EDITORIAL NEWS AND VIEWS

Dear Readers

The trees are starting to turn wonderful shades of red and gold and we know that autumn has arrived. The sun has been shining and it I have been enjoying picking the fruit from my garden and freezing it ready to make into jam when I have some free time!

Well done to the organisers of the Macmillan Coffee Morning held last week. They raised an amazing £1615.

On the 19th October it is the Kingsley & Newton Village Institute Annual General Meeting. Details are on the next page - please try to attend the AGM and show your support.

Kingsley Players are performing Bite-sized Shakespeare from 21st to 24th October. Hurry and get your tickets before they sell out.

As the nights start to draw in it is a good idea to review the security on your house and outbuildings, as there have been a few break-ins recently in local areas. Make it as difficult as possible for burglars and keep your belongings safe.

Finally, don't forget the clocks go back at 2.00am on Sunday 25th October.

Elizabeth

Kingsley Bookworms

Meeting 1st October 2015 at the Red Bull

Our Radio 4 Debut

The Kingsley Bookworms have been busy this month. As well as our normal September meeting when we discussed "The Children Act", we went to London for a Book Club recording.

On the whole we enjoyed Ian McEwan's "The Children Act". The meeting was well attended by 10 people and 2 others sent in reviews. We scored the book at 4.3 out of 5. We were all quite surprised by the way that the book challenged some of our prejudices which led to a lively and good natured debate.

We were invited by Radio 4 to take part in a recording of their Book Club programme. It was with Richard Flanagan who won the Man Booker last year for his novel "The Narrow Road to the Deep North". We were offered 5 places which we quickly filled. The recording was made in London and was a great experience – as well as a chance for a day out. We all agreed that having the author in the room gives a whole new dimension to the discussion and lots of new insights. The book was challenging but we were glad to have read it.

For our October meeting we have chosen "How to be Both" by Ali Smith as an example of a new book by someone that no one has read. So far the feedback is "mixed". The meeting promises to be lively.

Meetings are open to all and everyone is encouraged to come along. You don't need to have read the book so feel free to drop in and see how our meetings work. Most months we welcome new members and visitors to the group.

If you want more information, please contact me on vgwillim@coach-work.co.uk or call me on 01928 789098.

Kingsley WI News September 2015

Now that Autumn is upon us we look back at rather a special summer for the WI. As you have probably gleaned from a lot of media coverage and from the various documentaries and drama productions this year on the television, 2015 is the year that the National WI celebrates its Centenary. WIs all over the country have had much fun celebrating in a variety of very different ways. It's not the first time during August that instead of our usual monthly meeting members have enjoyed a tea party. This year the committee really pushed the boat out. On one of the few warm afternoons this summer they provided our members and guests with a truly sumptuous Afternoon Tea in the lovely garden of Chris Woulds' all in celebration of the centenary of the WI.....about which you are probably fully aware due to the extensive media coverage throughout the year. The sun shone as we welcomed old and new friends with a glass of 'fizz ' before an indulgence of canapes, sandwiches and a wonderful selection of homemade cakes all washed down with the mandatory cups of tea !

During July, prior to the Kingsley WI party, a number of us attended the county celebrations in the glorious grounds of Gawsworth Hall near Macclesfield. Over two days 2000 members were entertained in the outdoor theatre with very amusing sketches written and performed by members of several branches of Cheshire WI's as well as musical interludes and a performance by the Weaver Vale Choir, including a singalong which ended in a rousing rendition of "Jerusalem". On display in a large marquee were the banners of all the Cheshire WI branches which had been made especially for the Centenary. We were especially proud of Kingsley's contribution made by our very talented Mary Roberts. Incidentally Kingsley WI were if not the oldest we were amongst the first to be founded in Cheshire. A lovely afternoon tea was provided for us and members enjoyed a free tour of the beautiful Hall. It was certainly an occasion to be remembered.

The next meeting of the Kingsley WI will be on Wednesday, 7th October at 7-30 pm and we hope that having read this you will be encouraged to join us as the WI embarks upon its second hundred years.

Kingsley Players put on their wonderful and popular performances throughout the year.

