EDITORIAL NEWS AND VIEWS

Dear Readers

At last, fibre optics broadband has arrived in Kingsley and this is now available to a significant number of properties. To find out if the service is available to you, visit the ConnectingCheshire website and enter your postcode, or contact your internet service provider.

I have received a request from St John's Primary School asking if anyone can help them with one of their projects. They are researching a soldier from Kingsley's World War 1 war memorial named James Lewis and wondered if there are any relatives still in the village or have any information relating to James. They would like to make this topic as interesting and relevant as possible for the children and your help would be very much appreciated. If anyone can help please contact Lynne McCoy, on 788536 or email www.kingsley-st-johns.cheshire.sch.uk

KINGSLEY THEATRE GROUP

THE CURIOUS INCIDENT OF THE DOG IN THE NIGHT

Tuesday 6th January 2015

At The Lowry, Salford Quays

Ticket price £35.50 plus £13.00 for transport

Total cost £ 48.50

Winner of seven 2013 Olivier Awards, this highly acclaimed National Theatre production, arrives at The Lowry as part of its first ever UK tour.

Christopher, fifteen years old, has an extraordinary brain – exceptional at maths while ill-equipped to interpret everyday life. When he falls under suspicion of killing Mrs Shears' dog, it takes him on a journey that upturns his world...

Based on the award-winning novel by Mark Haddon, *The Curious Incident of the Dog in the Night-Time* is a thrilling new stage play from the National Theatre.

OAKLAHOMA

Thursday 19th March 2015

At The Lowry, Salford Quays

Ticket price £29.50 plus £13.00 for transport

Total cost £42.50 per person

As refreshing and thrilling as the day it was written, Rodgers & Hammerstein's OKLAHOMA! is the original feel-good musical. From the minute the rugged cowboy Curly steps on to the stage singing **Oh, What a Beautiful Mornin'** we know that all will be right with the world. This colourful production overflows with well-known songs such as **I'm Just a Girl Who Cain't Say No, Surrey With a Fringe on Top, Kansas City, People Will Say We're in Love** and, of course, the rousing title song itself!

Celebrating the vigour of America's pioneering spirit with classic tunes and boot-stomping dances, we follow Curly and the girl of his dreams, Laurey, as they travel down love's highway on an extremely bumpy surrey ride.

Getting Bogged Down for Wildlife

How far would you go for wildlife? How about 12 miles... through mud... and freezing cold water... over really steep hills. That's about as far as two of Cheshire Wildlife Trust's overenthusiastic bog-lovers are willing to go. In order to raise money to help with the restoration of Delamere's rare mossland habitats Katie Piercy, Delamere's Mossland Officer, and Vicky Nall, a local dragonfly expert, are taking part in the Delamere Hellrunner race, which itself passes through several of the bogs the money will go towards restoring.

The Hellrunner race takes place on the 1st November 2014 and is a more of a mud bath than a trail run. Racers must pass through the bog of doom, an area of muddy water which in places reaches over 2m in depth. Other challenges include the hills of hell, steep muddy slopes which will certainly be much quicker to come down than go up.

So why take part in such a gruelling endeavour? The Delamere's mosses are an amazing network of wildlife sites ranging from wet heathland to mossland habitats. If you've ever had the opportunity to watch the iridescent green hairstreak flutter amongst the bilberry bushes in early spring, or been lucky enough to spot a white-faced darter dragonfly resting amongst the rushes, reintroduced to its native home after a ten years absence, then you will understand the value of these rare and unusual habitats.

Here's your chance to protect and restore these amazing areas and the creatures that thrive within them, either text DART14 to 70070 to donate £5 instantly, or find the online donation page at

<http://www.virginmoneygiving.com/team/GettingBoggedDown>. So come down to Delamere Forest on the 1st November and witness the mud and glory for yourself as Vicky and Katie get bogged down for wildlife.

KINGSLEY PARISH COUNCIL - October 2014

Frodsham Neighbourhood Plan

Chairman of Frodsham Town Council, Mark Warren, reported that they had agreed to carry out a Neighbourhood Plan and a steering group meeting to get the process underway would be held shortly. He said that being a neighbouring parish, we would need to be consulted as the plan progressed. The Parish Council agreed to assist where possible and respond to any consultations in due course. For more information about Neighbourhood Plans, go to <http://mycommunityrights.org.uk/neighbourhood-planning/>

Traffic and Transport

Councillor Oultram was asked to investigate the possibility of Cheshire West and Chester Council resurfacing Hollow Lane between the Post Office and the cemetery.

The Parish Council have now completed work to replace the fencing that was damaged by storms earlier this year at the top end of Top Road.

Due to a number of complaints about irresponsible parking at a previous event, the Council has agreed to offer the Cheshire Drag Hunt use of the playing field for their next event scheduled on 26 October. We have been informed that the police will also be in attendance to monitor the parking situation.

