The neighbourhood watch scheme is looking for new members

Neighbourhood Watch in Cheshire is run by
the Cheshire Neighbourhood Watch Association (CNWA)
www.cheshirenw.org

Would you like to create more community spirit?

A local Neighbourhood Watch Scheme is a great way to build a sense of community. By working together with your neighbours and sharing live information on what's happening, you can create a stronger, safer community. You can also involve older or more vulnerable people to improve their safety and well-being.

Neighbourhood Watch Schemes are supported by Cheshire Police. Areas with active Neighbourhood Watch Schemes have lower crime rates*, so to join or start a scheme, follow these simple steps:

- Visit www.cheshirenw.org or email cheshirewatch@cheshire.pnn.police.uk to find out more.
- Speak to your neighbours about starting a scheme. It only takes two people!
- Contact your local PCSO to help you start your scheme.
- Register yourself as a coordinator on www.cheshirepolicealert.co.uk and let the CNWA know via cheshirewatch@cheshire.pnn.police.uk so they can help you map your scheme and provide you with the resources you need.

Road Safety –

I complete road safety activity on a regular basis. I alternate between villages and ask the community for feedback for the best locations and times. See Facebook for road safety engagement carried out each week. All vehicles caught speeding are dealt via the central ticket office.

Surgeries

We are holding surgeries virtually, Please see Facebook for dates and times, also I will be trying out some pop up surgeries in different areas.

Is the parking actually an offence? In the Highway Code, only rules stating "MUST/MUST NOT" are offences; everything else is only guidance

MUST/MUST NOT
 Legal requirements, and you're committing a criminal offence if you disobey these rules.

Should/Should not/Do/Do not
 Advisory wording, and may be used in evidence in court proceedings to establish liability.
