KINGSLEY PRAYER DIARY

Each week of the year Christians in Kingsley pray specially for people in a different area of the village and its surroundings. During November we think of, and pray for people living in: -

W/c Nov	3rd	Depmore Lane
W/c Nov	10th	The Cross
W/c Nov	17th	Highbank Road
W/c Nov	24th	Top Road

We invite you to add your own prayers

EDITORIAL NEWS AND VIEWS

Dear Readers

Time flies and here we are already in November. I have made numerous bottles of jam over the past few weeks with the bumper fruit crops this year., and have frozen lots more to last me over the winter. But next I will be making my Christmas cake.

As my thoughts turn to Christmas I will be looking for interesting gifts for presents and I particularly enjoy looking around craft fayres. There are many of them at this time of year, St John's are holding one on the 30th November and there is the KTI Market on the 7th December. Many of the things that are for sale at these events are made locally and this helps local businesses.

There are two articles in the magazine from Trading Standards who want to make us aware of current scams which are operating in the area. Please take time to read them and pass the info to friends, relatives etc.

Elizabeth

**Articles for the magazine to be sent to the Editor

Copy deadline is the 21st of each month

www.kingsleyvillage.co.uk

The following information has been provided by Trading Standards

Two residents have reported what they consider to be scam phone calls from a company offering Sky protection or warranty renewals. One resident already has a current Sky warranty but the caller was insistent that another policy was taken out. Only when the resident told the caller that he thought it was a scam did the caller give up. Sky Protect is the only insurance product endorsed by Sky so if you need a Sky Warranty don't respond to cold calls and instead phone them directly on 08444 810 328.

As always, don't give out your personal details unless you are sure who you are dealing with. If you are cold-called by a company or organisation that you know, phone them back on their advertised number before providing any details that scammers could use to steal from you.

If you have given your bank details to somebody that you think may not be genuine contact your bank immediately.

For general consumer advice ring the Citizens Advice Consumer Helpline on 08454 04 05 06 or visit <http://www.citizensadvice.org.uk/>

Litter Pick Update

On **Saturday 12th October (and days close to that) 13** of our litter pick team removed 14 bags of litter from the village. The area around the stream between Mill Lane and Brookside was particularly bad as well as the usual black spots of Mill Lane, Hollow Lane and Norley Road. Thank you to those who help to keep our village relatively clear of litter.

The next litter pick will be on Saturday 9th November. There will be no December litter pick We will start at 10.00 am at the Community Centre.

New helpers are always welcome. We provide all the equipment needed. Eila Birtwistle – Litter pick co-ordinator.

Santa Dash is back again for Christmas!

Last year's Santa Dash raised an astonishing £12,000.

This year's event will see hundreds of local people dressed in Santa outfits taking part in the fun run from Widnes to Runcorn on Sunday 8th December at 9am. All the money raised will go directly towards to the Hospice in order to provide its special kind of caring to the residents of Halton.

The Santa Dash entry fee is £20 for adults and £10 for 9 to 15 year olds. The registration cost includes a santa suit and a medal on completion.

Registration forms and sponsor forms can be picked up from the Hospice or at one of our Halton Haven shops based in Widnes, Runcorn or Frodsham. For more information please go to www.haltonhaven.co.uk

NEWS & VIEWS FROM YOUR LOCAL FAMILY FARM

This autumn's fantastic weather continues. Winter wheat and barley drilling was completed in good warm seedbeds, and seeds emerged within a week. The oil seed rape, sown in August, is romping on and should be tall enough to survive the wood pigeons during the winter.

The interim reports on the pilot bovine TB badger cull in Gloucestershire, was quite surprising. The plan was to remove 1600 badgers in the trial area. This was to see if this would reduce TB in cattle in that area, but after the six week pilot cull ended, only about 700 badgers had been shot. This just proves how difficult it is to estimate how many badgers are in a given area. A Defra spokesman said the present cull would continue until December. The police admitted that anti cull protesters were more active in the Gloucestershire cull area than the other cull site in Somerset, and that is why the culled numbers were less. The protesters say the cull has failed in its objectives and should be scrapped now. Defra say both pilot culls will continue for the next 3 years, but the strict licensing conditions will evolve as time and experience goes on.