Website

Improvements are currently being made to the Kingsley Village website www.kingsleyvillage.co.uk. All Parish Council minutes and details about each of the councillors can be found here.

News from Kingsley WI

During October besides the talk on the SSFA Armed Forces Charity we enjoyed another interesting speaker at a lunch for the Weaver Vale Group of WIs in Frodsham Community Centre. During the proceedings the Hornsby Cup this year was presented to the winners, Crowton WI, for baking the most delicious Chocolate Cake in the Group mini "Bake Off". This was followed by the Group enjoying a lunch of homemade soup and delicious desserts. Diane Mannering then entertained us with a well illustrated and lively talk about the first female settlers to Botany Bay in Australia. "Send us some women", the title of her talk, was the plea from the first settlers in 1787 to the British authorities, which led to the Lady Julian setting sail for Australia in 1789 with thieves, murderers, pickpockets and prostitutes as its reluctant cargo from the overcrowded Newgate Prison. These women of ill repute, reinvented themselves by learning new skills on the voyage and so assisting in establishing the colony as well as contributing to the gene pool.

The monthly walkers took to the canal tow path at Bartington returning via the Weaver River/Navigation to Davenports for a very pleasant light lunch. The Scrabble team acquitted themselves commendably but were ambushed by the Nantwich team. More members should be encouraged to play !!

On the Business side of our meeting plans were discussed for the fund raising coffee morning to be held in the Church Hall, Church Street (near W H Smith), Frodsham on Thursday 30th October where various cakes, produce, books and bric- a- brac will be on sale. Please do pop in between 10-00 am & 12 noon whilst visiting the market.

Our next Kingsley meeting is our AGM on Wednesday 5th November followed by an intriguingly titled talk "The Wallace Mystery" by Alan Hayhurst.

As always at our meetings members will be delighted to welcome visitors

LATEST NEWS FROM KINGSLEY ST JOHN'S SCHOOL

November 2014

The centenary anniversary of the First World War

The staff and pupils have been paying special commemorations to the 100 year anniversary of the First World War.

The whole school have had a cross curricular research focus on the first world war. The children have studied and written poetry, written descriptions of a range of settings and letters home from the trenches. They have researched the countries involved in the conflict and the reasons why the first world war escalated into war.

Earlier in the term, the pupils had an experience session with a local actor, who came into school to share stories of life in the trenches.

Following this, the children visited Dunham Massey, and the Stamford Military Hospital.

The half term will end this week with a World War One tea room in the school hall. Each class have investigated WW1 recipes and designed adaptations to them for the modern age. Their culinary and design results will be available to purchase at the WW1 tea rooms on Thursday 23rd October at 2.00pm. There will be a collection for Help For Heroes on that day also.

On: 21st November 2014

New OPAL Club for isolated Elderly People coming soon to Frodsham

Rural Community Services (West Cheshire) is planning to open a new OPAL Club in Frodsham. We are aware that as people get older, they find it more and more difficult to get out and about to meet friends, and this is where our OPAL Clubs come in.

We currently run 5 well supported clubs across Cheshire, and want to do the same in Frodsham. Our clubs are designed for elderly people living in the community who are at risk of social isolation. We operate 1 or 2 days a week from 10am-3pm and provide a hot mid-day meal, activities, trips, transport and support. We can have between 12-20 regular members and we ask members to contribute £10 a day towards running costs.

The Clubs are run largely by volunteers, with the support of a paid member of staff, therefore we urgently need new volunteers to come forward and help us get established in Frodsham.

We are looking for local people to help us in the following ways:

- General helpers on the day

- Key volunteers to lead sessions and activities

- Cooks

- Drivers to offer transport

- Committee Members

Full training will be given and expenses paid.

If you would be able to offer us any support and if you would be interested in attending a meeting to discuss the idea further, please get in touch. As yet the day and venue of the Club are to be arranged.

Please contact Zoe at zoe.blocksidge@rcswc.org.uk or call 07562 619 275

KINGSLEY WALKING GROUP

There was a five mile walk on 24 September from Great Budworth, followed by an enjoyable lunch at the George & Dragon.

On 14 October eight of us enjoyed a 7.5 mile walk from Potts Shrigley. Starting from near to the West Gate of Lyme Park, we climbed steadily over moorland to the Bowstones, meeting the Gritstone Trail, and enjoying views to the north, west and east. We then headed northwards, downhill, eventually crossing the eastern approach to the Park. We continued northward, passing the Bollinhurst Reservoirs, to arrive at the north gate to the Park. We turned southward to pass The Cage with views over Manchester and Cheshire, enjoyed a cup of tea in the Timberyard Café, then back to the start via the wooded western approach.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).
