EDITORIAL NEWS AND VIEWS

Dear Readers

Firstly, I must apologise for my error last month of saying that Kingsley Theatre Group had won an award. It was, of course, the very talented Kingsley Players, who will be staging their next production, 'Goodnight Mister Tom', from 18th to 21st October. Tickets now on sale.

Whilst writing about theatres there are two tickets remaining for Blood Brothers on Thursday 12th October at Chester Storyhouse. I have heard very positive reviews from people about the show and am looking forward to seeing it.

The AGM for Kingsley and Newton Village Institute will be on Monday 9th October. This is an opportunity to find out how the building has been run over the last 12 months and plans for the future.

The Institute is holding a Tamla Motown night on 14th October with entertainment provided by Alistair Adams.□

Finally, don't forget the clocks go back on 29th October

Elizabeth

Vacancies for new Councillors. Five applications have been received for the three vacancies on Kingsley Parish Council. It is anticipated that the vacancies will be filled by co-option at a meeting of the Parish Council to be held on 17 October 2017.

Mr Austin Walker has handed in his notice from his job as General Assistant. He has worked for Kingsley Parish Council for the last eighteen years and his work was much appreciated by all the Council and especially by Councillor Warburton and Councillor Moores with whom he worked closely. A letter of thanks was sent to Mr Walker from Kingsley Parish Council.

Dogs on the Playing Field. Nicki Rose, Lead Training Services Standard Practitioner from CWAC, updated the Parish Council regarding playing field by-laws. CWAC now have to replace the by-laws with Public Space Protection Orders (PSPOs). A consultation regarding PSPOs beginning in March 2018 to be concluded by November. The Parish Council will produce a survey for parishioners to comment upon regarding dog fouling. The Clerk will obtain signs to be placed around the playing field to remind dog owners of the need to clear up after their dogs. Dogs to be excluded from the fenced children's play area and signs are in place informing dog owners of this fact. Dogs are not excluded from areas containing play equipment that is not fenced. Dogs on leads cannot be enforced at the moment but maybe if included in a PSPO. Kingsley Parish Council is not responsible for the behaviour of dogs in the playing field, this is the responsibility of the dog owners. The above rules do not apply to assistance dogs. There are no restrictions on the number of dogs dog walkers can exercise and there are no particular regulations controlling dog walkers. If PSPOs are enforced after CWAC's consultation in 2018 then signs will be placed around the playing field clearly showing the regulations and who can enforce them.

Playing Field Funding Councillor Jones reported on the successful bids for grant applications for further play equipment within the playing field. Funding from Veolia Environmental Trust of £13,324 was received in full. Tesco Bags of Help Grant Scheme have also granted the project funding. Council's project along with two other projects will be decided by Tesco customers voting for their favourite scheme, so go along to your local Tesco to vote for Kingsley. The amount received will be either £4000, £2000 or £1000 depending on votes received.

Westbrook Farm Development, Hollow Lane. The proposal is for 6 properties to be developed consisting of two 2 bedroomed properties and four 3 bedroomed properties, as well as garages. The development will be within the boundary of the farmhouse and will keep the agricultural look of the properties. If planning agreed building should commence in Spring 2018 and completed within 18 months. Further information was given regarding possible development of the surrounding land at Westbrook as follows:- **Orchard** Possible reinstatement of the orchard adjacent to Hollow Lane and possible option to be offered back to the community, as public open space and or education facility. **Retail Provision** Possibility to provide a purpose built retail opportunity with off street parking 30 + spaces. **Parking & School Drop-off** Provision of off street parking to Hollow Lane 30 + spaces and opportunity to provide drop-off facility for the school. **Traffic – Through Flow and Speed.** Possible provision of a roundabout on Hollow Lane and other measures to provide traffic calming and a pedestrian crossing. **Footpaths & Pavements** Provision of footpath to Mill Street. **Housing** Possible conversion of redundant farm buildings to residential Provision of open market and local need housing. **General** A sympathetic increase in open market and affordable housing within the village will help to sustain community numbers. In turn, the increase in the population size of the community would help to sustain both local business and schools.

Proposed 20mph in Kingsley The proposals were discussed by Council who would be sending in their comments on the matter to (CWAC). Clarification is being sought regarding the 'criteria' used by CWAC when deciding on which roads would be affected and regarding several anomalies especially regarding Top Road and Brookside who do not appear to have been considered within the proposals.

