follow a national programme. In unit meetings, they do fun activities, play games and earn skills builder badges, all while being supported by our trained volunteers.

Stay and Play at KSJ

Being at home with a small child can be fun and rewarding but it can also be a little lonely at times. If you fancy a change of scenery for a couple of hours with your little one, why not call into our Stay and Play sessions. They are available for tots, from newborn to pre-school and provide a safe environment for them to play with new toys and socialise with other children.

They are a great way to have a chat with other parents, grandparents or carers with refreshments and a biscuit.

Any child older than 2 $\frac{1}{2}$ will have the opportunity to attend a story session in our Foundation Class.

Come along to Kingsley St John's Primary School on Thursday morning 9.30—11.15 starting 14th September. Access is via the side gate by the Co-op car park. Ring the intercom for admittance. For further information please ring 01244738434 or email admin@kingsley-st-johns,cheshire.sch.uk