The Gloucestershire Police & Crime Commissioner has waded into the debate revealing that policing just the Gloucestershire cull so far is estimated at £1 million, near double the estimate. Since badgers became a 'protected species' some years ago, their numbers have exploded and I am sure that increased badger numbers are linked to the demise of the hedgehog, and lots of ground nesting birds like lapwing.

We had a meeting at our farm recently with our MP Graham Evans. We meet him occasionally to update him on the problems facing agriculture. He does not profess to know everything about farming, CAP reforms, EA cutbacks, new NVZ rules, and Defra's latest ideas, and relies on us to keep him informed. The meeting was organised by the NFU (National Farmers Union), who keep an eye on the latest Government proposals and how they will affect farmers, and how the rules and regulations can be amended to make them more workable and practical on the ground. Their remit is huge and very wide ranging.

At present the NFU are working on:

Members affected by HS2, Grocery code adjudicators, Environment Agency withdrawing from maintaining land drainage schemes, CAP reform and its implementation, Abolishment of Agricultural Wages Board, Review of Food supply networks following the horse meat scandal and Government food buying for NHS, armed forces, schools, and civil service. They purchase huge amounts of food each and NFU tries to make sure most is British. The TB pilot culls, ground water directive, electronic cattle tagging, the turkey hotline, country of origin labelling, anti-dumping measures for Russian nitrogen, and MANY MANY MORE. Rather them than me!!

My thanks to all who send me encouraging e-mails. I will continue to write if people are finding it interesting. E-mail: warbies.depmore@btinternet.com

Kind Regards

Graham Warburton - Warburtons Farms

WORSHIP AT THE HURST METHODIST CHURCH

Minister: Revd Steve Santry

Thursday 7th November 4.30 to 6.30pm- Messy Church for all the family at the Hurst

WARNING - COMPUTER SCAM

The West Cheshire Police Crime Reduction Office has recently been contacted about a 'scam computer virus' (Cheshire Police Authority Virus).

This 'scam virus' has been in circulation for some time, targeting different police force areas. It attempts to extract a fee from unsuspecting victims by locking their computer screen with a fake message warning them that their online activities have violated certain legislation and asks for payment of a fine to unlock the screen.

DO NOT OPEN UNKNOWN E MAILS. DELETE THEM. Avoid opening unknown, unwanted websites or links, attachments in spam emails, they may carry this virus and other malicious programs. Avoid downloading free software from unknown websites, especially peer-to-peer file sharing websites.

MORE INFORMATION ABOUT CYBER CRIME

The Brook in Kingsley

When taking a visitor around Kingsley a couple of weeks ago, she remarked on how attractive the village was looking. We had visited The Peace Garden and commented on how it gave the residents a restful and colourful area to enjoy. On walking along The Brook her comments centred on the beautiful planting and she was amazed to hear how it had all come about.

We all owe Margaret Livingstone a debt of gratitude for having given of her time and money to do this. Thank you!

Local Produce Market, 7th December

Please join us as part of your Xmas festivities at our December LOCAL PRODUCE MARKET, 9.30am to 1.00pm, on Saturday 7th December at Kingsley Community Centre. Plenty of Xmas cheer, fresh vegetables, bread, meat, crafts and gifts to name but a few...

PROGRESS WITH 3 IMPORTANT KTI PROJECTS

Earlier in 2013 Ralph Oultram, our local CW&C councillor, provided funding for three KTI community projects and progress with those projects is as follows:

1. Teaching Skype to the elderly: Neil Cook of Home Instead has purchased a laptop for the purpose of skype trials which are now taking place at Home Instead TLC sessions every Wednesday at Kingsley Community Centre.

2. School gardens: Kingsley St John's primary school has completed a development plan for its garden and money has been spent on supply of water to the garden as well as for a new raised bed and some tools. At Kingsley CP school the wildlife pond is due to be developed and a plan of works is being prepared.

