# EDITORIAL NEWS AND VIEWS

Dear Readers

Time to get into the festive spirit. I have just been to Marks and Spencer at Cheshire Oaks and they were already playing Christmas music at the end of October. Bah humbug!!

Some people, however, like to start their Christmas shopping early and what better way to start than at a Christmas fete. On the 11<sup>th</sup> November we have one at Kingsley CP School and on the 28<sup>th</sup> November St John's are holding theirs in the Community Centre. Also, a date to put in your diaries is the excellent KTI Christmas market which will be held on the 5<sup>th</sup> December.

Continuing the Christmas theme if anyone would like to be a Santa to a Senior see the Home Instead ad. They are requesting donations of gifts which would be suitable as Christmas presents for pensioners.

Of course, the major event in November is Remembrance Sunday and the annual Poppy Appeal volunteers will be collecting for the Royal British Legion. Please give generously to help support all their good work.

# LATEST NEWS FROM KINGSLEY ST JOHN'S SCHOOL

**November 2015**

## 5000m Challenge

Our Key Stage 2 pupils bravely took on the World 5000m Challenge this half term.

The event saw each child in Key Stage 2 run 200m before passing the baton on to their friend to take on the next leg. The children, including those with special education needs or disabilities completed the 5000m in 23 minutes and 23 seconds, putting the school 86th in the world. By working as a team, supporting each other and with the encouragement of the rest of the school, our achievement is fantastic.

Mr Davies and the Sports Council were delighted with how well the school performed. "The fact that everyone in Key Stage 2 engaged in the activity, shows how wonderful our school is. To see everyone cheering each other on was more special than sports day when we cheer on our house teams."

## Harvest

The school were delighted to be welcomed into St John The Evangelist Church in Kingsley to celebrate Harvest.

Children from across the school, and their parents enjoyed coming together as a community to give thanks for all God's wonderful gifts.

Our thanks go out to Curate Hilary Merrington and the parishioners for welcoming us all. There was a very impressive collection for the Liverpool League of Welldoers also.

#### SEISMIC TESTING AND THE COMMUNITY

During the last twelve months KTI and FTI have held two Energy Debates to engage the local population in energy supply matters. **Testing for shale gas is being carried out in Helsby and on Frodsham Marshes NOW** and FTI is seeking information about the testing programme and its outcomes to ensure that there is proper consultation with the community. Please contact Allan Arthur on 07785 341361 or email [simon@sherlock.co.uk](mailto:simon@sherlock.co.uk) if you would like to share in this activity.

#### OUR PLANS FOR 2016

The 2015 Poppy Appeal is now underway and you will have noticed the poppy boxes in the shops, pubs and businesses in Kingsley. I wish to thank all these businesses for their continuing support for the Poppy Appeal. ## NCK Mothers' Union

You may be aware that for the last few years, during October and November, shoe boxes have been filled with stationery, small toys, hygiene products and sweets etc by many of our schoolchildren and others individuals in the village; then sent via Operation Christmas Child, to needy children in different parts of the world.

Ian Taylor from the Samaritan's Purse, gave us a very moving presentation at a recent meeting showing us how the shoe boxes we fill can affect a child's life. Of course he explained the processes and gave us facts about the operation but it was the pictures which were most moving, I might add not in a negative way but in a delightful way. The smiles on the faces of the children, who may be receiving a present for the very first time in their lives, was explosive. They even treasure the boxes and any pictures put inside them and these have been witnessed still as prize possessions many years later. Clearly all these boxes and the effort that goes into putting them together are well appreciated. This talk, with its many facets, will stay with us for long time.

The Horseshoe Inn, Kingsley has again agreed to be a collection point for the donated gifts. Gifts can be anything from blankets or throws; slippers or socks; toiletries such as lotions, bath soaps or toothpaste; pyjamas, nightgowns or robes; food hampers or sugar-free sweets; kitchen or bath towels; scarves, gloves, chocolates, or biscuits.

**Are you a small community organisation with big ideas for improving the lives of older people in your area?**

**We want to hear from you!**

Brightlife is a Big Lottery-funded project being led by older people across Cheshire West and Chester. It aims to reduce social isolation by putting together a unique programme of activities, chosen by older people, with the focus on those aged 50+.