The Centre now has a scintillating dance floor – it's a fabulous venue for a party, be it a Birthday, Anniversary, Retirement or Wedding Celebrations. Children's Parties are particularly popular! It is not just the place to go to for a big function; we have occasional individual bookings, for example for model plane flying, or rock band practice. So there is potentially something there of interest for everyone : it is truly a Centre for the Community.

DATE FOR YOUR DIARY: Chairman's Party Evening: Wed. 16th Dec. 2015

Rooms are available for hire at the Centre from as little as £20. Contact Elizabeth Batey, Booking Secretary, 788788 or embatey@msn.com

FRACKING

Seismic tests are being carried out in Helsby by Tesla Enterprises for Igas to see if the area is suitable for fracking. Apparently the survey area includes Frodsham marshes but not Frodsham town itself.

The results of the survey should be available for early November. Cllr Andrew Dawson of CW&C says that Igas will publish the results and he has said that if the company wants to frack for shale gas then there will be full public consultation.

There are many arguments for and against 'Fracking'. Two major energy debates have already been held jointly by Kingsley Transition Initiative and Frodsham Transition Initiative and these groups will be keen to ensure that any public consultation is well publicised and organised.

FRODSHAM WIND FARM - COMMUNITY BENEFIT FUND

A meeting of community representatives from Frodsham, Helsby, Elton, Ince and Hapsford, together with Cheshire Community Action, is taking place on Tuesday 29th September with a view to seeking approval from Peel Energy to manage the Community Benefit fund.

KINGSLEY XMAS MARKET

We continue to develop small business e-commerce, the Trades group has changed its profile and the IT scheme for the elderly has closed. We are starting to discuss our 2016 objectives. More information about these and other Transition projects can be obtained from www.kingsleytransition.org.uk or email: frodshamtransition@gmail.com

5 More Older People Eager and Waiting to Join Us

Frodsham OPAL Club is now fully up and running. We are based in the Methodist Church on Tuesdays 10.15 am -2.45pm. Our 10 members are well settled in now and we hope to expand to accommodate 5 more members to complete our group, but we can't do this without more helpers.

We urgently need more drivers, cooks and helpers.

Frodsham OPAL offers a fun day out once a week for older people living in the community who don't get out much; have trouble accessing public transport; have a carer who could do with a break or just don't get the opportunity to socialise much. We have various activities morning and afternoon, such as armchair exercise, quizzes, craft, speakers, music, games and bingo. Members also particularly enjoy their home cooked two course lunch, for some this is the only meal they eat each week with other people. Transport can be provided and members are charged just £10.

Volunteers can claim expenses and training is provided. No experience is necessary. We work on a rota and volunteers can sign up for the hours that suit them, be it weekly, fortnightly or monthly. Volunteering is extremely rewarding and members are so appreciative of all the hard work and enthusiasm that goes into the day-to-day running of the Club.

Anyone who may be interested in helping us can call in to the church on a Tuesday and see what we get up to, email zoe.blocksidge@opalservices.org.uk or phone 07562 619 275

Macmillan Coffee Morning

Just a short note to thank everyone who supported the coffee morning on Friday 25th September. We could not have done this without our helpers, your attendance and donations to the stalls.

We were pleased to welcome the pupils, staff and parents of St John's School, Kingsley.

There was a great atmosphere and it was lovely to see everyone relaxing and chatting over a cuppa and cake.

We would like to thank the local businesses that made donations to the raffle. The magnificent sum of £1,615 was raised for the Macmillan Cancer Support Nurses – a cause that touches so many of us.

See you next year

Kingsley Walking Group

There was a turn-out of 24 walkers for the walk on 19 August, which was a 5 miler starting at Hale village. We set out westward through the village, passing some very grand thatch mansions, before heading for the coastal path with its views across the Mersey estuary, along to the lighthouse, before returning to the village and lunch at the Wellington pub.

On 6 September, ten of us travelled to the picturesque village of Sawley , near Clitheroe, for a 9 mile walk in the upper Ribble Valley, through lush undulating country and alongside a heavily wooded river valley. The countryside was inundated with pheasants which scattered before us, and we spotted a heron fishing in the river. Walking back to the village we passed through a mysterious venture park with all sorts of odd and unexplained structures.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).