3. Engagement of young people in the community. Various ideas have been discussed with Kingsley Scouts and a meeting with scout leaders is due in November. KU17s are considering the possible involvement of KU17 youngsters with the Skype/IT work being done by Home Instead at the community centre.

If you want to know about KTI and/or be involved in our projects please contact Simon Sherlock on 01928 787813 or Allan Arthur on 07785 341361

Date for your Diary

Kingsley Players Panto January 22nd-25th 2014

The Ice Queen and the Enchanted Mirror

Another spectacular Arnold Ashbrook production!

KINGSLEY W.I.

The Speaker at our October meeting was David Hill an authority on the Titanic Disaster and ex-president of the National Titanic Society. With his account of that fateful night in April 1912 when Titanic, one of three 45,000 ton liners built by the White Star Line at a cost of £11½m hit, or rather glanced, an iceberg and sank on its maiden voyage to New York from Southampton. Together with the history of the shipping lines in Liverpool and Southampton and his account of the events leading up to that fateful voyage when seemingly unconnected incidents had unfortunate consequences; the speaker kept the members enthralled ! There were some eerie coincidences such as the publishing of a novel entitled the Titan 14 yrs before the Titanic was built which on the exact same date, met the same fate in the same waters off Nova Scotia!!

Obviously many of us were familiar with the general "story" of the sinking of the Titanic through various documentaries, romanticised films and museums but through h a mass of information David Hill dispelled many a myth such as those surrounding Captain Smith, the number of lifeboats available(4 more than the regulatory 20 of which only 18 were launched), and the real reason the managing director appeared to put his safety before that of women and children.

The speaker brought some wonderful slides of photos taken by passengers on that terrifying night before and during the horrendous incident and also brought a recording of the actual sound of the Titanic leaving the dock! The fares the 3 classes paid for the privilege of travelling in that the grandest of liners were £880 for luxury accommodation, £60 to go 1st Class and for Steerage just £7!! The insurance claims for baggage lost by survivors varied from £10 to £35,000! It was not surprising that at the end of the evening all agreed that this was the most interesting speaker we had had for a long time!

During the business section of our meeting one of the members who had won the bursary to Denman gave us a brief résumé of her time there attending a Tai Chi course. A few members recounted how they had enjoyed a Skittles evening at the Tigers Head and our Scrabble team reported back from the Group tournament .The President encouraged us to join the bulb planting in the village and welcomed a prospective member and was pleased to inform us that the Macmillan coffee morning for which we had provided cakes had raised £1100 for the Charity!

She announced that the LUNCH group was to meet at the Leigh Arms on 18th October, the WALKING group to meet at Bartington for a walk along the Canal to Dutton Locks returning by the river and through fields, affording some excellent views and to partake of a light lunch at Davenports Tea rooms.

Future events include Christmas wreath making , a Cathedral Carol Service on the 4th December and a Group one on the 2nd December to both of which we welcome visitors as we do to all our meetings. Our next monthly meeting is on Wed. 6th November, the AGM combined with an Archive evening which should be fun.

Kingsley

COMMUNITY
PRIMARY &
NURSERY
SCHOOL

School's Sweet Success

Kingsley Community Primary school held a very successful coffee morning on Friday 27th September to raise money and awareness of the very valuable work of the MacMillan nurses. The coffee morning coincided with the Mums and tots group, who all came to support such a deserved cause. The staff made a fabulous range of cakes from, cup cakes to chocolate cakes to flap jacks. The very

generous parents and children at Kingsley Community Primary School also donated a large number of cakes, which were sold at the coffee morning as well as during playtimes. Mrs Fiona Rimmer, Headteacher, who contributed a delicious coffee cake said, "We are all touched by cancer at some time in our lives and value the fantastic support of the Macmillan nurses." The coffee morning raised over £200 and a good time

was had by all! By the end of the day everyone had definitely had their sweet tooth satisfied!

Recent visits:

Reception has visited Orchard End Farm to see all the different animals.

Class 1 and 2 have visited Frankie and Benny's where all the children designed and made a healthy pizza.