Neighbourhood Plan.(NP) There will be an informal meeting in October for those showing interest in producing a NP which will be followed by a public meeting in November in order to decide whether there is enough public support to begin the formal process. Please contact the Clerk 01928 787303 for further information.

The next council meeting will be held on 17th October at 7pm in Kingsley Community Centre

PLEASE NOTE that the Minutes of the Parish Council's meetings are placed on the village website each month.

Major refurbishment of Kingsley & Newton Village Institute

The extensive refurbishment of the Kingsley & Newton Village Institute building that has been funded by a £32,830 grant from funding body WREN, is now complete.

The money, awarded by WREN's FCC Community Action Fund, has been used to provide a new gas-fired central heating system; an electrical upgrade throughout the building; loft and cavity wall insulation; replacement of the roofline, and new windows and doors throughout. It is expected that all of this will improve energy efficiency at the Institute.

Steve Roberts, KNVI Chairman, believes the improved facility will benefit the people of Kingsley. He says : “These improvements will make a real difference to those who use our facilities : the people of Kingsley and the wider community. We are extremely grateful to WREN for providing funding as we would not have been able to go ahead without its support.”

WREN is a not-for-profit business that awards grants for community, biodiversity and heritage projects from funds donated by FCC Environment through the Landfill Communities Fund.

Kingsley & Newton Village Institute held a well attended Open Afternoon with Barbecue on 2nd September 2017 when the much improved facilities were enjoyed by the villagers and users of the Institute.

Kingsley Bookworms – Next meeting 12th October 2017 at the Red Bull at 8.00pm

At our September meeting we talked about “Leaving Time” by Jodi Picoult. This is a book with a twist but here’s a summary of what we thought about it (without giving anything away):

- The ending was rushed•The bits about the elephants provoked two distinct camps, people loved them or hated them.
- Too long
- Easy to read
- The basic premise of the book would have put some people off had they known about it.

The book scored an average of 3.4 out of 5 among the 9 people who came along.

In October will be talking about “The Good Liar” by Nicholas Searle. It’s a first novel by an ex civil servant and it’s about a pathological liar. This promises to provoke lots of discussion because of the length and subject matter.

We will read “Autumn” by Ali Smith in November. It was nominated for the Man Booker prize - the winner will be announced on October 17th (the week after our next meeting). We will compare our thoughts with those of the judges.

We are now putting together our list for 2018, in good time to go on our Christmas lists. Everyone is welcome to make a suggestion. We will include a biography, a historical novel, something in translation, a new author and a classic.

Everyone is welcome to join us at any of our meetings or events. If you want more information, or to join in any of our events please contact me on vgwillim@coachwork.co.uk or call me on 07799 067 457. We have also got our own Facebook page called Kingsley Bookworms.

Mothers' Union Report

In early September we held a cream tea afternoon at a members home to raise funds for the Mothers' Union charity 'Summer of Hope'. This charity is one of many supported by the Mothers' Union but rather than taking a proactive approach such as AFIA, which provides holidays for needy (in the widest sense) families; 'Summer of Hope' takes a reactive approach and responds to events as and when a crisis occurs. Therefore having funds in place ready to respond is essential for this type of work and we are pleased to be able to add £110 to this fund.

Of course the main purpose of the afternoon was fund raising but I am confident the relaxing setting, unlimited tea and cakes and most importantly the shared company and fellowship of the supporters made for a very pleasant afternoon.

WHAT TO SEE IN OCTOBER

Kingsley Players are on stage from Wednesday 18th to Saturday 21st with ***Goodnight Mr Tom*** by Michelle McGorian. KP tell me that the directors are **Laura Williams** who is joined by award winning director **Malcolm Barker** in a joint venture. Laura has wanted to direct this play for many years but performing rights for amateur productions only became available last year and this is the first free slot at Kingsley. Although Laura is an experienced actor, this is her first role as a director and so she invited Malcolm to share the task. Many of you will know this wonderfully uplifting tale which opens during the dangerous build up to the Second World War and follows young William Beech who is evacuated from London to a rural village. He is placed with an elderly recluse, Tom Oakley who takes him on reluctantly but subsequently forges a remarkable and heart warming friendship. We expect this production to be very popular so we do recommend you book early at <http://www.kingsleyplayers.co.uk/productions/goodnight-mr-tom/>. A great night out is promised. We shall be there and know none of us will be disappointed when this talented group perform this superb play. KP are pleased to welcome new cast members who include Dylan White (Harlequins; Bouncers last December) and Holly Boland (Harlequins' Therese Raquin where she played the title role last June) and Carlo Marson (Frodsham Players Mr Tom last November but in a different role this time). Kingsley favourites include Matt Betteridge who was most recently seen in The Talented Mr Fox but also to reprise the role he played in Frodsham

And as for the rest, the season is now in full swing with lots of choice so go out and enjoy.