We want to make sure that smaller organisations and informal community groups have the chance to bid for funding from us to run these activities.

To get your name onto our list of potential suppliers, we need you to fill in a questionnaire to tell us a little more about your organisation. If we think you would be a good fit, we'll provide you with support in the form of workshops and training, and make sure that you're among the first to be invited to apply for our funding opportunities.

# Nature Notes from Delamere

With Cheshire Wildlife Trust

We return to Delamere to discover how our rare white-faced darter dragonflies are getting on and to look at what's new in the Delamere Living Landscape.

## Delamere's Dragons

2015 white-faced darter egg  
translocation to Doolittle  
© Chris Meredith

At Cheshire Wildlife Trust we're currently undertaking a reintroduction project in Delamere Forest, bringing back the white-faced darter dragonfly - last seen in Cheshire in 2003. In 2015, we carried out the second year of translocations - moving mature larvae from the donor sites in Staffordshire and Shropshire to the reintroduction site at Doolittle basin, Delamere. Despite colder weather, 150 larvae were successfully relocated to Delamere in time for their flight season, between May and July. The Delamere's Dragons team, led by Chris Meredith and supported by dedicated volunteers, has since been busy monitoring this rare and fragile species. This year we have seen white-faced darters emerging at the reintroduction site, as well as mature adults displaying breeding behaviour. Cheshire Wildlife Trust is hopeful that the future is bright for this iconic species.

## What's next?

Next year could be a busy one for white-faced darters in Delamere. Eggs from the 2014 translocations should make their adult appearance. The project aims see a self-sustaining population in Delamere forest within the next 10 years.

With the busy summer survey season at an end the Delamere's Dragons team is excited for a winter of getting their hands dirty. Habitat restoration work will continue on new flight corridors. These flight corridors are vital for the sustainability of the white-faced darter and connect Doolittle with other suitable pools within Delamere. During this process some trees are removed which regenerates the natural heathland. These trees are used in charcoal making, creating a sustainable product and raising vital project funds.

## New trail for Hatchmere

Delamere Dairy is celebrating its 30<sup>th</sup> anniversary this year. Having started out three decades ago in Delamere with just a handful of goats, the company has gone from strength to strength. This year Delamere Dairy has returned to its roots and teamed up with Cheshire Wildlife Trust to help fund a new trail at the Hatchmere reserve.

Staff at Delamere Dairy, including owner Roger Sutton, got stuck in at Hatchmere helping to restore the pathway.

The trail, complete with information boards and waymarkers, is now open to visitors. Why not take a walk and enjoy the varied mosaic of habitats and unique wildlife? We'd love to know what you think. You can Tweet @CheshireWT #hatchmere

## Get involved!

This year, the Delamere's Dragons team recruited volunteer trainee Rachel Davies, a graduate zoologist from Bangor University. Rachel has written this update for *Nature Notes*.

## **Kingsley Walking Group**

For the second month running, 24 people turned up for the short walk, on 30 September. This was a five mile walk starting from opposite Great Barrow church. We headed north along the ridge to the west of the village with views over open countryside, before dropping down by a narrow path through a field of maize to join the continuation of Firma Lane, then onto Broomhill Lane to head back to the village via Brook Farm and the Longster trail. Lunch was taken at the Stamford Bridge Arms, where the staff did well to cope with our numbers on a busy day.

Eleven of us enjoyed a sunny day out for the long walk at Ellesmere, Shropshire, on 13 October. We skirted the west shore of The Mere, then headed eastward across field paths into Welshampton, then on to the Shropshire Union canal towpath as far as Cole Mere which we circumnavigated via woodland and open shoreline. Returning to the canal we passed through the 80 metre tunnel under the A495 to return to the car park above The Mere. About 9 miles in all. The afternoon was rounded off with refreshments in the lakeside café.

Kingsley Walking Group have two walks each month: on the second Tuesday there is a long walk of 7 - 8.5 miles (bring a packed lunch); on the last Wednesday a short walk of approximately 5 miles with a coffee break and pub lunch. We meet at the Community Centre at 9.30am (Note however an earlier start of 9.00am for the long walks from May to September). Information on the walks programme may be found on the Walking Club page of the Kingsley Village website. For more information tel. 788132 (short walks), 788068 (long walks).