'This is a good school. Outstanding care, guidance and support from teachers and teaching assistants ensure that pupils are happy in school and enjoy the many and varied activities open to them.'

Cleaner Available

Dawn has been my cleaner for more than a year and I'm really happy with her work. She now has space in her schedule, so if you need a cleaner call her on 07983 615 239. If you'd like a reference from me, give me a call.

Kingsley Resident, Bazza, takes the helm at Frodsham U3A

Bazza Feldman , a retired consultant orthodontist heads a rapidly expanding Frodsham U3A. He takes over from the good work done by Naomi Silver who has been chairman for the last 5 years.

U3A is an international movement which provides an opportunity for retired people to follow their interests and hobbies with like minded folk. Expertise is drawn from the membership to create a friendly atmosphere coupled with learning and companionship.

Frodsham U3A, founded in December 1995, is a small, friendly group of about 70 members. We hold regular General Meetings at 2pm on the third Thursday of the month in the Small Hall, usually with a guest speaker. In addition, there are regular special group activities and visits co-ordinated by members themselves.

We now have 15 special groups to choose from. Some lean towards social activities while others offer opportunities to learn new skills and to gain knowledge or rekindle old interests.

Ten of these groups have been formed during the past 6 months so you can see it's a great place to share your own interests, knowledge, and experience with others.

We have our own web site (just Google Frodsham U3A) and if you like what you see on our pages, why not come and meet us at one of our monthly General Meetings. We look forward to seeing you there soon.

It's a great way to keep the brain moving!

KINGSLEY PARISH COUNCIL - October 2013

Community Pride Awards

The Parish Council is delighted to report that the Hurst Peace Garden was awarded a 'Little Gem Award' at this year's Community Pride Awards, hosted by Cheshire Community Action. Chair of the Parish Council, Fiona Crane, said that the garden is "*a calming place for all ages and a real asset to the community*".

Bulb Planting

Another 5000 spring bulbs were planted at several locations around the village on 12th October. Many thanks again to Catherine Tweedie for organising the project and to the 30 or so volunteers who turned up on the day to help out.

Remembrance Day Commemorations

The Remembrance Service will take place on 10 November at St. John's Church starting at 10.00am followed by the wreath laying ceremony at the Cenotaph in the cemetery at 11.00am. Everybody is welcome.

Kingsley Community Primary School in the late 70s

Were you teaching at the above school when there would be a number of children attending who were resident at Newton Hall?

I am interested in the impact of the situation on the school and of the feelings of the village. I believe that both the village and the school were quite small so this could have been a problem for them.

Jean Clarke
01477537157.

LATEST NEWS FROM KINGSLEY ST JOHN'S SCHOOL

November 2013

Film Stars of St John's

Our outstanding HLTA, Mrs Gibson together with the whole school, became stars of a DVD to be used by Chester University to promote the employment of HLTAs in schools.

The filming was linked to the schools 'Healthy Eating' status. The crew were here for the whole day filming a variety of events. This included children collecting vegetables from our school garden which they had planted and nurtured, harvesting their crop and giving it to Mrs Evans, School Cook, to turn into a healthy school lunch which the children and staff thoroughly enjoyed (together with the film crew!).

In the future we hope to improve and increase our use of the school garden, to grow more produce for the school kitchen and to hopefully sell at the Kingsley Transition Market. Our thanks go to Simon Sherlock, Sam & Matt (the Natural Veg Men) for all their help and support in this venture.

Learning Out and About

In relation to their topic on 'Toys' Class One visited Weaver Hall Museum. Whilst there they attended a workshop where they had the chance to learn about the materials toys are made from and how they work. They had the opportunity to play with toys from Tudor Times, Victorian era and the 20th Century to see how toys have changed through the ages. The children were fascinated by the hobby horses, cup-and-balls and tin toys.

Class 3 went on a Pilgrimage to Chester Cathedral which was spectacular! They took part in lots of activities in different parts of the cathedral and learnt a great deal about the history of the cathedral and St Werburgh. The children dressed as monks and had bread and apple juice and had to take a vow of SILENCE. Overall it was a fantastic day culminating with the presentation of a commemorative candle.