1st to 7th Altrincham Little Theatre – Haywire by Eric Chapell. A revival of a comedy classic. <http://www.clubtheatre.org.uk/>

16th – 20th Davenham Theatre – Motherhood by Felicity Goodman. This is a new play but we have received no details. Try <http://www.davenhamplayers.co.uk/>

17th – 23rd Ashton Hayes Theatre Club at Tarvin Community Centre – **Pitman Painters** by Lee Hall. A fascinating story of Ashington miners who became artists. (no performance on Wednesday) <http://www.ashtonhayestheatreclub.co.uk/>

20th – 28th Nantwich Little Theatre – Just Between Ourselves by Alan Ayckbourn. Another classic by this famous author which is described as a painfully funny portrait of family life and the pitfalls of doing it yourself. <http://www.nantwichplayers.com/plays/>

25th – 28th The Harlequin Theatre - The God of Carnage by Yazmina Reza and directed by international director Kathy Searcy who recently returned to UK from Dubai. The plot surrounds two couples brought together by their children who have been fighting in school and the action develops form an adult discourse to playground behaviour. A classic play well worth seeing with a talented cast including award winning actor Mike Kelsall (It Runs in the Family) and Beth Barlow (Bazaar & Rummage). www.harlequinplayers.co.uk

Reviews – a quiet month in September as it was the start of the season but one play featured in your comments.

Harlequin Theatre – Last Tango and Last Panto in Northwich. A number of you have commented most favourably about this production which was very funny and well worth the trip to Northwich. This crazy plot was brought together with great acting skills by an experienced and talented team which included KP's Kelly White.

If your production or a play you have seen did not appear here then please email us and do tell us about plays you have seen by emailing cheshireonstage@btinternet.com. John Doe

Pastry Mix

300g Plain Flour

200g Margarine

1 Tablespoon of Caster Sugar

4 Tablespoons of cold water

Make the short crust pastry by rubbing in the flour and margarine until you have fine breadcrumb texture. Add the sugar and water and mix to a soft dough. Role the pastry evenly and cut into 12 rounds using a fluted cutter. Place the rounds into a greased bun tin.

Filling

3 tablespoons of Raspberry

1 Tablespoon of sherry

50g of Ground almonds

100g of cater sugar

1 egg beaten

Almond essence

Mix the jam and sherry together and put a small teaspoon into the base of each pastry case. Mix the ground almonds and sugar together add the beaten egg and a few drops of the almond essence. Spoon the mixture evenly into the 12 cases until all used up.

To decorate use any leftover pastry cut into thin strips to lay over the mixture in the shape of a cross. Bake at 160C fan oven for 30 minutes until risen and golden.

This has been handed down from my mother in law and is an old fashioned afternoon tea cake.

Kingsley Walking Group

There was a Short Walk, of just under 5 miles on 30 August, from Cotebrook. We followed lanes and field paths, passing by the mill pool and Utkinton Hall, into Utkinton village, returning to Cotebrook via Hollins Hill. On the way we attracted the closed attention of a large group of horses, and navigated cautiously around herds of cows with bulls in attendance, and some frisky bullocks, to add a bit of excitement. Afterwards, we enjoyed lunch at the Alvanley Arms.

The Long Walk, on 12 September, was a nine-miler from Castleton. From the centre of the village we climbed to Lose Hill, then followed the ridge to Back Tor and Hollins Cross. We picnic-ed in a sheltered spot before ascending over Mam Tor. The weather was favourable and allowed us great views all around. We headed south to join the Limestone Way, descending back into Castleton via a watery Cave Dale, below the castle ramparts. Twelve of us enjoyed a good day out.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am for the short walks and for the long walks in January and February. Note however an earlier start time of 9.00am for the long walks from March to November.

Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).

Litter Pick Update

The litter pick on 2nd September collected 14 bags of litter.

The next litter picks will be on Saturday October 7th and Saturday 11th November.

Why not join us? All equipment is provided. Meet at the Community Centre at 10.00.