"The quality of care, guidance and support continues to be outstanding" (Ofsted 2011)

Pop along for a brew, brekkie and a chat. All welcome.

1st time taster session free.

More info tel. Jo-787598.

BULB-PLANTING ON SATURDAY, 12th OCTOBER

On October 12th a group of around thirty residents including three children assembled at two sites in the village ready to assist in Phase Two of the spring bulb planting. This was a venture I was requested to plan and lead by the Kingsley Parish Council. The fifteen thousand bulbs which were planted last year around specific sites in the village had been so welcomed and enjoyed in the spring that the Council wished to enhance the planting at four sites. These areas were on the verge along from The Brow and the long verges leading away from the Church on Hollow Lane. In all, about three thousand mixed daffodils were planted in these areas. In addition to these, residents also planted this year a thousand purple and gold crocus on the long verge where Dark Lane meets Top Road and another five hundred bluebells were added to the existing ones on the banks of The Slack. The purple crocus *tommasinianus* were chosen as they are particularly good nectar-providers for bees in late winter.

A big "thank you" goes out to all those who have been involved in this venture - to those who planted, those who supported the idea and helped in the planning and those who were busy promoting the event to the various clubs and organizations in the village. We are indebted to Fiona Crane and Danny Moores of Kingsley Parish Council for liaising with Cheshire West and Chester for making it possible and for sharing the cost of the bulbs.

We can now look forward to next spring and the enjoyment of the fruits of our labours!

4.30 - 6.30 pm on Thursday 7th November

It's messy! It's Church - but not as we know it!

Please note we are inviting as many as possible junior age children to come along as we are planning a very special activity which they can plan and do over the next 2 Messy church meetings. All the usual activities for younger children as well !.

Rounded off with a short song, puppets and worship time, full of interaction & fun.

It's all happening in Kingsley - come & see.

Messy Church is your church !!!

Please come at 4.30pm

KINGSLEY WALKING GROUP

The long walk on 8 October was from Anglezarke, to the north of Rivington. Starting from Anglezarke car park, we headed north by the east shore of the reservoir, through wooded country, then more open land below the moors. This took us to the charming little village of White Coppice with its village green and cricket ground. Turning south we entered the wooded Healey Nab where we had lunch in a sheltered spot. We climbed further to Grey Heights, from which we had extensive views, including Blackpool tower and Frodsham hill! Descending, we then headed south to the west of the reservoir, returning to the car park via the causeway across the dam. 7.5 miles. The weather started on the gloomy side but gradually brightened. Before travelling home we took tea and refreshments at the Rivington Barn in warm sunshine to round off an enjoyable day.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approx. 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).

Kingsley, Norley and Crowton Mother's Union

Our October meeting was a member's night and it was good to have a chat and reflection on where we are up to in our 70th Anniversary year.

We were lucky to have a slide show of the Weddings and Baptism festival that we had in church at the end of June. It was wonderful to see all the dresses and flower displays again and we are very grateful to John Cook for taking the photographs and giving us these lasting memories.

October 9th saw us visiting our prayer partners at Lower Whitley. We had an excellent afternoon, St Luke's Church has a very long history and there has been a church on that site since the 1200's. The church has been rebuilt and added to over the centuries and some of the oak beams in the roof date from the 1600's. The stained glass windows are really bright and the church feels quite light and airy. We had a short service where four new Mother's Union members were admitted followed by tea and cakes in the Village Hall. It was very pleasant and we thank our prayer partners for their friendship and hospitality.

November 2nd is our 1940's evening and we look forward to that.

Our November meeting is on the 12th so we do not clash with Bonfire night. This will be a craft evening and we shall be making things for the craft stall at the Christmas Fair, this will include sewing, making pom-poms and knitting. Feel free to join us if you are interested, we meet in the church room Kingsley at 7.30pm.

For further information call Pam Lee on 01928 787343 or Pam Owens on 01928 732 508
